FOREWORD

The Kentucky Constitution requires each house of the General Assembly to keep a journal as a public accounting of daily legislative activity. It is the official record of action by the General Assembly.

The *Kentucky Revised Statutes* require the Legislative Research Commission to compare, edit, correct, and publish the journals of each chamber. This is the *House Journal* for the Regular Session of 2000.

The texts of simple and concurrent resolutions appear on first reading or adoption. Appendices contain a list of elected representatives, tables of actions on bills and resolutions, roll call votes, the budget memorandum, and a subject index.

Wilda Bond, Kathy Green, and Stacy Smither prepared the *House Journal* for the 2000 Regular Session. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.070 is amended to read as follows:

(1) The minimum school term shall be one hundred eighty-five (185) days, including no less than the equivalent of one hundred seventy-five (175) six (6) hour instructional days. A board of education may extend its term beyond the minimum term.

(2) Any local board of education operating its schools on a year-round school program basis shall conform with administrative regulations promulgated and adopted by the Kentucky Board of Education upon the recommendation of the chief state school officer, which regulations must be in conformity with the following criteria:

(a) The year-round school program shall be operated on a fiscal year beginning July 1 and ending June 30;

(b) A pupil's required attendance in school shall be for at least the minimum instructional term; and

(c) No teacher shall be required to teach more than the minimum term during the school year.

(3) (a) Each local board of education shall use four (4) days of the minimum school term for professional development and collegial planning activities for the professional staff without the presence of pupils pursuant to the requirements of KRS 156.095.

(b) A local board may approve a school's flexible professional development plan that permits teachers or other certified personnel within a school to participate in professional development activities outside the days scheduled in the school calendar or the regularly scheduled hours in the school work day and receive credit towards the four (4) day professional development requirement within the minimum one hundred and eighty-five (185) days that a teacher shall be employed. A flexible schedule option shall be reflected in the school's professional development component within the school improvement plan or consolidated plan and approved by the local board. Credit for approved professional development activities may be accumulated in periods of time other than full day segments.

(c) The local board of each school district may use up to a maximum of four (4) days of the minimum school term for holidays; provided, however, any holiday which occurs on Saturday may be observed on the preceding Friday. ***The calendar for each local school district shall not include the last Monday in May, in observance of Memorial Day, unless the local school board votes and approves using the day as a make-up instructional day.***

(d) Each local board may use two (2) days for planning activities without the presence of pupils.

(e) Each local board may use the number of days deemed necessary for:

1. National or state disaster or mourning when proclaimed by the President of the United States or the Governor of the Commonwealth of Kentucky;

2. Local disaster which would endanger the health or safety of children; and

3. Mourning when so designated by the local board of education and approved by the Kentucky Board of Education upon recommendation of the chief state school officer.

(4) The Kentucky Board of Education, upon recommendation of the chief state school officer, shall adopt administrative regulations governing the use of school days, including days missed from the regular school day as a result of local disaster, as defined in of subsection (3)(e)2. of this section, and regulations setting forth the guidelines and procedures to be observed for the approval of the days utilized for the opening and closing of school and the days utilized for professional development and planning activities for the professional staff.

(5) In setting the school calendar, school shall be closed for two (2) consecutive days for the purpose of permitting professional school employees to attend statewide professional meetings. These two (2) days for statewide professional meetings shall be scheduled to begin with the first Thursday after Easter, or upon request of the statewide professional education association having the largest paid membership, the chief state school officer may designate alternate dates. The chief state school officer shall designate one (1) additional day during the school year when schools shall be closed to permit professional school employees to participate in regional or district professional meetings. These three (3) days so designated for attendance at professional meetings shall not be counted as a part of the minimum school term. School shall be closed on the day of a regular election, and that day may be used for professional development activities, professional meetings, or parent-teacher conferences.

(7) Schools shall provide continuing education for those students who are determined to need additional time to achieve the outcomes defined in KRS 158.6451, and schools shall not be limited to the minimum school term in providing this education. Continuing education time may include extended days, extended weeks, or extended years. A local board of education may adopt a policy requiring its students to participate in continuing education. The local policy shall set out the conditions under which attendance will be required and any exceptions which are provided. The Kentucky Board of Education shall promulgate administrative regulations establishing criteria for the allotment of grants to local school districts. These grants shall be allotted to school districts to provide instructional programs for pupils who are identified as needing additional time to achieve the outcomes defined in KRS 158.6451. (8) Notwithstanding any other statute, each school term shall include no less than the equivalent of the minimum number of instructional days required by this section.

SB 317, AN ACT relating to exceptional children and youth.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.150 is amended to read as follows:

(1) All pupils admitted to the common schools shall comply with the lawful regulations for the government of the schools:

(a) Willful disobedience or defiance of the authority of the teachers or administrators, use of profanity or vulgarity, assault or battery or abuse of other students, the threat of force or violence, the use or possession of alcohol or drugs, stealing or destruction or defacing of school property or personal property of students, the carrying or use of weapons or dangerous instruments, or other incorrigible bad conduct on school property, as well as off school property at school-sponsored activities, constitutes cause for suspension or expulsion from school; and

(b) Assault or battery or abuse of school personnel; stealing or willfully or wantonly defacing, destroying, or damaging the personal property of school personnel on school property, off school property, or at school-sponsored activities constitutes cause for suspension or expulsion from school.

(2) Each local board of education shall adopt a policy requiring the expulsion from school for a period of not less than one (1) year for a student who is determined by the board to have brought a weapon to a school under its jurisdiction. The board shall also adopt a policy requiring disciplinary actions, up to and including expulsion from school, for a student who is determined by the board to have possessed prescription drugs or controlled substances for the purpose of sale or distribution at a school under the board's jurisdiction, or to have physically assaulted or battered or abused educational personnel or other students at a school or school function under the board's jurisdiction. The board may modify the expulsion requirement for students on a case-by-case basis. A board that has expelled a student from the student's regular school setting shall provide or assure that educational services are provided to the student in an appropriate alternative program or setting, unless the board has made a determination, on the record, supported by clear and convincing evidence, that the expelled student poses a threat to the safety of other students or school staff and cannot be placed into a state-funded agency program. Other intervention services as indicated for each student may be provided by the board or by agreement with the appropriate state or community agency. A state agency that provides the service shall be responsible for the cost. In determining whether a student has brought a weapon to school, a local board of education shall use the definition of "unlawful possession of a weapon on school property" stated in KRS 527.070.

(3) School administrators, teachers, or other school personnel may immediately remove or cause to be removed threatening or violent students from a classroom setting or from the district transportation system pending any further disciplinary action that may occur. Each board of education shall adopt a policy to assure the implementation of this section and to assure the safety of the students and staff.

(4) A pupil shall not be suspended from the common schools until after at least the following due process procedures have been provided:

(a) The pupil has been given oral or written notice of the charge or charges against him which constitute cause for suspension;

(b) The pupil has been given an explanation of the evidence of the charge or charges if the pupil denies them; and

(c) The pupil has been given an opportunity to present his own version of the facts relating to the charge or charges.

These due process procedures shall precede any suspension from the common schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the due process procedures outlined above shall follow the suspension as soon as practicable, but no later than three (3) school days after the suspension.

(5) The superintendent, principal, assistant principal, or head teacher of any school may suspend a pupil but shall report the action in writing immediately to the superintendent and to the parent, guardian, or other person having legal custody or control of the pupil. The board of education of any school district may expel any pupil for misconduct as defined in subsection (1) of this section, but the action shall not be taken until the parent, guardian, or other person having legal custody or control of the pupil has had an opportunity to have a hearing before the board. The decision of the board shall be final.

(6) (a) Suspension of exceptional children, as defined in KRS 157.200, ***shall be considered a change of educational placement if:***

1. ***The child is removed*** for more than~~[a total of]~~ ten (10) ***consecutive*** days during a school year***; or***

2. ***The child is subjected to a series of removals that constitute a pattern because the removals accumulate to more than ten (10) school days during a school year and because of other factors, such as the length of each removal, the total amount of time the child is removed, and the proximity of removals to one another***~~[shall constitute a change of educational placement]~~.

(b) The admissions and release committee shall meet to review the placement and make a recommendation for continued placement or a change in placement and determine whether regular suspension or expulsion procedures apply. Additional evaluations shall be completed, if necessary.

(c)~~[(b)]~~If the admissions and release committee determines that an exceptional child's behavior is related to his disability, the child shall not be suspended any further or expelled unless the current placement could result in injury to the child, other children, or the educational personnel, in which case an appropriate alternative placement shall be provided that will provide for the child's educational needs and will provide a safe learning and teaching environment for all. If the admissions and release committee determines that the behavior is not related to the disability, the local educational agency may pursue its regular suspension or expulsion procedure for the child, if the behavior so warrants. However, educational services shall not be terminated during a period of expulsion ***and during a suspension after a student is suspended for more than a total of ten (10) days during a school year***. A district may seek temporary injunctive relief through the courts if the parent and the other members of the admissions and release committee cannot agree upon a placement and the current placement will likely result in injury to the student or others.

(7) Suspension of primary school students shall be considered only in exceptional cases where there are safety issues for the child or others.

Section 2. KRS 157.200 is amended to read as follows:

SCR 88, A CONCURRENT RESOLUTION directing the Interim Joint Committee on Education to study teacher compensation and benefits.

WHEREAS, the Commonwealth of Kentucky has a commitment to improve the education of its citizens to allow each of them to be competitive in a global economy; and

WHEREAS, in spite of all of the intense effort to change and improve the public education system since 1990, Kentucky's teachers are paid approximately $3,000 less than the average teacher earns in the seven surrounding states and approximately $5,000 less than the national average; and

WHEREAS, the Task Force on Teacher Quality found that though significant progress has been made in raising Kentucky's teachers' salaries since 1990, continued efforts to improve base teachers' salaries are needed to be competitive with surrounding states and to move up in the national rankings; and

WHEREAS, the Task Force on Teacher Quality also found that compensation and benefits beyond the maintenance of a base salary are needed to recognize and reward teachers who stay in the classroom and perform at high levels, or those who assume additional duties or hard-to-fill assignments; and

WHEREAS, there is a problem with providing adequate, affordable health insurance for teachers and other public employees, there is a need to study methods of providing adequate and affordable health insurance for teachers, public employees, and retirees including self-insuring teachers, public employees, and retirees; and

WHEREAS, additional study and funding are needed to implement these and other recommendations that will ensure that Kentucky's teachers are rewarded adequately;

NOW, THEREFORE,

Be it resolved by the Senate of the General Assembly of the Commonwealth of Kentucky, the House of Representatives concurring therein:

Joint Committee on Education and its subcommittee shall report the findings and recommendations, with enabling legislation, to the Legislative Research Commission no later than September 1, 2001.

(1) If any person desires to offer for dedication by recorded plat any public way or easement within the city limits, he shall file with the city legislative body a map or plat of the territory bounded, intersected, or immediately adjacent to the proposed public way or easement, showing the proposed name, nature, and dimensions of the public way or easement offered for dedication. If the city legislative body decides the proposed dedication would be beneficial to the public interest and suitable for the immediate or future acceptance of the city, it shall approve the map or plat, and the mayor shall subscribe a certificate of approval on the map and acknowledge the execution thereof before any public officer authorized to take acknowledgments of deeds. The map or plat may then be recorded in the office of the county clerk.

city for all purposes. The lack of an actual dedication to the city, or of a record title on the part of the city, shall be no defense against the collection of any tax that may be levied against property abutting thereon for the payment of the cost of any improvement constructed thereon by order of the city. Nothing herein shall be construed to require the expiration of five (5) years to raise a presumption of dedication in any case where, under any rule of law in force in this state, a dedication would be presumed in less than five (5) years. Provided, however, that[~~no~~] property of a ***railroad company***[~~carrier by rail, as defined in KRS 276.010(3),~~] shall ***not*** be presumed to be dedicated as a public way or easement under this section or any other rule of law in force in this state unless the ***company***[~~carrier~~] consents to said dedication in writing.

The local county attorney shall be considered the designee of the cabinet for purposes of administering the program of child support recovery within a county, subject to the option of the county attorney to decline such designation. Nothing in this section shall prevent the secretary from taking such action, with prior written notice, as appropriate if the terms and conditions of the cooperative agreement are not met. When a cooperative agreement with a contracting official is canceled for good cause, the cabinet may not offer that cooperative agreement to that official during the official's tenure.

(12) Except for cases administered by the cabinet under 42 U.S.C. secs. 651 et seq. which shall be afforded the appeal process set forth by KRS 405.450(3), an individual who has a license or certification denied, revoked, or suspended shall have the right to appeal to the licensing or certifying board.

Assets held by the institutions on behalf of any obligated parent who is subject to a child support lien pursuant to KRS 205.745 shall be encumbered or surrendered in response to a notice of lien or levy issued by the cabinet. The cabinet may pay a reasonable fee to a financial institution for conducting the data match, not to exceed the actual cost. The financial institution shall not be liable for encumbering or surrendering any assets held by the financial institution in response to a notice of lien or levy issued by the cabinet or for any other action taken in good faith to comply with the requirements of this subsection.

(15) The cabinet may issue both intrastate and interstate administrative subpoenas to any individual or entity for financial or other information or documents that are needed to establish, modify, or enforce a child support obligation pursuant to Title IV-D of the Social Security Act, 42 U.S.C. secs. 651 et seq. An administrative subpoena lawfully issued in another state to an individual or entity in this state shall be honored and enforced in the Circuit Court of the county in which the individual or entity resides.

(16) The Cabinet for Families and Children shall forward to the Office of the Attorney General a list of names of delinquent obligors, and in cooperation with the Office of the Attorney General, shall promulgate administrative regulations in accordance with KRS Chapter 13A to implement Section 16 of this Act.

(18) The cabinet shall prepare and distribute to the cabinet's designee for the administration of the child support program information on child support collections and enforcement. The information shall include a description of how child support obligations are:

(a) Established;

(b) Modified;

(c) Enforced;

(d) Collected; and

(e) Distributed.

(19) The cabinet's designee for the administration of the child support program shall distribute, when appropriate, the following:

(a) Information on child support collections and enforcement; and

(b) Job listings posted by employment services.

Section 6. KRS 205.745 is amended to read as follows:

(1) A child support lien or levy in favor of the cabinet shall be enforceable against all real and personal property of the obligor if he has failed to make child support payment in an amount equal to support payable for one (1) month and the child support has been assigned to the cabinet. In accordance with subsection (4) of this section, the lien or levy shall have first priority over any other lien assigned by any other agency, association, or corporation.

(2) The cabinet shall file a notice of lien or levy with the county clerk of any county or counties in which the obligor has interest in property and the notice shall be recorded in the same manner as notices of lis pendens. The recordation shall constitute notice of both the original amount of child support due and all subsequent amounts due by the same obligor. Upon request, an authorized agent of the cabinet shall disclose the specific amount of liability to any interested party legally entitled to the information. The notice, when so filed, shall be conclusive to all persons of the lien or levy on the property having legal situs in that county. The lien or levy shall commence as to property of the obligor located in the Commonwealth at the time the notice is filed and shall continue until the original amount of child support due and any subsequent amounts, including interest, penalties, or fees, are fully paid. The lien or levy shall attach to all interest in real and personal property in the Commonwealth, then owned or subsequently acquired by the obligor. The clerk shall be entitled to a fee pursuant to KRS Chapter 64.

(3) The cabinet may force the sale of the property of the parent subject to the lien or levy for the payment of assigned child support, and distribute the proceeds in accordance with 42 U.S.C. secs. 651 et seq.

(4) The cabinet's lien or levy shall be superior to any mortgage or encumbrance created after the notice of lien or levy is recorded. The cabinet shall give full faith and credit to child support liens or levies created in other states without requirement of judicial notice or proceedings prior to enforcement, but the liens or levies shall subordinate to any child support lien or levy of the cabinet that relates to the same obligor and property.

(5) The cabinet shall not enforce the lien by foreclosure action on a principal residence of an obligor if to do so would deprive a minor child of the obligor of a homestead, unless the failure to enforce the lien by foreclosure would result in the loss of the home of the minor child of the custodial parent.

(6) In the event another lienholder initiates a foreclosure action against the property of the obligor, the cabinet may protect its

interest in the property by filing an answer counterclaim and cross-claim and participate in the proceeds of any sale of the property as its interests may appear.

(7) The cabinet shall notify the obligor of the filing of its claim of lien or levy and the opportunity to contest and appeal the action in accordance with the requirements of KRS Chapter 13B.

(8) Liens or levies resulting from actions provided by this section shall be inapplicable to an account maintained at a financial institution that is or may be subject to the data match system established by KRS 205.774, and is subordinate to any prior lien, levy, or security interest perfected by a financial institution or other legitimate lien or levy holder.

(9) The cabinet may enforce the lien by the immobilization with vehicle boots of a vehicle registered in the obligor's name. The cabinet shall establish procedures for vehicle booting by the promulgation of administrative regulations in accordance with the provisions of KRS Chapter 13A. The procedures shall require that the following conditions are verified before a vehicle is immobilized with a vehicle boot:

(a) There is an arrearage that equals or exceeds six (6) months without payment;

(b) The obligor has failed, after receiving appropriate notice, to comply with subpoenas or warrants relating to child support proceedings;

(c) A lien has been filed in the county where the vehicle is kept;

(d) The Department of Vehicle Regulation shows that the vehicle identification number for the vehicle to be booted is registered in the obligor's name;

(e) The vehicle to be booted is solely owned by the obligor, co-owned by the obligor and current spouse, or owned by a business in which the obligor is the sole proprietor;

(f) A notice of intent has been sent to the obligor, unless there is reason to believe that the obligor will leave town or hide the vehicle;

(g) The obligor does not contact the cabinet within ten (10) days of notice to negotiate a settlement; and

(h) A target date is set for booting.

The administrative regulations shall also require that the cabinet send a cancellation notice to the obligor and the sheriff if a decision is made to terminate the booting of a vehicle. Once a vehicle has been booted, the cabinet shall attempt to reach a payment agreement with the obligor including terms for the release of the vehicle. If an agreement is not reached with the obligor, the cabinet may proceed with the sale of the vehicle. If the cabinet sells a vehicle, the cabinet shall notify the Department of Vehicle Regulation to issue clear title to the new owner of the vehicle.

Section 7. KRS 205.755 is amended to read as follows:

(1) Any payments of support made on behalf of a needy dependent child who is receiving public assistance shall be deposited by the cabinet in a manner prescribed by the secretary which is consistent with state and federal law and regulations. Distribution of any payments so made shall be made in a manner prescribed by the secretary which is consistent with state and federal law and regulations.

(2) The cabinet may establish a system to receive and process all child support payments using automated payment options including, but not limited to, telephone and personal computer payment methods.

SECTION 8. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

Before distribution of the funds, a list of individuals or entities that are awarded tobacco settlement moneys from the tobacco settlement agreement fund under KRS 248.654, or related state or federal legislation, shall be forwarded by the cabinet, agency, corporation, authority, or other entity responsible for the distribution of the moneys to all designees of the Cabinet for Families and Children for the administration of the child support program.

Section 9. KRS 403.212 is amended to read as follows:

(1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.

(2) For the purposes of the child support guidelines:

(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.

(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal Social Security Act, and food stamps.

(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.

(d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.

(e) ***In any proceeding to establish support for a child whose legal parent is a minor, the court may order a parent of the minor parent to be responsible for a court ordered child support obligation for the child until the minor parent reaches the age of eighteen (18) years. The parent of the minor parent shall be notified of the proceeding to establish support for a child and the opportunity to contest and appeal the action in accordance with the requirements of KRS Chapter 13B.***

(f) "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines.

(g)~~[(f)]~~ Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.

(h)~~[(g)]~~ "Combined adjusted parental gross income" means the combined gross incomes of both parents, less any of the following payments made by the parent:

1. The cost of health insurance coverage for the child;
2. The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;
3. The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and
4. A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children.

(3) The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their adjusted gross income.

(4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars ($60) per month.

(5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

(6) The child support guidelines table is as follows:

COMBINED MONTHLY ADJUSTED PARENTAL GROSS INCOME	ONE	TWO	THREE	FOUR	FIVE	SIX OR

Section 10. KRS 403.213 is amended to read as follows:

(1) The Kentucky child support guidelines may be used by the parent, custodian, or agency substantially contributing to the support of the child as the basis for periodic updates of child support obligations and for modification of child support orders for health care. The provisions of any decree respecting child support may be modified only as to installments accruing subsequent to the filing of the motion for modification and only upon a showing of a material change in circumstances that is substantial and continuing.

(2) Application of the Kentucky child support guidelines to the circumstances of the parties at the time of the filing of a motion or petition for modification of the child support order which results in equal to or greater than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed to be a material change in circumstances. Application which results in less than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed not to be a material change in circumstances. For the one (1) year period immediately following enactment of this statute, the presumption of material change shall be a twenty-five percent (25%) change in the amount of child support due rather than the fifteen percent (15%) stated above.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child shall be terminated by emancipation of the child unless the child is a high school student when he reaches the age of eighteen (18). In cases where the child becomes emancipated because of age, but not due to marriage, while still a high school student, the court-ordered support shall continue while the child is a high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years. Provisions for the support of the child shall not be terminated by the death of a parent obligated to support the child. If a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances. ***Emancipation of the child shall not terminate the obligation of child support arrearages that accrued while the child was an unemancipated minor.***

(4) The child support guidelines table shall be reviewed at least once every four (4) years by a commission consisting of the following persons:

(a) The secretary of the Cabinet for Families and Children or a supervisory staff person designated by him;

(b) Two (2) members of the Kentucky Bar Association who have at least six (6) consecutive years' experience and are presently practicing domestic relations cases, one (1) member from a metropolitan or large urban area and one (1) member from a less populated area;

(c) Two (2) Circuit Judges appointed by the Chief Justice of the Kentucky Supreme Court, one (1) from a metropolitan or large urban area, and one (1) from a less populated area;

(d) One (1) District Judge appointed by the Chief Justice of the Kentucky Supreme Court;

(e) Two (2) county attorneys appointed by the president of the County Attorneys Association, one (1) from a metropolitan or large urban area and one (1) from a less populated area; and

(f) The Attorney General or his designee, who shall be an attorney from his office.

(5) The commission shall make a recommendation to the Kentucky General Assembly to ensure that the child support guidelines table results in a determination of appropriate child support amounts.

SECTION 11. A NEW SECTION OF KRS 405.405 TO 405.520 IS CREATED TO READ AS FOLLOWS:

(1) The Cabinet for Families and Children's designee under KRS 205.712(6) for the administration of child support may compile a list of the names of persons under its jurisdiction who have a child support arrearage that equals or exceeds six (6) months without payment, or fails, after receiving appropriate notice, to comply with subpoenas or warrants relating to paternity or child support proceedings as provided by 42 U.S.C. sec. 666(a)(16). The cabinet may furnish this list to the newspaper of general circulation in that county for publication.

(2) The Division of Child Support Enforcement in the Cabinet for Families and Children shall determine uniform standards for publication. The cabinet is authorized to promulgate the necessary administrative regulations under KRS Chapter 13A to implement the provisions of this section.

(3) For purposes of this section, "newspaper of general circulation" means a publication bearing a title or name, regularly issued at least as frequently as once a week for a definite price, having a second-class mailing privilege, being not less than four (4) pages, published continuously during the immediately preceding one (1) year period, which is published for the dissemination of news of general interest, and is circulated generally in the political subdivision in which it is published and in which notice is to be given. In any county where a publication fully complying with this definition

does not exist, the Cabinet for Families and Children may publish this list in the publication utilized by the Circuit Court Clerk of the county for publication of other legal notices in the county. A newspaper that is not engaged in the distribution of news of general interest to the public, but that is primarily engaged in the distribution of news of interest to a particular group of citizens, is not a newspaper of general circulation.

SECTION 12. A NEW SECTION OF KRS 405.405 TO 405.520 IS CREATED TO READ AS FOLLOWS:

The Kentucky Lottery Corporation and the Cabinet for Families and Children shall develop a system to allow the Kentucky Lottery Corporation to receive a list of delinquent child support obligors from the Cabinet for Families and Children on a monthly basis. The Kentucky Lottery Corporation shall withhold delinquent amounts from prizes of winners that appear on the list. This system shall be timely and shall not create an unavoidable delay in the payment of a lottery prize.

Section 13. KRS 405.430 is amended to read as follows:

(1) When a parent presents himself to the cabinet for the voluntary establishment of paternity and clear evidence of parentage is not present, the cabinet shall pay when administratively ordered the cost of genetic testing to establish paternity, subject to recoupment from the alleged father when paternity is established.

(2) The cabinet shall obtain additional testing in any case if an original test is contested, upon request and advance payment by the contestant.

(3) In a contested paternity case, the child, the mother, and the putative father shall submit to genetic testing upon a request of any of the parties, unless the person or guardian of the person who is requested to submit to genetic testing shows good cause, taking into account the best interests of the child, why the genetic tests cannot be performed. The request shall be supported by a sworn statement of the party, requesting that the test be performed, which shall include the information required by 42 U.S.C. sec. 666(a)(5)(B)(i) or (ii).

(4) When a parent who fails to support a child is not obligated to provide child support by court order, the cabinet may administratively establish a child support obligation based upon a voluntary acknowledgment of paternity as set forth in KRS Chapter 406, the parent's minimum monthly child support obligation and proportionate share of child care costs incurred due to employment or job search of either parent, or incurred while receiving elementary or secondary education, or higher education or vocational training which will lead to employment. The monthly child support obligation shall be determined pursuant to the Kentucky child support guidelines set forth in KRS 403.212. The actual cost of child care shall be reasonable and shall be allocated between the parents in the same proportion as each parent's gross income, as determined under the guidelines, bears to the total family gross income.

(5) The cabinet shall recognize a voluntary acknowledgment of paternity as a basis for seeking a support order, irrespective of the alleged father's willingness to consent to a support order.

(6) When in the best interest of the child, the cabinet may review and adjust a parent's child support obligation or child care obligation as established by the cabinet, upon a request of the cabinet when an assignment has been made, or upon either parent's petition if the amount of the child support awarded under the order differs from the amount that would be awarded in accordance with KRS 403.212. The cabinet shall notify parents at least once every three (3) years of the right to a review.

(7) In establishing or modifying a parent's monthly child support obligation, the cabinet may use automated methods to identify orders eligible for review, conduct the review, identify orders eligible for adjustment, and apply the adjustment to eligible orders in accordance with KRS 403.212. The cabinet shall utilize information, including financial records, about the parent and child which it has good reason to believe is reliable and may require the parents to provide income verification.

(8) In cases in which past-due support is owed for a child receiving public assistance under Title IV-A of the Federal Social Security Act, the cabinet shall issue an administrative order, or seek a judicial order, requiring the obligated parent to participate in work activities***, or educational or vocational training activities for at least twenty (20) hours per week***, unless the parent is incapacitated as defined by 42 U.S.C. sec. 607.

(9) The cabinet may disclose financial records only for the purpose of establishing, modifying, or enforcing a child support obligation of an individual. A financial institution shall not be liable to any individual for disclosing any financial record of the individual to the cabinet attempting to establish, modify, or enforce a child support obligation.

(10) The cabinet may issue both intrastate and interstate administrative subpoenas to any individual or entity for financial or other information or documents which are needed to establish, modify, or enforce a child support obligation pursuant to Title IV-D of the Social Security Act, 42 U.S.C. secs. 651 et seq. An administrative subpoena lawfully issued in another state to an individual or entity residing in this state shall be honored and enforced in the Circuit Court of the county in which the individual or entity resides.

(11) In any case where a person or entity fails to respond to a subpoena within the specified time frame, the cabinet shall impose a penalty.

(12) No person shall knowingly make, present, or cause to be made or presented to an employee or officer of the cabinet any false, fictitious, or fraudulent statement, representation, or entry in any application, report, document, or financial record

used in determining child support or child care obligations.

(13) If a person knowingly or by reason of negligence discloses a financial record of an individual, that individual may pursue civil action for damages in a federal District Court or appropriate state court. No liability shall arise with respect to any disclosure which results from a good faith, but erroneous, interpretation. In any civil action brought for reason of negligence of disclosure of financial records, upon finding of liability on the part of the defendant, the defendant shall be liable to the plaintiff in an amount equal to:

(a) The sum of the greater of one thousand dollars ($1,000) for each act of unauthorized disclosure of financial records; or

(b) The sum of the actual damages sustained by the plaintiff resulting from the unauthorized disclosure; plus

(c) If willful disclosure or disclosure was a result of gross negligence, punitive damages, plus the costs, including attorney fees, of the action.

(14) The cabinet shall issue an administrative order or seek a judicial order requiring a parent with a delinquent child support obligation, as defined by administrative regulation promulgated under Section 16 of this Act, to participate in the program described in Section 4 of this Act to help low-income, noncustodial parents find and keep employment unless the parent is incapacitated as defined by 42 U.S.C. sec. 607.

Section 14. KRS 405.470 is amended to read as follows:

(1) The secretary may collect delinquent child support by issuing an order to withhold and deliver earnings or property of any kind, real and personal, ***including booting of vehicle in accordance with administrative regulations promulgated under Section 6 of this Act,*** which the secretary has reason to believe are due, owing or belonging to the parent.

(2) Fifty percent (50%) of the disposable earnings against which a support debt is asserted shall be exempt and may be delivered to the obligor. The only other exemptions allowed shall be those provided in KRS 427.060.

(3) The order shall continue to operate until the child support debt is paid in full and shall take priority over all other debts and creditors of such debtor.

Section 15. KRS 403.160 is amended to read as follows:

(1) In a proceeding for dissolution of marriage or for legal separation, or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court which lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance. The motion shall be accompanied by an affidavit setting forth the factual basis for the motion and the amounts requested.

(2) (a) In a proceeding for dissolution of marriage, legal separation, or child support, either party, with notice to the opposing party, may move for temporary child support. The motion shall be accompanied by an affidavit setting forth the number of children of the marriage and the information required to calculate the combined adjusted parental gross income set forth in KRS 403.212(2)***(h)***~~[(g)]~~, and the Social Security numbers of all parties subject to the motion. The court shall, within fourteen (14) days from the filing of said motion, order an amount of temporary child support based upon the child support guidelines as provided by law, and the ordered child support shall be retroactive to the date of the filing of the motion unless otherwise ordered by the court.

(b) Upon a showing of good cause, either party may move the court to enter an order for temporary child support without written or oral notice to the adverse party. After reviewing the affidavit required by paragraph (a) of this subsection, the court may issue a temporary child support order based upon the child support guidelines. The order shall provide that the order becomes effective seven (7) days following service of the order and movant's affidavit upon the adverse party unless the adverse party, within the seven (7) day period, files a motion for a hearing before the court. The motion for hearing shall be accompanied by the affidavit required by paragraph (a) of this subsection. Pending the hearing, the adverse party shall pay child support in an amount based upon the guidelines and the adverse party's affidavit. The child support order entered following the hearing shall be retroactive to the date of the filing of the motion for temporary support unless otherwise ordered by the court.

(3) As part of a motion for temporary maintenance or support or by independent motion accompanied by affidavit, either party may request the court to issue a temporary injunction or restraining order pursuant to the Rules of Civil Procedure.

(4) If the court or agent of the court is made aware that there is reasonable evidence of domestic violence or child abuse, the court shall determine whether disclosure to any other person of the information could be harmful to the parent or child, and if the court determines that disclosure to any person could be harmful, the court and its agents shall not make the disclosure.

(5) On the basis of the showing made and in conformity with KRS 403.200, the court may issue a temporary injunction or restraining order and an order for temporary maintenance in amounts and on terms just and proper in the circumstances.

(6) A temporary order or temporary injunction:

(a) Does not prejudice the rights of the parties or the child which are to be adjudicated at subsequent hearings in the proceeding;

(b) May be revoked or modified before final decree on a showing of the facts necessary to revocation or modification under the circumstances; and

(c) Terminates when the final decree is entered or when the petition for dissolution or legal separation is voluntarily dismissed.

(2) The Office of the Attorney General in cooperation with the Cabinet for Families and Children shall promulgate administrative regulations in accordance with KRS Chapter 13A to implement this section.

(3) The Office of the Attorney General shall:

(a) Publish and update the list on an appropriate agency internet site; and

(b) Distribute to all designees of the cabinet for the administration of the child support program, a "most wanted" poster that includes names, and photos if available, of delinquent obligors whose whereabouts are unknown or unverified, or who if known, refuse to meet their child support obligations. The poster shall be posted locally by the designee of the cabinet for the administration of the child support program in public locations.

Section 17. KRS 44.030 is amended to read as follows:

The claim, to the extent it is allowed, shall be credited to the account of the person so indebted, and if there is any balance due him after settling the whole demand of the state such balance shall be paid to him.

(2) The Finance and Administration Cabinet shall provide the Cabinet for Families and Children with a quarterly report of all tort claims made against the state by individuals that the Cabinet for Families and Children shall compare with the child support database to match individuals who have a child support arrearage and may receive a settlement from the state.

SB 224, AN ACT relating to child support.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 403.211 is amended to read as follows:

(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined ***monthly adjusted parental gross***[~~parental~~] income in excess of the Kentucky child support guidelines;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

(6) The court shall allocate between the parents, in proportion to their ***combined monthly*** adjusted ***parental*** gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.

(7) (a) ***If health care insurance coverage is reasonable and available at the time the request for coverage is made, the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care insurance coverage for the child, in addition to the amount ordered under the child support guidelines.***

(b) The court shall order the cost of health care of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:

1. A judicial directive designating which parent shall have financial responsibility for providing health care for the dependent child, which shall include, but not be limited to, insurance coverage, payments of necessary health care deductibles or copayments; and

2. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.

(c)[~~(b)~~]If health care insurance coverage is not reasonable and available at the time the request for the coverage is made, the court order shall provide for health care insurance coverage at the time it becomes reasonable and available.

(8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their ***combined monthly*** adjusted ***parental*** gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars ($100) per child per calendar year. "Extraordinary medical expenses" includes, but is not limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.

(9) The court order shall include the Social Security numbers of all parties subject to a support order.

(10) In any case administered by the Cabinet for Families and Children, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for Families and Children may, upon application, enroll the child.

(11) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.

(12) In the case in which a noncustodial parent provides health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for Families and Children shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the noncustodial parent's health plan, unless the noncustodial parent contests the notice as specified by KRS Chapter 13B.

(13) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.

(14) A payment of money received by a child as a result of a parental disability shall be credited against the child support

obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.

Section 2. KRS 403.212 is amended to read as follows:

(1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.

(2) For the purposes of the child support guidelines:

(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.

(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal Social Security Act, and food stamps.

(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.

(d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.

(e) "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines.

(f) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.

(g) "Combined ***monthly*** adjusted parental gross income" means the combined ***monthly*** gross incomes of both parents, less any of the following payments made by the parent:

1.[~~The cost of health insurance coverage for the child;~~

~~2.~~] The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;

2.[~~3.~~] The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and

3.[~~4.~~] A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children.

(h) "Split custody arrangement" means a situation where each parent is the residential custodian for one (1) or more children for whom the parents share a joint legal responsibility.

(3) The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their ***combined monthly*** adjusted ***parental*** gross income.

(4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars ($60) per month.

(5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

(6) ***The child support obligation in a split custody arrangement shall be calculated in the following manner:***

(a) Two (2) separate child support obligation worksheets shall be prepared, one (1) for each household, using the number of children born of the relationship in each separate household, rather than the total number of children born of the relationship.

(b) The nonresidential custodian with the greater monthly obligation amount shall pay the difference between the obligation amounts, as determined by the worksheets, to the other parent.

(7) The child support guidelines table is as follows:

The House Committee Substitute No. 1 to **SB 224** is as follows:

SB 224, AN ACT relating to child support.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 403.211 is amended to read as follows:

(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined ***monthly adjusted parental gross***~~[parental]~~ income in excess of the Kentucky child support guidelines;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

(6) The court shall allocate between the parents, in proportion to their ***combined monthly*** adjusted ***parental*** gross income, reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.

(7) (a) ***If health care insurance coverage is reasonable and available at the time the request for coverage is made, the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care insurance coverage for the child, in addition to the support ordered under the child support guidelines.***

(b) A parent, who has one hundred percent (100%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.

(c) The court shall order the cost of health care of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:

1. A judicial directive designating which parent shall have financial responsibility for providing health care for the dependent child, which shall include, but not be limited to, insurance coverage, payments of necessary health care deductibles or copayments; and

2. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.

(d)[~~(b)~~]If health care insurance coverage is not reasonable and available at the time the request for the coverage is made, the court order shall provide for health care insurance coverage at the time it becomes reasonable and available.

(8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their ***combined monthly*** adjusted ***parental*** gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars ($100) per child per calendar year. "Extraordinary medical expenses" includes, but is not limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.

(9) The court order shall include the Social Security numbers of all parties subject to a support order.

(10) In any case administered by the Cabinet for Families and Children, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for Families and Children may, upon application, enroll the child.

(11) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.

(12) In the case in which a noncustodial parent provides health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for Families and Children shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the noncustodial parent's health plan, unless the noncustodial parent contests the notice as specified by KRS Chapter 13B.

(13) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.

(14) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.

Section 2. KRS 403.212 is amended to read as follows:

(1) The following provisions and child support table shall be the child support guidelines established for the Commonwealth of Kentucky.

(2) For the purposes of the child support guidelines:

(a) "Income" means actual gross income of the parent if employed to full capacity or potential income if unemployed or underemployed.

(b) "Gross income" includes income from any source, except as excluded in this subsection, and includes but is not limited to income from salaries, wages, retirement and pension funds, commissions, bonuses, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits, Supplemental Security Income (SSI), gifts, prizes, and alimony or maintenance received. Specifically excluded are benefits received from means-tested public assistance programs, including but not limited to public assistance as defined under Title IV-A of the Federal Social Security Act, and food stamps.

(c) For income from self-employment, rent, royalties, proprietorship of a business, or joint ownership of a partnership or closely held corporation, "gross income" means gross receipts minus ordinary and necessary expenses required for self-employment or business operation. Straight-line depreciation, using Internal Revenue Service (IRS) guidelines, shall be the only allowable method of calculating depreciation expense in determining gross income. Specifically excluded from ordinary and necessary expenses for purposes of this guideline shall be investment tax credits or any other business expenses inappropriate for determining gross income for purposes of calculating child support. Income and expenses from self-employment or operation of a business shall be carefully reviewed to determine an appropriate level of gross income available to the parent to satisfy a child support obligation. In most cases, this amount will differ from a determination of business income for tax purposes. Expense reimbursement or in-kind payments received by a parent in the course of employment, self-employment, or operation of a business or personal use of business property or payments of expenses by a business, shall be counted as income if they are significant and reduce personal living expenses such as a company or business car, free housing, reimbursed meals, or club dues.

(d) If a parent is voluntarily unemployed or underemployed, child support shall be calculated based on a determination of potential income, except that a determination of potential income shall not be made for a parent who is physically or mentally incapacitated or is caring for a very young child, age three (3) or younger, for whom the parents owe a joint legal responsibility. Potential income shall be determined based upon employment potential and probable earnings level based on the obligor's or obligee's recent work history, occupational qualifications, and prevailing job opportunities and earnings levels in the community. A court may find a parent to be voluntarily unemployed or underemployed without finding that the parent intended to avoid or reduce the child support obligation.

(e) "Imputed child support obligation" means the amount of child support the parent would be required to pay from application of the child support guidelines.

(f) Income statements of the parents shall be verified by documentation of both current and past income. Suitable documentation shall include, but shall not be limited to, income tax returns, paystubs, employer statements, or receipts and expenses if self-employed.

(g) "Combined ***monthly*** adjusted parental gross income" means the combined ***monthly*** gross incomes of both parents, less any of the following payments made by the parent:

1.[~~The cost of health insurance coverage for the child;~~

~~2.~~] The amount of pre-existing orders for current maintenance for prior spouses to the extent payment is actually made and the amount of current maintenance, if any, ordered paid in the proceeding before the court;

2.[~~3.~~] The amount of pre-existing orders of current child support for prior-born children to the extent payment is actually made under those orders; and

3.[~~4.~~] A deduction for the support to the extent payment is made, if a parent is legally responsible for and is actually providing support for other prior-born children who are not the subject of a particular proceeding. If the prior-born children reside with that parent, an "imputed child support obligation" shall be allowed in the amount which would result from application of the guidelines for the support of the prior-born children.

(h) "Split custody arrangement" means a situation where each parent is the residential custodian for one (1) or more children for whom the parents share a joint legal responsibility.

(3) The child support obligation set forth in the child support guidelines table shall be divided between the parents in proportion to their ***combined monthly*** adjusted ***parental*** gross income.

(4) The child support obligation shall be the appropriate amount for the number of children in the table for whom the parents share a joint legal responsibility. The minimum amount of child support shall be sixty dollars ($60) per month.

(5) The court may use its judicial discretion in determining child support in circumstances where combined adjusted parental gross income exceeds the uppermost levels of the guideline table.

(6) ***The child support obligation in a split custody arrangement shall be calculated in the following manner:***

(a) Two (2) separate child support obligation worksheets shall be prepared, one (1) for each household, using the number of children born of the relationship in each separate household, rather than the total number of children born of the relationship.

(b) The nonresidential custodian with the greater monthly obligation amount shall pay the difference between the obligation amounts, as determined by the worksheets, to the other parent.

(7) The child support guidelines table is as follows:

The child shall then be proceeded against in the Circuit Court as an adult, except as otherwise provided in this chapter.

Money paid to the county attorney pursuant to this section shall be used only for payment of county attorney office operating expenses. Excess fees held by the county attorney on June 30 of each year shall be turned over to the county treasurer before the end of the next fiscal year for use by the fiscal court of the county.

(5) A person is guilty of theft by deception when the person issues a check or similar sight order in payment of all or any part of any tax payable to the Commonwealth knowing that it will not be honored by the drawee.

(6) A person is guilty of theft by deception when the person issues a check or similar sight order in payment of all or any part of a child support obligation knowing that it will not be honored by the drawee.

SB 261, AN ACT relating to the compensation of crime victims.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 346.130 is amended to read as follows:

(1) No award shall be made unless the board or board member, as the case may be, finds that:

(a) Criminally injurious conduct occurred;

(b) Such criminally injurious conduct resulted in personal physical or psychological injury to, or death of, the victim; and

(c) Police records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the board, for good cause shown, finds the delay to have been justified.

(2) The board upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

(3) Any award made pursuant to this chapter shall be in an amount not exceeding out-of-pocket expenses, including ***insurance deductibles, co-payments, coinsurance, medically necessary expenses not covered by insurance, and*** indebtedness reasonably incurred for medical or other services, including mental health counseling, necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. Mental health counseling shall be paid for a maximum of two (2) years, but only after proper documentation is submitted to the board stating what treatment is planned and for what period of time. The board shall have the power to discontinue mental health counseling at any time within the two (2) year period. Replacement of eyeglasses and other corrective lenses shall be included in an award, provided they were broken or damaged during the crime.

(4) Any award made for loss of earnings or support shall, unless reduced pursuant to other provisions of this chapter be in an amount equal to the actual loss sustained; provided, however, that no such award shall exceed one hundred fifty dollars ($150) for each week of lost earnings or support. The claimant or victim must have been employed at the time the crime occurred. Said employment shall be verified by the staff of the board after information is provided by the claimant or victim. Should the claimant or victim fail to supply the board with the information requested, the portion of the claim for lost wages or support shall be denied. If there are two (2) or more persons entitled to an award as a result of the injury or death of a person which is the direct result of criminally injurious conduct, the award shall be apportioned by the board among the claimants.

(5) The board is authorized to set a reasonable limit for the payment of funeral and burial expenses which shall include funeral costs, a monument, and grave plot. In no event shall an award for funeral expenses exceed five thousand dollars ($5,000).

(6) Any award made under this chapter shall not exceed twenty-five thousand dollars ($25,000) ***for expenses remaining after reductions set forth in subsection (1) of Section 2 of this Act have been deducted from the claim***.

(7) No award shall be made for any type of property loss or damage.

Section 2. KRS 346.140 is amended to read as follows:

(1) Any ***claim***~~[award]~~ made pursuant to this chapter shall be reduced by the amount of any payments received or to be received by the claimant as a result of the injury from the following sources:

(a) From or on behalf of the person who committed the crime;

(b) Under insurance programs mandated by law;

(c) From public funds;

(d) Under any contract of insurance wherein the claimant is the insured or beneficiary; and

(e) As an emergency award pursuant to KRS 346.120.

(2) In determining the amount of an award, the board or board member, as the case may be shall determine whether, because of his conduct, the victim of such crime contributed to the infliction of his injury, and the board or board member shall reduce the amount of the award or reject the claim altogether, in accordance with such determination; provided, however, that the board or board member, as the case may be, may disregard for this purpose the responsibility of the victim for his own injury where the record shows that such responsibility was attributable to efforts by the victim to prevent a crime or an attempted crime from occurrence in his presence or to apprehend a person who had committed a crime in his presence or had in fact committed a felony. The board or board members may request that either the county attorney or Commonwealth's attorney or both state whether in their opinion, the victim suffered injuries as the result of a crime and has cooperated with the prosecution and law enforcement authorities. The board or board member shall not be bound by such opinions and recommendations and if needed may order a further investigation of the claim.

(3) The board or board member may consider whether the claimant's injuries were the ordinary and foreseeable result of unlawful and criminal activities in determining the claimant's eligibility for an award. If the board or board member, as the case may be, finds that the claimant will not suffer serious financial hardships, as a result of the loss of earnings or support and the out-of-pocket expenses incurred as a result of the injury, if not granted financial assistance pursuant to this chapter to meet such loss of earnings, support or out-of-pocket expenses, the board or board member shall deny an award. In determining such serious financial hardship, the board or board member shall consider all of the financial resources of the claimant. The board shall establish specific standards by rule for determining such serious financial hardships.

The evaluation shall provide to the court a recommendation related to the risk of a repeat offense by the defendant and the defendant's amenability to treatment, and shall be considered by the court in determining whether to suspend the sentence. If the court suspends the sentence and places the defendant on probation, the provisions of KRS 532.045(3) to (7) shall apply.

(7)~~[(6)]~~The authority granted in this section shall be exercised by the judge who imposed sentence on the defendant, unless he is unable to act and it appears that his inability to act should continue beyond the expiration of the term of the court. A sentence to probation or conditional discharge shall be deemed a tentative one to the extent that it may be altered or revoked in accordance with KRS Chapter 533, but for purposes of appeal shall be deemed to be a final judgment of conviction. In any case where the court imposes a sentence of probation or conditional discharge, it may also impose a fine as authorized by KRS Chapter 534.

SECTION 9. A NEW SECTION OF KRS CHAPTER 532 IS CREATED TO READ AS FOLLOWS:

Probation shall not be granted to, nor shall the execution or imposition of sentence be suspended for a person who has been designated as a violent offender as defined in Section 3 of this Act, unless such probation is granted in accordance with Section 3 of this Act.

(3) If a person is not otherwise prohibited from obtaining probation or conditional discharge under subsection (2), the court may impose on the person a period of probation or conditional discharge. Probation or conditional discharge shall not be granted until the court is in receipt of an evaluation of the offender performed by the sex offender treatment program operated or approved by the Department of Corrections or the Department for Mental Health and Mental Retardation Services. The court shall use the evaluation in determining the appropriateness of probation or conditional discharge.

following conviction shall not count toward time required under this section.

(2) The court shall consider any motion filed in accordance with subsection (1) of this section within sixty (60) days of the filing date of that motion, and shall enter its ruling within ten (10) days after considering the motion. The defendant may, in the discretion of the trial court, have the right to a hearing on any motion he may file, or have filed for him, that would suspend further execution of sentence. Any court order granting or denying a motion to suspend further execution of sentence is not reviewable.

(3) (a) During the period in which the defendant may file a motion pursuant to this statute, the sentencing judge, within his or her discretion, may order that the defendant be held in a local detention facility that is not at or above maximum capacity until such time as the court rules on said motion. During this period of detention, and prior to the court's ruling on said motion, the court may require the defendant to participate in any approved community work program or other forms of work release. Persons held in the county jail pursuant to this subsection shall not be subject to transfer to a state correctional facility until the decision is made not to place the petitioner on shock probation.

(b) The provisions concerning community work programs or other forms of work release shall apply only to persons convicted of Class C or Class D felonies, and may be granted only after a hearing at which the Commonwealth's attorney has the opportunity to present arguments in favor or opposition thereto.

(4) ***If the defendant is a violent offender as defined in Section 3 of this Act, the sentence shall not be probated under this section.***

(5) If the defendant has been convicted of an offense under KRS[~~ 510.040,~~] 510.050, [~~510.070, ~~]510.080, 530.020, 530.064, or 531.310, or criminal attempt to commit any of these offenses under KRS 506.010, the sentence shall not be suspended, in accordance with KRS 532.045.

(6)[~~(5)~~]If the defendant has been convicted of an offense under KRS 510.060, 510.090, or 510.110, prior to considering the motion to suspend a sentence, the court shall order an evaluation of the defendant to be conducted by the sex offender treatment program operated or approved by the Department of Corrections or the Department for Mental Health and Mental Retardation Services. The evaluation shall provide to the court a recommendation related to the risk of a repeat offense by the defendant and the defendant's amenability to treatment, and shall be considered by the court in determining whether to suspend the sentence. If the court suspends the sentence and places the defendant on probation, the provisions of KRS 532.045(3) to (7) shall apply.

(7)[~~(6)~~]The authority granted in this section shall be exercised by the judge who imposed sentence on the defendant, unless he is unable to act and it appears that his inability to act should continue beyond the expiration of the term of the court. In such case, the judge who imposed sentence shall assign a judge to dispose of a motion filed under this section, or as prescribed by the rules and practices concerning the responsibility for disposition of criminal matters.

(8)[~~(7)~~]The provisions of this section shall not apply where a sentence of death has been imposed.

(3) If a person is not otherwise prohibited from obtaining probation or conditional discharge under subsection (2), the court may impose on the person a period of probation or conditional discharge. Probation or conditional discharge shall not be granted until the court is in receipt of an evaluation of the offender performed by the sex offender treatment program operated or approved by the Department of Corrections or the Department for Mental Health and Mental Retardation Services. The court shall use the evaluation in determining the appropriateness of probation or conditional discharge.

(4) If the court grants probation or conditional discharge, the offender shall be required, as a condition of probation or conditional discharge, to successfully complete a community-based sexual offender treatment program operated or approved by the Department of Corrections or the Department for Mental Health and Mental Retardation Services.

(9) The Attorney General, where possible, shall provide technical assistance to law enforcement agencies and attorneys for the Commonwealth if such assistance is requested for establishing a victim assistance program.

(10) If a defendant seeks appellate review of a conviction and the Commonwealth is represented by the Attorney General, the Attorney General shall make a reasonable effort to notify victims promptly of the appeal, the status of the case, and the decision of the appellate court.

(2) Subject to KRS 381.215, the portion of the trust continued by the corporate trustee shall continue for the life of the

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 411 IS CREATED TO READ AS FOLLOWS:

(1) If the appellee in a civil action obtains a judgment for punitive or exemplary damages and the appellant seeks a stay of enforcement of the judgment in order to obtain review by an appellate court, the supersedeas bond for the punitive damages portion of the judgment on appeal shall not exceed one hundred million dollars ($100,000,000).

(2) If the appellee proves by a preponderance of the evidence that a party bringing an appeal, for whom the supersedeas bond requirement has been limited, is purposefully dissipating or diverting assets outside of the ordinary course of its business for the purpose of avoiding ultimate payment of the punitive damages judgment, the limitation granted under subsection (1) of this section shall be rescinded and the bond requirement shall be reinstated for the full amount of the judgment.

Section 2. KRS 426.965 is amended to read as follows:

(1) If the judgment debtor shows the court that an appeal from the foreign judgment is pending or will be taken, or that a stay of execution has been granted, the court shall stay enforcement of the foreign judgment until the appeal is concluded, the time for appeal expires, or the stay of execution expires or is vacated, upon proof that the judgment debtor has furnished the security for the satisfaction of the judgment required by the state in which it was rendered.

(2) If the judgment debtor shows the court any ground upon which enforcement of a judgment of any court of this state would be stayed, ***including the ground that an appeal from the foreign judgment is pending or will be taken, or that the time for taking such an appeal has not yet expired,*** the court shall stay enforcement of the foreign judgment for an appropriate period ***until all available appeals are concluded or the time for taking all appeals has expired***, upon requiring the same security for satisfaction of the judgment which is required in this state***, subject to Section 1 of this Act***.

Section 3. The provisions of Sections 1 and 2 of this Act are hereby expressly declared to be retroactive and may be applied to all civil actions, including those on appeal, presently docketed in the courts of this Commonwealth.

Section 4. Whereas the business environment of the state is under an unreasonable burden and the protection of the economy of this state is a matter directly related to the well-being of the citizens of the Commonwealth, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.

SCR 4, A CONCURRENT RESOLUTION relating to sharing of juvenile records.

WHEREAS, Kentucky has implemented improved sharing of juvenile records within the state; and

WHEREAS, Kentucky is bordered by seven other states and children are constantly moving into Kentucky; and

WHEREAS, unfortunately, a small number of these children have juvenile criminal records in the jurisdictions from which they come; and

WHEREAS, the juvenile records of children from other states are generally unavailable due to confidentiality laws in other states; and

WHEREAS, the unavailability of these records, sometimes even to law enforcement and juvenile service agencies, particularly to schools and agencies with a legitimate interest, causes a situation where a dangerous child may be in the community without anyone knowing about it; and

WHEREAS, a number of these juveniles continue to commit criminal acts in Kentucky, and it is important that states share juvenile records with public agencies with a need to know;

NOW, THEREFORE,

(2) After August 1, 1998, any member of the system who, prior to the date he first participated in the system, terminated his employment in order to enter the Armed Forces of the United States and who returns to work with an employer participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems within two (2) years after his honorable discharge therefrom, or upon the subsequent termination of any total disability which existed at the expiration of the two (2) years after discharge, shall be entitled to have credited as prior service his period of active military duty in the Armed Forces, not to exceed six (6) years.

(3) Any National Guard technician involuntarily serving on active military duty during the period between January 26, 1968, and January 1, 1970, who completes his eight (8) years' service while on military duty during this period, shall have that portion of his active military duty, necessary to the completion of eight (8) years' current service, credited to his account, as current service without having to meet the reemployment criteria.

(4) Any employee eligible for retirement as prescribed in KRS 61.559 or any employee upon completion of five (5) years of service shall receive current service credit for a maximum of four (4) years for his period of active military duty in the Armed Forces of the United States, if his discharge therefrom is honorable and he has not been credited with the service under subsections (1) to (3) of this section if he pays thirty-five percent (35%) of the cost of the service based on the formula adopted by the board. (5) A member eligible to purchase military service credit under subsection (4) of this section shall receive current service credit for active military duty as provided under subsection (4) of this section without payment of the current employee contribution ratio if the member was taken prisoner by a hostile power at any time during active military service.

(b) A treatment, storage, or disposal facility for which a permit has been issued, or is otherwise subject to Federal Resource Conservation and Recovery Act (RCRA) corrective action requirements, pursuant to KRS 224.46-530.

(3) To apply to enter the voluntary environmental remediation program, an applicant shall:

(a) Respond accurately and completely to all questions on an application provided by the cabinet;

(b) Include an environmental assessment of any actual or threatened release of a hazardous substance or petroleum at the site; and

(c) Submit a nonrefundable application fee. The fee shall be one thousand dollars ($1,000) for sites up to three (3) acres in size. The fee for sites greater than three (3) acres but less than ten (10) acres shall be two thousand five hundred dollars ($2,500). The fee for sites of ten (10) acres or larger shall be three thousand five hundred dollars ($3,500). However, a political subdivision of the state, and its agencies and instrumentalities, shall be exempt from paying the fee for sites that are publicly owned.

(4) Fees collected under this section shall be deposited in the hazardous waste management fund set out in KRS 224.46-580(13). The secretary shall use the fees to administer the voluntary environmental remediation program.

(5) The cabinet shall, if requested, meet with the applicant either before or after submittal of a formal application to discuss the sufficiency of the environmental assessment required to be submitted with the application.

(6) The cabinet shall notify the Department for Public Health when an application is received with information regarding the actual or threatened release of hazardous substances over which the Department for Public Health has regulatory authority.

SECTION 4. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall notify an applicant for the voluntary environmental remediation program within forty-five (45) days of receipt of the application if the application is accepted.

(2) The cabinet may reject an application if:

- *(a) The hazardous substance or petroleum described in the application constitutes an imminent and substantial threat to human health or the environment;*
- *(b) The application is not complete; or*
- *(c) A state or federal enforcement action is pending concerning the site described in the application.*

(3) If the cabinet rejects an application, the cabinet shall notify the applicant in writing, stating the reasons for the rejection. If the reason for rejection is incompleteness, the cabinet shall inform the applicant of the information needed to make the application complete.

(4) The applicant may submit within ninety (90) days of receipt of the initial rejection notice a completed or revised application without incurring an additional fee.

(5) Within forty-five (45) days of resubmittal, the cabinet shall review any revised or completed application and notify the applicant in writing of its determination to accept or reject the application. If the cabinet rejects the application again for incompleteness, the cabinet shall again inform the applicant of the information needed to make the application complete. The cabinet may assess a new application fee for the resubmittal.

(6) If the applicant's second revised application fails to provide the information necessary to address all the concerns of the cabinet, the applicant and the cabinet may meet to clarify the cabinet's expectations and concerns.

SECTION 5. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Before the cabinet may evaluate a work plan concerning a voluntary environmental remediation project, the applicant and the cabinet shall enter into an agreement which shall set forth the mutual responsibilities of the parties with respect to the project.

(2) A voluntary remediation agreement shall include:

- *(a) The applicant's agreement to perform additional site characterization necessary to determine the extent of a release under KRS 224.01-400(18) and to submit to the cabinet a voluntary remediation work plan. The work plan shall be provided to the cabinet within one hundred twenty (120) days after the date the voluntary remediation agreement is signed or one hundred fifty (150) days after the applicant receives written notice of acceptance into the program, whichever occurs first. The cabinet and the applicant may agree to a longer period;*
- *(b) A schedule for the cabinet to review and evaluate the adequacy of the remediation work plan;*
- *(c) An itemized list of the estimated costs the cabinet expects to incur for its review and oversight of the remediation project;*
- *(d) The applicant's agreement to reimburse the cabinet for all reasonable costs of review and oversight that exceed the program's application fee;*
- *(e) A schedule of the applicant's payments to reimburse the cabinet for its costs. The cabinet may waive in whole or in part its right to be reimbursed its costs related to sites of less than three (3) acres if the cabinet determines the waiver will best serve the public interest;*
- *(f) A requirement that records related to the site's remediation be retained; and*
- *(g) Any other provisions the parties agree are necessary for the effective and efficient implementation of Sections 1 to 13 of this Act.*

(3) A voluntary remediation agreement entered into under this section shall have the force and effect of an agreed order signed by the secretary.

(4) If the applicant and the cabinet are unable to negotiate an agreement in good faith within a reasonable time after negotiations have commenced, the cabinet may withdraw from further negotiations. Upon withdrawing, the cabinet shall reject the application for incompleteness and notify the applicant of the rejection.

SECTION 6. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Upon execution of a voluntary remediation agreement, the applicant may submit to the cabinet a site characterization

report and a voluntary remediation work plan.

(2) If the applicant is a bona fide purchaser who acquired the site after the effective date of Sections 1 to 13 of this Act, and the applicant did not cause the release that is a subject of the work plan, and the person who did cause the release either cannot be found or is not financially responsible, then the applicant's work plan shall not be required to address contamination that may have migrated off the site.

(3) The voluntary remediation work plan for sites involving hazardous substances over which the Department for Public Health has regulatory authority shall, at the time of submittal to the cabinet, also be submitted to the commissioner of the Department for Public Health.

(4) A voluntary remediation work plan shall include:

(a) Detailed documentation of the investigation conducted by the applicant to determine the nature and extent of a release or threatened release as required under KRS 224.01-400 and 224.01-405 and a description of any remediation work performed on the site;

(b) A statement of any work proposed to accomplish the remediation in accordance with KRS 224.01-400 and 224.01-405, together with a proposed schedule for implementation;

(c) Descriptions of sampling and analysis methods, techniques, and results, and quality assurance methods and controls used or proposed;

(d) A description of measures to protect human health and safety during the project;

(e) A plan of action to inform the public about the remediation project and redevelopment of the site and to provide for meaningful public comment; and

(f) Identification of any limitations on land activity or use proposed for the project.

(5) The voluntary remediation work plan shall identify any petroleum storage tanks on the site and indicate how the applicant intends to comply with the requirements of Subchapter 60 of KRS Chapter 224 and 401 KAR Chapter 42.

SECTION 7. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Within sixty (60) days of receipt of a voluntary remediation work plan, the cabinet shall:

(a) Review the work plan and evaluate the site and any relevant conditions in the area surrounding the site;

(b) Review and evaluate the documentation of the investigation and any remediation feasibility study conducted for the site; and

(c) Approve or reject the voluntary remediation work plan.

(2) However, if the site investigation reveals the presence of off-site contamination that appears to originate on the site, the cabinet shall have one hundred twenty (120) days to approve or reject the work plan.

(3) The cabinet may request an applicant to submit additional or corrected information during the applicable evaluation period. If the cabinet makes a request, the applicant may:

(a) Comply with the request by notifying the cabinet in writing. From the date of sending the notice to the cabinet until the additional or corrected information is submitted to the cabinet, the applicable evaluation period shall be suspended; or

(b) Petition for a hearing in accordance with KRS 224.10-420(2). From the date of filing the petition until the entry of a decision on the appeal, the applicable evaluation period shall be suspended.

(4) If the cabinet approves a voluntary remediation work plan, the cabinet shall notify the applicant in writing.

(5) If the cabinet rejects a voluntary remediation work plan, it shall notify the applicant in writing, specifying the reasons for the rejection. The cabinet shall also apprise the applicant of the right to appeal the decision in accordance with KRS 224.10-420(2). Within thirty (30) days of receipt of the notice of rejection, the applicant shall inform the cabinet if a revised work plan or completion report will be submitted.

(6) Upon full performance of an approved remediation work plan, a remediation completion report shall be submitted to the cabinet for review. The remediation completion report shall be reviewed in the same manner as the work plan.

SECTION 8. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Before the cabinet acts on a proposed voluntary remediation work plan, the applicant shall:

(a) Notify local government units affected by the remediation work of the provisions of the work plan or the completion report;

(b) Require that a copy of the work plan be made available to the public in at least one (1) public library in any county affected by the remediation work;

(c) Publish in a newspaper of general circulation in the county where the remediation site is located, a notice

requesting public comment on the voluntary remediation work plan; and

(d) Post on the site notice that the site is the subject of a remediation work plan which is available for public review and comment.

(2) A comment period of at least thirty (30) days shall follow publication of the notice. During the comment period, any person may submit written comments to the cabinet concerning the work plan and may request a public hearing. The cabinet may hold a public hearing if the request is made.

(3) The cabinet may hold a public hearing in any geographical area affected by the remediation work on the question of whether to approve or reject the work plan.

(4) The cabinet shall consider all written comments and public testimony prior to taking any action.

SECTION 9. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) When an applicant has successfully completed an approved voluntary remediation work plan, as documented in the approved remediation completion report, the cabinet shall certify that the work plan has been completed and that no further remediation is required and shall issue the applicant a covenant not to sue.

(2) The covenant not to sue shall be recordable among the real estate records in the office of the county clerk where the remediated property is located.

(3) The issuance of a covenant not to sue shall be a final agency action. The covenant shall be considered prima facie evidence that the site does not constitute a known threat to human health or the environment and does not require any additional remediation with respect to any hazardous substance or petroleum that was the subject of the approved work plan, if the site is used in compliance with the terms of the covenant. The issuance of the covenant shall bar cabinet enforcement of civil claims arising under KRS 224.01-400 and 224.01-405 and injunctive relief regarding the site benefiting from the covenant. However, nothing in Sections 1 to 13 of this Act shall otherwise preclude the cabinet from taking appropriate action against persons who may have caused releases. Upon issuance of the covenant, the cabinet shall be deemed to have waived its right to assert a lien under KRS 224.01-400(23) except as necessary to recover oversight costs incurred by the cabinet in connection with the approved remediation project.

(4) Except for private causes of action arising under common law, including those addressed in KRS 411.500 to 411.570, a covenant not to sue shall bar all statutory claims arising from the release or threatened release of a hazardous substance or petroleum product on the site against the covenant holder who performed the remediation and any successor to any part of the covenant holder's real property interest.

(5) The covenant shall be void if:

(a) A site condition appears that was not known to the cabinet prior to the issuance of the covenant;

(b) The site is not managed in compliance with the terms of the covenant or the approved remediation work plan; or

(c) The development of scientific knowledge indicates that a residual contamination in levels previously considered safe now constitutes a serious threat to public health and the environment.

(6) A person who receives a covenant not to sue from the cabinet under this section shall, within thirty (30) days of receipt, record the covenant among the real estate records in the office of the county clerk in the county where the site is located. The covenant shall become effective after it is recorded and a certified copy delivered to the cabinet.

(7) A remediation work plan and remedial action shall not be required if:

(a) The nature and extent of the hazardous substance or petroleum are adequately characterized in the application for entry into the voluntary environmental remediation program; and

(b) The quantity of any hazardous substance or petroleum on site is demonstrated to be below action levels established under Section 11 of this Act; or

(c) The site conforms to KRS 224.01-400(19).

SECTION 10. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

The following actions of the cabinet shall be considered final determinations that may be appealed in accordance with KRS 224.10-420(2):

(1) Rejection of an application to participate in the voluntary environmental remediation program;

(2) Withdrawal from negotiations with an applicant for a voluntary remediation agreement;

(3) Rejection or approval of a voluntary remediation work plan; and

(4) Issuance or denial of a covenant not to sue.

SECTION 11. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

The numerical values contained in the document titled "Region 9 Preliminary Remediation Goals", published by the United States Environmental Protection Agency's Region 9, are hereby established as screening levels and shall be used by the cabinet to evaluate, in conformance with the guidance set out in the Region 9 Preliminary Remediation Goals, whether remediation is necessary on any site. It is not the intent of this section to establish these levels as the cleanup standards for individual contaminants that may be present at any site.

SECTION 12. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

The cabinet shall publish necessary guidance documents, forms, procedures and other administrative regulations that are required to implement the provisions of Sections 1 to 13 of this Act by December 31, 2000.

SECTION 13. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 13 of this Act may be cited as the Voluntary Environmental Remediation Act.

The House Committee Substitute No. 1 to **SB 290** is as follows:

  (d) The property or site presents an environmental emergency, as defined in KRS 224.01-400, provided that a

release of oil or a hazardous substance in a reportable quantity shall not be considered an environmental emergency, for purposes of Sections 1 to 11 of this Act only, unless the release also presents an imminent and substantial danger to human health or the environment; or

(e) The cabinet determines that the release for which participation is sought occurred subsequent to the effective date of this Act.

(3) To apply to enter the voluntary environmental remediation program, an applicant shall:

(a) Respond accurately and completely to all questions on an application provided by the cabinet;

(b) Provide a characterization plan for the release or threatened release adequate to comply with KRS 224.01-400, 224.01-405, Sections 1 to 11 of this Act, and any regulations promulgated pursuant thereto; and

(c) Submit a nonrefundable application fee. The fee shall be one thousand dollars ($1,000) for properties up to three (3) acres in size. The fee for properties greater than three (3) acres but less than ten (10) acres shall be two thousand five hundred dollars ($2,500). The fee for properties of ten (10) acres or larger shall be three thousand five hundred dollars ($3,500). However, a political subdivision of the state, and its agencies and instrumentalities, shall be exempt from paying the fee for properties that are publicly owned.

(4) Fees and costs collected under Sections 1 to 11 of this Act shall be deposited in the hazardous waste management fund set out in KRS 224.46-580(13). The cabinet shall use the fees and costs to administer the voluntary environmental remediation program.

(5) The cabinet shall, if requested, meet with the applicant either before or after submittal of an application to discuss the sufficiency of the application.

(6) The cabinet shall notify the Department for Public Health when the cabinet receives an application with information pertaining to an actual or threatened release of a hazardous substance over which the Department for Public Health has regulatory authority.

SECTION 4. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall notify an applicant for the voluntary environmental remediation program within forty-five (45) working days of receipt of the application as to whether the application is accepted or denied.

(a) The cabinet determines the property is ineligible to participate in the program under the provisions of Sections 1 to 11 of this Act;

(b) The cabinet withdraws from agreed order negotiations pursuant to the provisions of Section 5 of this Act; or

(c) The application is not complete.

(3) If the cabinet denies an application, the cabinet shall notify the applicant in writing, stating the reasons for the denial. If the reason for denial is incompleteness, the cabinet shall inform the applicant of the information needed to make the application complete.

(4) The applicant may submit, within ninety (90) working days of receipt of the initial denial notice, a completed or revised application without incurring an additional fee.

(5) Within forty-five (45) working days of resubmittal, the cabinet shall review any revised or completed application and notify the applicant in writing of its determination to accept or deny the application. If the cabinet denies the application again for incompleteness, the cabinet shall again inform the applicant of the information needed to make the application complete. The cabinet may assess a new application fee for the resubmittal.

(6) If the applicant's second revised application fails to provide the information necessary to address all the concerns of the cabinet, the applicant and the cabinet may meet to clarify the cabinet's expectations and concerns.

SECTION 5. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Once an application is accepted, the applicant and the cabinet shall enter into an agreed order which shall set forth the mutual responsibilities of the parties with respect to the remediation project.

(2) A voluntary remediation agreed order shall include:

(a) The applicant's agreement to:

1. Characterize the release in accordance with KRS 224.01-400, 224.01-405, Sections 1 to 11 of this Act, and any administrative regulations promulgated pursuant thereto;

2. Submit to the cabinet on the agreed schedule a characterization report and a corrective action plan complying with KRS 224.01-400, KRS 224.01-405, Sections 1 to 11 of this Act, and any administrative regulations promulgated pursuant thereto within one hundred twenty (120) days after the date the agreed order is entered by the secretary of the cabinet, or such longer period agreed upon by the parties;

and

3. Submit to the cabinet a corrective action report by the date agreed upon by the parties. The corrective action report shall contain a certification by the applicant that the remediation has been completed in accordance with the approved corrective action plan;

(b) A general listing of the estimated costs the cabinet expects to incur for its review and oversight of the remediation;

(c) The applicant's agreement to reimburse the cabinet for all reasonable actual and necessary costs of review and oversight that exceed the program's application fee, along with a schedule of the applicant's payments to reimburse the cabinet for its costs. The cabinet may waive in whole or in part its right to be reimbursed its costs related to properties of less than three (3) acres if the cabinet determines the waiver will best serve the public interest, in which case the agreed order shall note the waiver determination;

(d) The applicant's agreement to complete remediation on the agreed schedule in compliance with the approved corrective action plan;

(e) A requirement that records related to the site's remediation be retained and provided to the cabinet on request; and

(f) Any other provisions the parties agree are necessary to protect human health and the environment, or to effectuate the purposes of Sections 1 to 11 of this Act.

(3) If the applicant and the cabinet are unable to negotiate an agreement in good faith within a reasonable time after negotiations have commenced, either party may withdraw from further negotiations.

SECTION 6. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Upon execution of an agreed order, the applicant shall submit to the cabinet within the agreed timeframe a site characterization report and a corrective action plan.

(2) The corrective action plan for properties involving hazardous substances over which the Department for Public Health has regulatory authority shall, at the time of submittal to the cabinet, also be submitted to the commissioner of the Department for Public Health.

(d) A description of measures to protect human health and safety during the remediation;

(e) A plan of action to inform the public about the remediation and redevelopment of the property and to provide for meaningful public comment;

(f) Identification of any limitations on land use or activity proposed for the site; and

(g) Identification of any petroleum storage tanks on the site and an outline of how the applicant intends to comply with Subchapter 60 of KRS Chapter 224 and 401 KAR Chapter 42.

SECTION 7. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(b) Approve or deny the corrective action plan.

(2) If the cabinet determines from the characterization that the site has a hazard ranking (Mitre Model Ranking) of more than fifteen (15) or has a completed pathway of exposure, the cabinet shall have one hundred twenty (120) working days to approve or deny the corrective action plan.

(3) The cabinet may request an applicant to submit additional or corrected information during the applicable evaluation period. If the cabinet makes a request, the applicant may:

(a) Comply with the request by notifying the cabinet in writing and submitting the additional or corrected information within thirty (30) days after receiving the cabinet's request. From the date of the request by the cabinet until the additional or corrected information is submitted to the cabinet, the applicable evaluation period shall be suspended; or

(b) Request a final determination in accordance with KRS 224.01-400(22) within thirty (30) days after receiving the cabinet's request.

(4) If the cabinet approves a corrective action plan, the cabinet shall, in writing, notify the applicant and commenters.

(5) The cabinet shall deny a corrective action plan for failure to comply with KRS 224.01-400, 224.01-405, Sections 1 to 11 of this Act, or any administrative regulations promulgated under these statutes. The cabinet may deny a corrective action plan for failure to respond to its request for information. If the cabinet denies a corrective action plan, it shall notify, in writing, the applicant and commenters, specifying the reasons for the denial. The cabinet shall also inform the applicant of the right to appeal the decision in accordance with KRS 224.10-420(2). Within thirty (30) days of receipt of the notice of denial, the applicant shall inform the cabinet if a revised corrective action plan or corrective action completion report will be submitted.

SECTION 8. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) On or before the date that an applicant submits a corrective action plan to the cabinet, the applicant shall:

(a) Notify local government units affected by the remediation of the provisions of the corrective action plan;

(b) Provide a copy of the corrective action plan to at least one (1) public library in any county affected by the remediation;

(c) Submit for publication in a newspaper of general circulation in the county or counties where the property is located, a notice requesting public comment on the corrective action plan, and submit to the cabinet a copy of the notice as published, within ten (10) days of its publication; and

(d) Post a sign on the property stating that the site is undergoing remediation and providing information on where and when the corrective action plan is available for public review and comment.

(2) A comment period of at least thirty (30) days shall follow publication of the notice. During the comment period, any person may submit written comments to the cabinet concerning the corrective action plan and may request a public hearing. The cabinet may hold a public hearing if the request is made.

(3) The cabinet may hold a public hearing in any geographical area affected by the remediation on the question of whether to approve or deny the corrective action plan.

(4) The cabinet shall consider all written comments and public testimony prior to taking any action.

SECTION 9. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Upon full performance of an approved corrective action plan, the applicant shall submit for the cabinet's review, by the deadline agreed upon by the parties, a corrective action completion report, and shall certify therein that the applicant has successfully completed remediation in compliance with the approved corrective action plan.

(2) The cabinet shall review the corrective action completion report in the same manner as it reviewed the corrective action plan.

(3) The cabinet may conduct its own investigation, including but not limited to its own characterization to verify that remediation has been completed in compliance with the approved corrective action plan. The reasonable actual and necessary costs of such verification shall be considered oversight costs reimbursable under Section 5(2)(c) of this Act. Any confirmatory sampling by the cabinet shall be completed within the deadline agreed by the parties.

(4) If the cabinet determines that no further remediation is required under the approved corrective action plan, and upon the applicant's payment of the cabinet's costs for review and oversight of the remediation, the cabinet shall issue the applicant a covenant not to sue.

(5) The covenant not to sue shall preclude the cabinet's prosecution of civil or administrative enforcement action against the applicant for civil liability with respect to the releases identified in the corrective action plan, including injunctive relief, lien assertion, reimbursement of costs, or penalties for failure to perform remediation, arising pursuant to KRS 224.01-400, 224.01-405, any administrative regulations promulgated under these statutes, KRS 224.99-010, or the federal Comprehensive Environmental Response Compensation and Liability Act.

(6) The covenant not to sue shall be in recordable form, and shall be recorded by the applicant, along with all deed restrictions and institutional controls approved by the Cabinet, among the real estate records in the office of the county clerk where the property is located, within thirty (30) days of issuance by the cabinet. The covenant shall not be effective until it is recorded and a certified copy of the record instrument is delivered to the cabinet.

(7) The covenant not to sue shall not apply to:

(a) Releases other than those expressly identified in the corrective action plan;

(b) The applicant's failure to comply with a requirement of Sections 1 to 11 of this Act, the agreed order, the approved corrective action plan, or the approved corrective action completion report, including any required land use restrictions and engineering or institutional controls;

(c) The applicant's exacerbation of the releases identified in the corrective action plan; and

(d) Criminal liability.

(8) The cabinet may require additional remediation by administrative order, notwithstanding the issuance of a covenant not to sue, if the cabinet demonstrates that:

(a) The cabinet's approval of the corrective action plan or corrective action completion report was based on or resulted from misrepresentations or intentional omissions by the applicant; or

(b) Conditions exist at the site that were not known to the cabinet when the cabinet approved the corrective action plan or the corrective action completion report, provided those conditions prevent the remediation from being protective of human health and the environment. Such conditions may include, but are not limited to, the development of scientific knowledge, as reflected in published generally-accepted and peer-reviewed health standards, demonstrating that residual contamination in levels previously approved by the cabinet now constitutes a serious danger to human health and the environment.

SECTION 10. A NEW SECTION OF SUBCHAPTER 1 OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

The following actions of the cabinet shall be considered final determinations that may be appealed in accordance with KRS 224.10-420(2):

(1) The General Assembly finds that the work of the Water Resource Development Commission, created by executive order of the Governor and confirmed by the General Assembly in KRS 147A.011, established the necessity of encouraging regionalization, consolidation, and partnerships among governmental agencies, and private parties when appropriate, with the goal of making potable water and wastewater treatment available to all Kentuckians through the maximization of financial resources and the conservation of natural resources of the Commonwealth. Based on these findings, the General Assembly declares that the Kentucky Infrastructure Authority shall implement a program for the provision of water services as authorized in the budget and directed by the General Assembly.

(2) On the effective date of this Act, responsibility for the management and operation of the Water Resource Information System shall be transferred from the Water Resource Development Commission to the authority. The authority shall maintain and, at least annually, update the information contained in this system to ensure its accuracy.

(3) The authority may request all branches of state and local government, including special districts and water districts, to provide information relating to the status of existing plants, the financial condition of existing systems, and the existing regulatory authority held by agencies of government regarding the issue of water resource development and management. All branches of state and local government shall, to the extent reasonable and appropriate, comply with such requests for information.

(4) The authority shall promulgate administrative regulations that require a water supply and distribution system receiving or seeking funding to provide current information regarding the financial, managerial, and technical aspects of its system and, thereafter, to furnish updates to the information so provided.

On page 6, after line 17, by inserting the following:

"SECTION 2. A NEW SECTION OF KRS CHAPTER 313 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds and declares that:

(1) It is the responsibility of the legislature to establish public policy to improve the quality of health care to Kentuckians and to provide mechanisms for consumer protection;

(2) Proponents argue that the licensing of denturists would result in improvements to the quality of health care to Kentuckians, including better oral care, provide cost-effective alternatives for denture care services and products, and result in increased access to dental services generally; and

(3) The most prudent approach to determine whether denturists can practice without harming the public health is to establish a denturitry "pilot project" through which denturists may be provisionally licensed to practice denturitry and their practice closely monitored over a set period of time.

SECTION 3. A NEW SECTION OF KRS CHAPTER 313 IS CREATED TO READ AS FOLLOWS:

As used in Sections 2 to 15 of this Act, unless the context otherwise requires:

(7) "Unprofessional conduct" means willful acts of negligence or a pattern of continued and repeated malpractice, negligence, or incompetence, or illegal or unethical behavior in the course of the practice of denturitry.

SECTION 4. A NEW SECTION OF KRS CHAPTER 313 IS CREATED TO READ AS FOLLOWS:

(1) Other provisions of KRS Chapter 313 notwithstanding, no person shall practice denturitry or perform any of the duties usually performed by a denturist unless the person at the time holds a valid provisional license to practice denturitry in the Commonwealth of Kentucky under Sections 2 to 15 of this Act.

Nothing in Sections 2 to 15 of this Act shall be construed to limit, interfere, or restrict the practice, descriptions of services, or manner in which these persons practice.

(2) *Except for subsection (3) of this section,* the provisions of this chapter do not supersede any such local ordinance. If it should be held that the provisions of this chapter supersede the provisions of any local ordinance, such suspension shall not bar the prosecution or punishment of any violation of such ordinance which violation was committed when such ordinance, was in full force and effect.

(3) Local ordinances prohibiting, regulating, or controlling emissions from mobile sources of air pollutants shall prohibit emissions of, regulate, or control only those types of mobile sources of air pollutants regulated under the state program established in accordance with KRS 224.20-710 to 224.20-765, except for local ordinances in effect on the effective date of this Act. No air pollution control district that has received authority to operate a vehicle emission control program shall, after the effective date of this Act, require emission testing of motorcycles, as that term is defined in KRS 189.285(6). The provisions of this subsection shall supersede any existing local ordinance involving the inspection of motorcycles under a vehicle emission control program administered by an air pollution control district. All counties, cities, special districts, and other units of local government, including an air pollution control district, shall be prohibited from enacting an ordinance contrary to the provisions of this subsection. Any county, city, special district, or other unit of local government, including an air pollution control district, that currently has an ordinance requiring the inspection of motorcycles under a locally administered vehicle emission control program, shall repeal that aspect of the ordinance within thirty (30) days of the effective date of this Act. Any local government that fails to repeal an ordinance requiring the inspection of motorcycles in violation of this section, shall have the local government's authority to administer a vehicle emission control program immediately suspended until the offending ordinance is repealed.

Section 4. KRS 224.20-130 is amended to read as follows:

(1) Each county which pursuant to the provisions of KRS Chapter 77 has established or will establish a local air pollution control program, shall submit a synopsis of said program together with such standards and procedures as are enacted by regulations to the cabinet for approval within a period of ninety (90) days from the enactment hereof, or a period of ninety (90) days of the establishment of said local program.

(2) If, after review by the cabinet, and a public hearing held in the county activating a district, the cabinet determines that the air pollution control district has adopted standards and procedures and has the necessary staff to implement the program in a manner consistent with the objectives of this chapter, concurrent jurisdiction may be granted the air pollution control district for the administration and enforcement of the aforesaid statutes. The air pollution control district shall adopt no regulation or standard less stringent than a regulation or standard adopted by the cabinet, and shall submit prepared

regulations and standards to the cabinet for prior concurrence. Periodic reports shall be made to the cabinet and to the commission as shall be provided for by regulation. If the cabinet shall determine, after hearing with notice, that a district program is not being administered in accordance with the statutes and regulations of the cabinet or the district, the grant of authority may be suspended, revoked, or modified by order of the cabinet. ***After the effective date of this Act, no district program shall require emission testing of motorcycles, as that term is defined in KRS 189.285(6).***

(3) This provision shall in no way diminish the authority of the cabinet to administer and enforce the provisions of this chapter.

(4) The cabinet shall be empowered to enforce any and all regulations or standards in any district when concurrent jurisdiction is granted.

(5) When enforcement actions are taken by the district, the local Commonwealth's, county, and city prosecuting attorneys, instead of the Attorney General shall prosecute such actions."

Where agreed upon, this development plan shall be followed. As a further condition to the granting of a zoning change, the planning commission may require that substantial construction be initiated within a certain period of time of not less than one (1) year; provided that such zoning change shall not revert to its original designation unless there has been a public hearing;

(3) A map, which shall show the boundaries of the area which is to be zoned, and the boundaries of each zone;

(4) Text provisions to the effect that land which is used for agricultural purposes shall have no regulations except that:

(a) Setback lines may be required for the protection of existing and proposed streets and highways;

(b) All buildings or structures in a designated floodway or flood plain or which tend to increase flood heights or obstruct the flow of flood waters may be fully regulated; and

(c) ***Manufactured homes,*** mobile homes, and other dwellings may be permitted but shall have regulations imposed which are applicable, such as zoning, building, and certificates of occupancy;

(5) The text may empower the planning commission to hear and finally decide applications for variances or conditional use permits when a proposed development requires a map amendment and one (1) or more variances or conditional use permits;

(6) In any regulation adopted pursuant to subsection (5) of this section:

(a) The text shall provide that the planning commission shall assume all powers and duties otherwise exercised by the board of adjustments pursuant to KRS 100.231, 100.233, 100.237, 100.241, 100.243, 100.247, and 100.251, in a circumstance provided for by subsection (5) of this section; and

(b) The text shall provide that the applicant for the map amendment, at the time of the filing of the application for the map amendment, may elect to have any variances or conditional use permits for the same development to be heard and finally decided by the planning commission at the same public hearing set for the map amendment, or by the board of adjustments as otherwise provided for in this chapter;

(7) Any judicial proceeding to appeal the planning commission action authorized by subsection (5) of this section in granting or denying any variance or conditional use permit shall be taken pursuant to KRS 100.347(2);

(8) In urban-county governments, in addition to any other powers permitted or required to be exercised by this chapter, the text of the zoning regulations may provide, as a condition to granting a map amendment, that the planning unit may:

(a) Restrict the use of the property affected to a particular use, or a particular class of use, or a specified density within those permitted in a given zoning category;

(b) Impose architectural or other visual requirements or restrictions upon development in areas zoned historic; and

(c) Impose screening and buffering restrictions upon the subject property;

The text shall provide the method whereby such restrictions or conditions may be imposed, modified, removed, amended and enforced***; and***

(9) Nothing in this chapter shall be construed to affect, modify, or abolish restrictions contained in recorded deeds, covenants, deed restrictions, or developers' subdivision restrictions.

SECTION 5. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

No executive branch agency shall disburse any funds under its authority to a city, county, urban-county government, or charter county government if the legislative body of the city, county, urban-county government, or charter county government enacts or enforces any ordinance that excludes qualified manufactured homes, as defined in Section 2 of this Act, from locating within the boundaries of the city, county, urban-county government or charter county government, or differentiates qualified manufactured homes, as defined in Section 2 of this Act, from other single-family residential dwellings contrary to the provisions contained in Sections 2, 3, and 4 of this Act.".

On page 1, after the title, by inserting the following:

"WHEREAS, Section 181 of the Constitution of this Commonwealth prohibits the General Assembly from imposing license fees or taxes for the purpose of any local government, but permits the General Assembly by general laws to confer on the proper authorities of any local government the power to assess and collect license fees or taxes; and

WHEREAS, authority to assess and collect license fees or taxes on insurance companies has been conferred on local governments under KRS 91A.080; and

WHEREAS, license fees and taxes are currently levied by more than 300 county, city, and urban-county governments upon premiums collected by insurance companies; and

WHEREAS, license fees and taxes are customarily payable in four quarterly installments with a fifth and final balancing payment after the close of the calendar year; and

WHEREAS, the filing and processing of such an enormous number of returns, both quarterly and annually, constitutes an unreasonable administrative burden to the insurance companies and to the local governments imposing license fees and taxes; and

WHEREAS, the General Assembly finds that the administrative burden will be eliminated to the benefit of all parties involved by providing for the remittance of city and urban-county taxes to the Kentucky League of Cities and of county taxes to the Kentucky Association of Counties in single consolidated payments and by the allocation and disbursement of these taxes by the Kentucky League of Cities to cities and urban-counties and by the Kentucky Association of Counties to counties in single consolidated payments; and

WHEREAS for the reasons set out in the previous six paragraphs, the General Assembly is enacting Sections 1 to 9 of this Act; and

WHEREAS the General Assembly finds the economic prosperity and overall quality of life of the Commonwealth's citizens are intertwined with and dependent upon the financial stability and well-being of the Commonwealth's cities and counties; and

WHEREAS the cities and counties of the Commonwealth of Kentucky are finding it increasingly difficult to raise the tax revenue necessary to fund expanding service needs, maintain or replace aging infrastructure, and address the many other local problems that place demands on financial resources, and that the cities and counties of the Commonwealth of Kentucky are increasingly involved in conflicts over such issues as service responsibility, tax base allocation, annexation, and land use planning; and

WHEREAS it is clear that the problems confronting the cities and counties of the Commonwealth of Kentucky require the immediate attention of state and local leaders; and

WHEREAS for the reasons set out in the previous three paragraphs the General Assembly is enacting Sections 11 to 13 of this Act;

NOW, THEREFORE,"; and

On page 1, line 1, through page 8, line 24, by deleting Sections 1 through 6 in their entirety and by inserting the following after the enacting clause:

"SECTION 1. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

For the purposes of Sections 1 to 9 of this Act:

(1) "Local government" means a city, county, urban-county, or charter county government, except counties containing a city of the first class and cities of the first class.

(2) "Commissioner" means the commissioner of the Department of Insurance.

Section 2. KRS 91A.080 is repealed, reenacted as a new section of KRS Chapter 65, and amended to read as follows:

(1) The legislative body of each ***local***~~[city, county, or urban-county]~~ government which elects to impose and collect license fees or taxes upon insurance companies for the privilege of engaging in the business of insurance may enact or change its license fee or rate of tax to be effective July 1 of each year on a prospective basis only and shall file with the commissioner of insurance at least one hundred (100) days prior to the effective date, a copy of all ordinances and amendments which impose any such license fee or tax. No less than eighty-five (85) days prior to the effective date, the commissioner of insurance shall promptly notify each insurance company engaged in the business of insurance in the Commonwealth of those ***local***~~[cities, county, or urban-county]~~ governments which have elected to impose the license fees or taxes and the current amount of the license fee or rate of tax.

(2) Any license fee or tax imposed by a ***local***~~[city, county, or urban-county]~~ government upon an insurance company with respect to life insurance policies, may be based upon ~~[the first year's]~~premiums, and, if so based, shall be applied ***only*** to the amount of the premiums ***for the first twelve (12) months of coverage*** actually collected ~~[within each calendar quarter]~~upon the lives of persons residing within the corporate limits of the ***local***~~[city, county, or urban-county]~~ government.

(3) Any license fee or tax imposed by a ***local***~~[city, county, or urban-county]~~ government upon any insurance company with respect to any policy which is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar quarter on risks located within the corporate limits of the ***local***~~[city, county, or urban-county]~~ government on those classes of business which the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the ***local***~~[city, county, or urban-county]~~ government, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next quarterly report to the ***local***~~[city, county, or urban-county]~~ government. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the Workers' Compensation Act.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected and remitted to the ***local***~~[city, county or urban-county]~~ government or two percent (2%) of the premiums subject to the tax, whichever is less. To facilitate computation, collection, and remittance of the fee or tax and collection fee provided in this section, the fees or taxes set out in subsection (1), (2), or (3) of this section, together with the collection fee in this section, may be rounded off to the nearest dollar amount.

(5) Pursuant to KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner of insurance shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(6) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee herein provided shall be determined by administrative regulations promulgated by the Department of Insurance.

(7) Upon written request of the legislative body of any ***local***~~[city, county, or urban-county]~~ government, at the expense of the requesting ***local***~~[city, county, or urban-county]~~ government, which shall be paid in advance by the ***local***~~[city, county, or urban-county]~~ government to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted, and the findings of the examination shall be reported to the ***local***~~[city, county, or urban-county]~~ government. Willful failure to properly collect and remit the fee or tax imposed by a ***local***~~[city, county, or urban-county]~~ government pursuant to the authority granted by this section shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(8) The license fees or taxes provided for by subsections (2) and (3) of this section shall be due thirty (30) days after the end

of each calendar quarter. Annually, by March 31, each insurer shall furnish each ***local***[~~city, county, or urban-county~~] government, to which the tax or fee is remitted, with a breakdown of all collections in the preceding calendar year for the following categories of insurance:

(a) Casualty;

(b) Automobile;

(c) Inland marine;

(d) Fire and allied perils;

(e) Health; and

(f) Life.

(9) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. ***The***[~~Such~~] interest payable to the ***local***[~~city, county, or urban-county~~] government is separate of penalties provided for in subsection (7) of this section. No ***local***[~~city, county, or urban-county~~] government may impose any penalties other than those provided for in this subsection.

(10) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225 and KRS 42.800 to 42.825.

(11) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies which pay ad valorem taxes.

(12) ***(a)*** Insurance companies which pay license fees or taxes pursuant to this section shall credit city license fees or taxes against the same license fees or taxes levied by the county, when the license fees or taxes are levied by the county on or after July 13, 1990.

(b) If a county imposed and collected the license fee or tax authorized by this section before July 1, 2000, then insurance companies that pay license fees or taxes under this section shall not credit against the county license fee or tax that portion of a city license fee or tax that becomes effective for the first time on or after July 1, 2000, or is increased effective on or after July 1, 2000. The provisions of this paragraph shall expire on June 30, 2002, unless extended by the General Assembly.

SECTION 3. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

On or before August 1, 2000, each insurance company subject to the provisions of Section 2 of this Act shall make an election on a form provided by the Department of Insurance whether to remit license fees or taxes beginning with calendar year 2001 and all subsequent years under the procedures of Section 2 or Section 4 of this Act. On and after January 1, 2001, an insurance company that has elected to continue to pay license fees or taxes under the procedures of Section 2 of this Act may elect to pay license fees or taxes under the procedures in Section 4 of this Act only with the approval of the commissioner and by complying with any requirements that may be imposed by the Department of Insurance. An election made under this section may not be subsequently changed by an insurance company without the written approval of the commissioner; however, subject to Section 9 of this Act, an insurance company's initial election to be subject to the provisions of Section 4 of this Act shall not be changed for at least three (3) years. For insurance companies making application for a certificate of authority to do business in this Commonwealth, the election shall be filed with the company's application for the certificate of authority.

SECTION 4. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

This section shall apply only to those insurance companies that have elected to remit license fees or taxes imposed as provided by subsection (1) of Section 2 of this Act and to remit those taxes under the procedures in this section.

(1) As used in this section, "administrator" means the Kentucky League of Cities with respect to license fees or taxes imposed by cities and urban-county governments and the Kentucky Association of Counties with respect to license fees or taxes imposed by counties and charter counties. The Kentucky League of Cities and the Kentucky Association of Counties shall act in concert in administering license fees and taxes under this section.

(2) Any license fee or tax imposed by a local government upon an insurance company with respect to life insurance policies may be based upon premiums and, if so based, shall be applied only to premiums for the first twelve (12) months of coverage actually collected upon the lives of persons residing within the corporate limits of the local government.

(3) Any license fee or tax imposed by a local government upon any insurance company with respect to any policy that is not a life insurance policy shall be based upon the premiums actually collected by the company within each calendar year on risks located within the corporate limits of the local government on those classes of business that the company is authorized to transact, less all premiums returned to policyholders. In determining the amount of license fee or tax to be collected and to be paid to the administrator, the insurance company shall use the tax rate effective on the first day of the policy term. When an insurance company collects a premium as a result of a change in the policy during the policy term, the tax rate used shall be the rate in effect on the effective date of the policy change. With respect to premiums returned to policyholders, the license fee or tax shall be returned by the insurance company to the

policyholder pro rata on the unexpired amount of the premium at the same rate at which it was collected and shall be taken as a credit by the insurance company on its next annual report to the administrator. Any license fee or tax imposed upon premium receipts shall not include premiums received for insuring employers against liability for personal injuries to their employees, or the death of their employees, caused thereby, under the provisions of the workers' compensation laws.

(4) The Department of Insurance shall, by administrative regulation, provide for a reasonable collection fee to be retained by the insurance company or its agent as compensation for collecting the tax, except that the collection fee shall not be more than fifteen percent (15%) of the fee or tax collected for each local government and remitted to the administrator or two percent (2%) of the premiums subject to the tax, whichever is less.

(5) To facilitate computation, collection, and remittance of the fee or tax and the collection fee provided in this section, the fees or taxes and the collection fee in this section may be rounded off to the nearest dollar amount.

(6) In accordance with KRS 304.3-270, if any other state retaliates against any Kentucky domiciliary insurer because of the requirements of this section, the commissioner shall impose an equal tax upon the premiums written in this state by insurers domiciled in the other state.

(7) Accounting and reporting procedures for collection and reporting of the fees or taxes and the collection fee shall be determined by administrative regulations promulgated by the Department of Insurance.

(8) Upon written request of the legislative body of any local government or the administrator at the expense of the requesting local government or the administrator, and payable in advance to the Department of Insurance, the Department of Insurance shall examine, or cause to be examined by contract with qualified auditors, the books or records of the insurance companies or agents subject to the fee or tax to determine whether the fee or tax is being properly collected and remitted. The findings of the examination shall be reported to the local government or the administrator. If after examination an additional amount of tax is found to be due, the cost of the examination by the department shall be shifted to the insurer, which shall reimburse the local government or the administrator. Willful failure to properly collect and remit the fee or tax imposed by a local government to the administrator shall constitute grounds for the revocation of the license issued to an insurance company or agent under the provisions of KRS Chapter 304.

(9) (a) License fees and taxes imposed by cities and urban-county governments and paid under the procedures in this section shall be administered by the Kentucky League of Cities. License fees and taxes imposed by counties and charter counties and paid under procedures in this section shall be administered by the Kentucky Association of Counties.

(b) Each local government imposing license fees or taxes shall be deemed to have designated, appointed, and authorized the administrator as its lawful agent to receive and administer license fees and taxes the local government has imposed. Tax payments by insurance companies to the administrator shall be deemed to have been received by the local governments on behalf of which taxes are remitted.

(c) Annually, on or before the last day of April, every insurance company authorized to do business in this Commonwealth and electing to remit license fees or taxes under the procedures in this section shall calculate and report to the administrator the license fees and taxes imposed upon it by each local government for the immediately preceding calendar year according to this section and shall remit to the administrator the amount, if any, by which a company's license fees and taxes for the year for any local government exceeds the estimated taxes it paid to that taxing authority for the year. All license fees and taxes imposed by each local government according to this section shall be reported by insurance companies to the administrator on a single annual return developed by the administrator and the Department of Insurance for annual filings by insurance companies. At the time of filing the annual return with the administrator, every insurance company electing to remit license fees or taxes under the procedures in this section shall file a duplicate copy of its annual return with the Department of Insurance. The annual return shall contain a breakdown of all collections for the preceding calendar year for the following categories of insurance for each local government:

1. Casualty;

2. Automobile;

3. Inland marine;

4. Fire and allied perils;

5. Health; and

6. Life.

(d) The administrator shall promptly account to each local government for all license fees and taxes paid by insurance companies and, on or before every June 30, shall remit to each governing body the amount, if any, by which the governing body's total license fees or taxes reported and paid by all insurance companies for the immediately preceding calendar year exceeds the quarterly estimated taxes previously allocated and remitted to

the governing body for the year under paragraph (e) of this subsection. If quarterly estimated taxes allocated and remitted to a local government for a calendar year exceed the governing body's total annual license fees or taxes reported and paid by all insurance companies for the calendar year, the administrator shall deduct the overpayment of quarterly estimated taxes from the next and succeeding remittances of quarterly estimated taxes under paragraph (e) of this subsection until the overpayment is fully recovered from the governing body.

(e) On or before every March 31, June 30, September 30, and December 31, every insurance company authorized to do business in this Commonwealth and electing to remit license fees or taxes under the procedures in this section shall pay quarterly estimated taxes to the administrator. The amount of the quarterly payment due on or before March 31 shall be one hundred four percent (104%) of the quarterly payment due on or before December 31 of the immediately preceding calendar year, and the amount of each quarterly payment due on or before June 30, September 30, and December 31 shall be twenty-six percent (26%) of the total annual license fees and taxes reported by the insurance company for all local governments on its annual return under paragraph (c) of this subsection for the immediately preceding calendar year. Quarterly payments received on or before the fifth business day after the due date shall be allocated and paid over to each local government imposing license fees or taxes on or before the last day of the calendar month following the due date. The amount of quarterly estimated taxes allocated and remitted to a governing body with respect to quarterly estimated taxes due on or before March 31 shall be determined on the same basis as the amount of quarterly estimated taxes allocated and remitted to governing bodies with respect to quarterly estimated taxes due on or before December 31 of the immediately preceding calendar year. The amount of quarterly estimated taxes allocated and remitted to a governing body with respect to quarterly estimated taxes due on or before June 30, September 30, and December 31 shall be in the same proportion to the total quarterly estimated taxes paid by all insurance companies for the quarter as the governing body's total annual license fees or taxes from all insurance companies for the immediately preceding calendar year is to the total annual license fees and taxes of all insurance companies payable to all local governments for the year. Quarterly payments received by the administrator after the fifth business day following the due date shall be held by the administrator and remitted with the following quarterly or annual payment.

(f) The administrator shall hold all amounts received by it from insurance companies electing to remit license fees or taxes under the procedures in this section, including interest or investment income earned on these funds, in a fiduciary capacity. All amounts held by the administrator shall be invested in accordance with the provision of KRS 66.480. All interest or investment income on funds in the administrator's accounts at the close of business on the fifth business day following any due date of quarterly estimated taxes shall be allocated and paid to local governments not later than the last day of the calendar month in which that fifth business day occurs. Nothing in this paragraph shall preclude the administrator from allocating and disbursing amounts received after the fifth business day at the end of the month in which the fifth business day occurs.

(g) Any overpayment of tax shown on the annual return of an insurance company filed under paragraph (c) of this subsection may be allowed as a credit against that company's succeeding payments of quarterly estimated taxes under paragraph (e) of this subsection until fully recovered. In the alternative, any insurance company reporting an overpayment of tax of one thousand dollars ($1,000) or more on its annual return under paragraph (c) of this subsection may request a refund of the overpayment in lieu of credits against quarterly estimated taxes payable under paragraph (e) of this subsection. A refund under this paragraph shall be requested on the annual return filed under paragraph (c) of this subsection and shall be paid by the administrator no later than four (4) months after the due date of the annual return or the date the annual return was received by the administrator, whichever is later. An insurance company that has ceased doing business in this Commonwealth may request a refund as provided in this paragraph without regard to the one thousand dollar ($1,000) threshold.

(h) The administrator shall recommend rules for adoption to the commissioner to provide for the orderly receipt and disbursement of license fees and taxes under this section. The rules shall provide for:

1. ***Accounting for the receipt and disbursement of license fees and taxes imposed by each local government upon insurance companies doing business in this Commonwealth;***
2. ***Allocating quarterly estimated taxes on the basis of the governing body's total annual license fees or taxes remitted for the immediately preceding calendar year as a percentage of total license fees and taxes remitted on behalf of all insurance companies to all local governments for the year; and***
3. ***Electronic reporting on annual returns.***

(i) The administrator may recommend additional rules for adoption to the commissioner to expedite the payment and transfer of license fees and taxes paid under the procedures in this section.

(j) The administrator shall report collections and disbursements of license fees and taxes to the Department of Insurance annually on or before July 31. The report shall cover all license fees and taxes collected and disbursed by the administrator for the preceding calendar year, including any interest or investment income

therein.

(k) Every insurance company electing to remit license fees or taxes under the procedures in this section and filing an annual return under paragraph (c) of this subsection shall pay to the administrator with the annual return a fee to defray the annual cost to the administrator of administering license fees and taxes imposed under the procedures in this section. The fee payable to the Kentucky League of Cities as administrator shall be the lesser of three hundred fifty dollars ($350) or five percent (5%) of the total taxable premiums reported for cities and urban-county governments on the annual return. The fee payable to the Kentucky Association of Counties as administrator shall be the lesser of one hundred seventy-five dollars ($175) or five percent (5%) of the total taxable premiums reported for counties or charter counties on the annual return. If the commissioner determines that the fees specified under this subsection are inadequate for funding the continued operations of the administrator, then he or she may increase the fees by up to one hundred fifty dollars ($150) for each administrator.

(10) Any license fee or tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until paid. Interest payable to the administrator is separate of penalties provided for in subsection (8) of this section. All interest shall be accounted for or allocated to and paid to each local government whose taxes were not remitted on or before the due date. No local government or the administrator may impose any penalties other than those provided for in this subsection.

(11) No license fee or tax imposed under this section shall apply to premiums received on policies of group health insurance provided for state employees under KRS 18A.225 and KRS 42.800 to 42.825.

(12) No county may impose the tax authorized by this section upon the premiums received on policies issued to public service companies that pay ad valorem taxes.

(13) Insurance companies that pay license fees or taxes under this section shall credit city license fees or taxes against the same license fees or taxes levied by the county when the license fees or taxes are levied by the county on or after July 13, 1990.

SECTION 5. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) This section shall apply only to those insurance companies that have elected to remit license fees or taxes under the procedures in Section 4 of this Act.

(2) Every insurance company licensed to do business in this Commonwealth at any time during 2000 and electing to remit license fees or taxes under the procedures in Section 4 of this Act shall file with the Kentucky League of Cities and the Kentucky Association of Counties on or before February 28, 2001, an information return reporting with respect to calendar year 2000 the license fees and taxes reportable under subsection (9)(c) of Section 4 of this Act as if Section 4 of this Act had applied to premiums received and business transacted during calendar year 2000. On or before March 31, 2001, June 30, 2001, September 30, 2001, and December 31, 2001, every insurance company authorized to do business in this Commonwealth and electing to remit license fees or taxes under the procedures in Section 4 of this Act shall remit to the Kentucky League of Cities and the Kentucky Association of Counties twenty-six percent (26%) of the taxes reported on the February 28, 2001 return. Quarterly estimated taxes payable in 2001 shall be based upon the total amount of license fees and taxes for 2000 reported in the information returns required in this section to be filed with the Kentucky League of Cities and the Kentucky Association of Counties for business transacted during calendar year 2000. On or before April 30, 2001, July 31, 2001, October 31, 2001, and January 31, 2002, the Kentucky League of Cities and the Kentucky Association of Counties shall allocate and pay over to each local government quarterly estimated taxes received on or before the fifth business day of the month. The amount of quarterly estimated taxes allocated and remitted to a governing body shall be in the same proportion to the total quarterly estimated taxes paid by all insurance companies for the quarter as the governing body's total annual license taxes and fees for all insurance companies reported on information returns for 2000 under this section is to the total annual license fees and taxes of all insurance companies for all local governments reported on those returns. The Department of Insurance shall assist the Kentucky League of Cities and the Kentucky Association of Counties in the implementation and administration of Sections 1 to 9 of this Act.

(1) To determine whether there has been any unauthorized, illegal, irregular, or unsafe handling or expenditure of local government tax receipts or other improper practice of financial administration and to assure that all proper items have been duly charged, taxed, accounted for, reported, and distributed to the appropriate local government, the Auditor of Public Accounts shall be responsible for an annual audit of the administrator as if it were a state agency. The audit shall consider:

(a) Funds contained in the administrator's accounts and budget; and

(b) Funds contained in any fiduciary or nonfiduciary qualified, segregated, or administered account.

(2) As appropriate under generally accepted auditing standards, the Auditor of Public Accounts may audit those aspects of the administrator's operations or the operations of the Kentucky League of Cities, the Kentucky Association of Counties, or any other third party contracting with the administrator that directly relates to administration of the tax.

(3) The Auditor of Public Accounts shall have access to all books, accounts, and papers of the administrator.

(4) Within a reasonable time after completion and distribution of audit reports authorized by subsections (1) and (2) of this section, the Auditor of Public Accounts shall bill the administrator for the expenses of the audit. A copy of the bill shall be forwarded to the commissioner. If within sixty (60) days following receipt of the bill, the commissioner determines the charge to be excessive or otherwise improper, he or she shall submit his or her objection to the secretary of the Finance and Administration Cabinet and to the State Treasurer for resolution in accordance with subsection (6) of this section. If the amount billed has not been paid within sixty (60) days from the date rendered and if no objection has been filed, the Auditor of Public Accounts shall notify the commissioner who shall cause one-half (1/2) of the amount to be deducted pro rata from the next payment or distribution of moneys to counties and municipalities under Section 4 of this Act. Deductions shall continue until one-half (1/2) of the amount due the Auditor of Public Accounts has been paid. All moneys received under this section shall be credited to the trust and agency account of the Auditor of Public Accounts. (5) The administrator and the Department of Insurance shall each be responsible for paying one-half (1/2) of the final bill for the audit conducted in accordance with subsections (1) and (2) of this section.

(6) Any controversy over the amount of a bill for the actual expenses incurred by the Auditor of Public Accounts shall be submitted to the secretary of the Finance and Administration Cabinet and the State Treasurer for a final decision as to the proper amount.

SECTION 8. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) The administrator shall file with the commissioner a blanket faithful performance bond issued by an authorized corporate surety that shall be conditioned upon the faithful performance of the requirements of the administrator as set forth in Sections 1 to 9 of this Act and in any administrative regulations promulgated and shall cover acts of employee dishonesty. The performance bond shall be for the benefit of, and payable to, the local governments imposing taxes and fees paid under the procedures in Section 4 of this Act. The commissioner shall disapprove any bond if he or she determines that the coverage is inadequate, the limits are inadequate, the surety is inadequate, or the corporate surety is not rated in one (1) of the three (3) highest rating categories by a nationally recognized rating agency.

(2) The corporate surety shall not terminate the bond required by subsection (1) of this section without prior written approval of the commissioner. The corporate surety shall deliver written notice of termination to the administrator and shall file the notice of termination with the commissioner for approval or disapproval at least thirty (30) days prior to the intended date of termination.

SECTION 9. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Except as provided in Sections 1 to 9 of this Act, Section 5 of this Act shall apply to premiums received and business transacted on or after January 1, 2001. If the commissioner determines that an insufficient number of insurance companies has made an election to be subject to Section 4 of this Act prior to August 31, 2000, he or she may suspend or revoke the effectiveness of the elections of all insurance companies making an election to be subject to Section 4 of this Act until the commissioner finds there is a sufficient number of insurance companies to adequately fund the administrator. If the commissioner suspends or revokes the effectiveness of all the elections under Sections 1 to 9 of this Act, he or she shall do so by administrative order, and the order shall specify whether companies may be required to make new elections at a later date and may contain any other terms that the commissioner deems reasonable for efficient implementation of Sections 1 to 9 of this Act. Every insurance company electing under this section to remit license fees or taxes under the procedures in Section 4 of this Act shall remit with its election under this section a one-time fee to defray the administrator's costs in establishing procedures for the receipt and distribution of license fees or taxes under Section 4 of this Act. The amount of the one-time fee payable under this section shall be as prescribed in subsection (9)(k) of Section 4 of this Act except that the percentage of premiums limitation shall be based on an insurance company's municipal and county premiums reported under KRS 91A.080 for calendar year 1999. If the commissioner suspends or revokes insurance company elections, any fees paid with the filing of the election shall be refunded.

Section 10. KRS 68.197 is amended to read as follows:

(1) The fiscal court of each county having a population of thirty thousand (30,000) or more may by *ordinance*[~~order or resolution~~] impose license fees on franchises, provide for licensing any business, trade, occupation, or profession, and the using, holding, or exhibiting of any animal, article, or other thing. Licenses imposed for regulatory purposes are not subject to such limitations as to form and amount. No public service company that pays an ad valorem tax is required to pay a license tax, and no license tax shall be imposed upon or collected from any insurance company except as provided in KRS 91A.080, bank, trust company, combined bank and trust company, combined trust, banking, and title business in this state, or any savings and loan association whether state or federally chartered, or in other cases where the county is prohibited by law from imposing a license tax.

(2) No license fee shall be imposed or collected on income received by members of the Kentucky National Guard for active duty training, unit training assemblies, and annual field training, or on income received by precinct workers for election training or work at election booths in state, county, and local primary, regular, or special elections.

(3) Persons who pay a county license fee pursuant to this section and who also pay a license fee to a city contained in the county may, upon agreement between the county and the city, credit their city license fee against their county license fee.

(4) The provisions of subsection (3) of this section notwithstanding, effective with license fees imposed under the provisions of subsection (1) of this section on or after July 15, 1986, persons who pay a county license fee and a license fee to a city contained in the county shall be allowed to credit their city license fee against their county license fee.

(5) On the effective date of this Act, the provisions of subsection (4) of this section notwithstanding, city license fees not credited against county license fees, enacted under this section or KRS 67.083, as of January 1, 2000, shall not be credited against county license fees. However, this exception shall not apply to county license fees enacted for the first time, or increased, on or after January 1, 2000. This provision shall expire July 15, 2002, unless otherwise extended by the General Assembly.

(6) A county that enacted an occupational license fee under the authority of KRS 67.083 shall not be required to reduce its occupational tax rate when it is determined that the population of the county exceeds thirty thousand (30,000).

Section 11. The Advisory Committee on City and County Relations is hereby established. The Advisory Committee's membership shall include:

(4) (a) The Advisory Committee on City and County Relations shall examine the issues and problems facing the Commonwealth's cities and counties. These issues and problems include, but are not limited to:

1. Overlapping, inefficient service delivery;
2. Identification of the principal beneficiaries of local government services;
3. Allocation of taxing authority; and

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 154.22-040 is amended to read as follows:

(1) Each year the authority shall under its rural economic development assistance program, on the basis of the final unemployment figures calculated by the Department for Employment Services within the Cabinet for Workforce Development, determine which counties have had a countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth in the most recent five (5) consecutive calendar years, or which have had an average countywide rate of unemployment exceeding the statewide unemployment rate of the Commonwealth by two hundred percent (200%) in the most recent twelve (12) consecutive months for which unemployment figures are available, and shall certify those counties as qualified counties. If the authority determines that a county which has previously been certified as a qualified county no longer has an unemployment rate that meets the criteria of this subsection, the authority shall decertify that county. The authority shall not finance any facilities in that county and an approved company shall not be eligible for the incentives offered by KRS 154.22-010 to 154.22-070 unless the financing agreements required ***in KRS 154.22-010 to 154.22-070***~~[herein]~~ are entered into by all parties prior to July 1 of the ***second*** year following the calendar year in which the authority decertified that county.

(2) The authority shall establish the procedures and standards for the determination and approval of eligible companies and their economic development projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A. The criteria for approval of eligible companies and economic development projects shall include but not be limited to the creditworthiness of eligible companies; the number of new jobs to be provided by an economic development project to residents of the Commonwealth; and the likelihood of the economic success of the economic development project.

(3) The economic development project shall involve a minimum investment of one hundred thousand dollars ($100,000) by the eligible company and shall result in the creation by the eligible company, within two (2) years from the date of the final approval authorizing the economic development project, of a minimum of fifteen (15) new full-time jobs at the site of the economic development project for Kentucky residents to be employed by the eligible company and to be held by persons subject to the personal income tax of the Commonwealth. The authority may extend this two (2) year period upon the written application of an eligible company requesting an extension. No economic development project which will result in the replacement of manufacturing facilities existing in the state shall be approved by the authority; however, the authority may approve an economic development project that:

(a) Rehabilitates a manufacturing facility:

1. Which has not been in operation for a period of ninety (90) or more consecutive days; or

2. The title to which is vested in other than the eligible company or an affiliate of the eligible company and that is sold or transferred pursuant to a foreclosure ordered by a court of competent jurisdiction or an order of a bankruptcy court of competent jurisdiction;

(b) Replaces a manufacturing facility existing in the Commonwealth:

  1. The title to which shall have been taken under the exercise of the power of eminent domain, or the title to which shall be the subject of a nonappealable judgment granting the authority to exercise the power of eminent domain, in either event to the extent that normal operations cannot be resumed at the facility within twelve (12) months; or

  2. Which has been damaged or destroyed by fire or other casualty to the extent that normal operations cannot be resumed at the facility within twelve (12) months; or

(c) Replaces an existing manufacturing facility located in the same qualified county, and the existing manufacturing facility to be replaced cannot be expanded due to the unavailability of real estate at or adjacent to the manufacturing facility to be replaced. Any economic development project satisfying the requirements of this subsection shall only be eligible for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the manufacturing facility to be replaced. No economic development project otherwise satisfying the requirements of this subsection shall be approved by the authority which results in a lease abandonment or lease termination by the approved company without the consent of the lessor.

(4) With respect to each eligible company making an application to the authority for inducements, and with respect to the economic development project described in the application, the authority shall request materials and make inquiries of the applicant as necessary or appropriate. Upon review of the application and completion of initial inquiries, the authority may, by resolution, give its preliminary approval by designating an eligible company as a preliminarily approved company and authorizing the undertaking of the economic development project. After preliminary approval and completion by the eligible company of its bond, loan, or other financing and review thereof by the authority, the authority may by final approval designate an eligible company to be an approved company.

An approved company whose project is located in a decertified census tract shall not be eligible for the inducements offered by Sections 1 to 16 of this Act, unless the financing agreement or service and technology agreement is entered into by all parties prior to July 1 of the year following the calendar year in which the authority decertified that tract.

(5) Decertification of a census tract by the authority under subsection (4) of this section shall not be construed to split a qualified zone, change the boundary of the initial qualified zone, or create more than one (1) qualified zone per county.

Replaces a manufacturing or service or technology facility existing in the Commonwealth that been damaged or destroyed by fire, or the title to which shall have been taken under the exercise of the power of eminent domain or is the subject of a nonappealable judgment that grants the power of eminent domain to the authority, in any of these events to the extent that normal operations cannot be resumed at the facility within twelve (12) months; or

3. Replaces an existing manufacturing or service or technology facility located in the same qualified zone that cannot be expanded due to the lack of available real estate at or adjacent to the manufacturing or service or technology facility to be replaced. Any economic development project satisfying the requirements of this paragraph of this subsection shall only be eligible for inducements to the extent of the expansion, and no inducements shall be available for the equivalent of the manufacturing or service or technology facility to be replaced.

(b) No economic development project otherwise satisfying the requirements of paragraph (a) of this subsection shall be approved by the authority that results in a lease abandonment or lease termination by the approved company without the consent of the lessor.

SECTION 6. A NEW SECTION OF SUBCHAPTER 23 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) With respect to each eligible company that applies to the authority for inducements, and with respect to the project described in its application, the authority shall request materials and make all inquiries concerning the application the authority deems necessary. Upon review of the application and requested materials, and completion of initial inquiries, the authority may, by resolution of the board of directors, grant preliminary approval to the eligible company. The authority shall approve a report describing the economic development project, that shall set out as follows:

(a) The name, qualified zone location, business, and standard industrial classification of the eligible company;

(b) The nature of the economic development project;

(c) The use and projected amounts of the inducements to be available to the eligible company by year; and

(d) Other information as the authority may require.

(2) After preliminary approval, completion of its loan, other financing or leasing as permitted by subsection (6)(b)4. of Section 2 of this Act by an eligible company engaged in manufacturing activities with respect to its economic development project, and review thereof by the authority, the authority may, by resolution of its board of directors, designate an eligible company to be an approved company, and execute a financing agreement among the eligible company, the authority, lenders, if applicable, and lessor, if applicable.

(3) Within a one (1) year period following preliminary approval of an eligible company engaged in service or technology activities with respect to its economic development project, the authority may designate the eligible company as an approved company and execute a service and technology agreement among the eligible company, the authority, and lessors, if applicable. If final approval of an eligible company does not occur within the one (1) year period as provided in this subsection, then the eligible company's request for designation and project authorization shall be considered denied.

(4) The decision to grant an eligible company the status of an approved company shall be solely that of the authority, which shall base its decision upon consideration of all information provided.

SECTION 7. A NEW SECTION OF SUBCHAPTER 23 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) The authority, upon adoption of an authorizing resolution, may enter into a financing agreement with any approved company engaged in manufacturing activities with respect to its economic development project, other lenders, if applicable, and lessor, if applicable. The terms and provisions of each financing agreement, including the amount of approved costs, shall be determined by negotiations between the authority and the approved company, subject to the inclusion of the following mandatory provisions:

(a) The term of a financing agreement, that shall commence on the date of the financing agreement, and shall not be longer than the earliest of:

1. The maturity of any loan or other financing incurred in connection with the economic development project, except that the financing agreement may terminate upon the earlier prepayment of all loans or other financing incurred in connection with the economic development project;

2. The termination of any lease under subsection (6)(b)4. of Section 2 of this Act; or

3. Ten (10) years from the activation date of the original financing agreement.

4. (b) All proceeds of any loan or other financing incurred in connection with the economic development project shall be expended by the approved company within three (3) years from the date of the financing agreement. In the event that all proceeds of any loan or other financing incurred in connection with the economic development project are not fully expended within the three (3) year period, the authorized inducements shall automatically be reduced to and shall not be greater than the amount of proceeds actually expended by the approved company within the three (3) year period;

(c) The approved company may be permitted the following inducements during the term of the financing agreement:

1. An income tax credit of up to one hundred percent (100%) of the Kentucky income tax liability imposed by KRS 141.020 or 141.040 that would otherwise be due, determined under Section 17 of this Act, on the *income of the approved company generated by or arising out of the economic development project, as limited by the provisions of this section and Section 9 of this Act, and*

2. The assessment, if applicable, withheld by the approved company in each year;

(d) The income tax credit for the approved company shall be credited for the fiscal year for which the tax return of the approved company is filed. The approved company shall not be required to pay estimated income tax payments as prescribed in KRS 141.042;

(e) The assessments, if applicable, when added to the credit for the Kentucky income tax as provided in Section 10 of this Act, shall not exceed the total annual payment made under the financing agreement in connection with the project in any year; however, to the extent that this annual payment exceeds credits received and assessments collected in any year, this excess payment may be recouped from excess credits or assessment collections in succeeding years;

(f) If, in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company plus the assessments collected from the wages of the qualified statewide employees equals the annual payment in the financing agreement, and if all excess payments in the financing agreement accumulated in prior years have been recouped, the assessments collected from the wages of the qualified statewide employees shall cease for the remainder of that fiscal year, and the approved company shall resume normal personal income tax and occupational license fee withholdings from the qualified statewide employees' wages for the remainder of that fiscal year;

(g) If, in any fiscal year of the approved company during which the financing agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the qualified statewide employees exceeds the annual payment in the financing agreement, and if all excess payments in the financing agreement accumulated in prior years have been recouped, the approved company shall pay the excess to the Commonwealth as income tax;

(h) If, in any fiscal year of the approved company during which the financing agreement is in effect, the assessment collected from the wages of qualified statewide employees exceeds the annual payment in the financing agreement, and if all excess payments in the financing agreement accumulated in prior years have been recouped, the assessment collected from the wages of the qualified statewide employees shall cease for the remainder of that fiscal year, the approved company shall resume normal personal income tax and occupational license fee withholdings from the qualified statewide employees' wages for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for qualified statewide employees' wages next succeeding the first date when the approved company collected excess assessments;

(i) The financing agreement may be assigned by the approved company only upon the prior written consent of the authority;

(j) An approved company shall require any lender to the approved company funding loans or other financing incurred in connection with the economic development project to provide written evidence to the authority of payments of all annual debt service to the lender. An approved company shall require any lessor under a lease subject to subsection (6)(b)4. of Section 2 of this Act to provide written evidence to the authority of payment of rent to the lessor. This evidence shall be provided to the authority within forty-five (45) days after the end of each fiscal year during the term of the financing agreement;

(k) If the total number of qualified employees at the site of the economic development project is less than ten (10), the authorized inducements shall be suspended until at least ten (10) full-time qualified employees are employed by the approved company at the project site;

(l) If an approved company fails to comply with its respective obligations under the financing agreement or is declared in default under the loans or other financing incurred in connection with the economic development project or the lease under subsection (6)(b)4. of Section 2 of this Act, or if the lender to an approved company or the lessor, as applicable, fails to comply with its requirements set forth in subsection (1)(j) of this section, then the authority, or any of its assignees, shall have the right, at its option, to:

1. Suspend the availability of the income tax credits and assessments to the approved company;

2. Pursue any remedy provided under the financing agreement, including termination thereof; and

3. Pursue any other remedy at law to which it appears entitled; and

(m) The approved company shall pay all costs of counsel to the authority resulting from approval of its economic development project.

(2) All remedies provided in subsection (1)(l) of this section shall be deemed cumulative.

(3) Under this section, the activation date shall be established by the approved company in the financing agreement, which shall be at any time within a two (2) year period after the date of final approval of the financing agreement by the

authority. To implement the activation date, the approved company shall notify the authority, the Kentucky Revenue Cabinet, the approved company's qualified statewide employees, and the affected local jurisdictions, if any, of the activation date when implementation of the inducements authorized in the financing agreement shall occur. If the approved company does not satisfy the minimum investment and minimum employment requirements of Section 5 of this Act by the activation date, then the approved company shall not be entitled to receive inducements under Sections 1 to 16 of this Act until the approved company satisfies the requirements; in any event, the ten (10) year period for the term of the financing agreement shall begin from the activation date. Notwithstanding the previous sentence, if the approved company does not satisfy the minimum investment and minimum employment requirements of Section 5 of this Act within two (2) years from the date of final approval of the financing agreement, then the approved company shall be ineligible to receive inducements under Sections 1 to 16 of this Act.

SECTION 8. A NEW SECTION OF SUBCHAPTER 23 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Before any approved company engaged in service or technology activity is granted inducements under Sections 1 to 16 of this Act, a service and technology agreement with respect to the approved company's economic development project shall be entered into between the authority and the approved company. The terms and provisions of the service and technology agreement, including the amount of approved costs, shall be determined by negotiations between the authority and the approved company, subject to inclusion of the following mandatory provisions:

(a) The term of the service and technology agreement shall not be longer than ten (10) years from the activation date established by the approved company. The activation date shall be any time within a one (1) year time period after the date of final approval of the service and technology agreement by the authority. In order to implement the activation date, the approved company shall notify the authority, the Kentucky Revenue Cabinet, the qualified statewide employees, and the affected local jurisdictions, if any, of the activation date on which implementation of the inducements authorized in the service and technology agreement shall occur;

(b) The approved company may be permitted the following inducements during the term of the service and technology agreement:

1. An income tax credit of up to one hundred percent (100%) of the Kentucky income tax liability imposed by KRS 141.020 or 141.040 that would otherwise be due, determined under Section 17 of this Act, on the income of the approved company generated by or arising out of the economic development project, as limited by the provisions of this section and Section 9 of this Act; and

2. The assessment, if applicable, withheld by the approved company in each year;

(c) The inducements allowed to the approved company shall be subtracted from the approved cost balance in the fiscal year of the approved company for which the tax return of the approved company is filed;

(d) If the total number of qualified employees at the site of the economic development project is less than ten (10), the authorized inducements shall be suspended until at least ten (10) full-time qualified employees are employed by the approved company at the project site;

(e) The service and technology agreement may be assigned by the approved company only upon the prior written consent of the authority; and

(f) The approved company shall pay all costs of counsel to the authority resulting from approval of its economic development project.

(4) Before the end of the first year following the activation date, the authority shall, using data supplied by the approved company, verify and determine the total start-up costs for the approved company's economic development project. The initial approved costs shall be up to a maximum of fifty percent (50%) of the start-up costs.

(5) Each year, during the ten (10) year term of the service and technology agreement, up to fifty percent (50%) of the annualized rent shall be added to the unrecouped balance of approved costs, and the inducements earned shall be subtracted from the approved costs.

(6) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the accumulated inducements equal the unrecouped remaining balance of the approved costs then expended, the assessments collected from the wages of the employees shall cease for the remainder of that fiscal year of the approved company, and the approved company shall resume normal personal income tax and occupational license fee withholdings from the qualified statewide employees' wages for the remainder of that fiscal year.

(7) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the total of the income tax credit granted to the approved company plus the assessment collected from the wages of the qualified statewide employees exceeds the remaining balance of the approved costs then expended, the approved company shall pay the excess to the Commonwealth as income tax.

(8) If, in any fiscal year of the approved company during which the service and technology agreement is in effect, the assessment collected from the wages of the qualified statewide employees exceeds the unrecouped remaining balance of

the approved costs then expended, the assessment collected from the wages of the qualified statewide employees shall cease for the remainder of that fiscal year of the approved company, the approved company shall resume normal personal income tax and occupational license fee withholdings from the qualified statewide employees for the remainder of that fiscal year, and the approved company shall remit to the Commonwealth and applicable local jurisdictions their respective shares of the excess assessment collected on the withholding filing date for qualified statewide employees' wages next succeeding the first date when the approved company collected excess assessments.

SECTION 9. A NEW SECTION OF SUBCHAPTER 23 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) If an eligible company operates an existing business in a qualified zone, and wishes to expand that business within the zone, the eligible company may submit an application to the authority to become an approved company under Section 5 of this Act.

(2) If the eligible company under subsection (1) of this section becomes an approved company, the authority shall determine a base level of employment in the Commonwealth, a base level of state income tax liability, and a base level of manufacturing or service or technology activity, as applicable, of the approved company for determining eligible credits for the approved company's project during the term of a financing agreement or service and technology agreement. The base level shall be determined by taking into consideration any seasonal fluctuations or aberrations of employment levels during the preceding three (3) years. Notwithstanding the determination of a base level of employment in the Commonwealth, no qualified statewide employee who is an employee of this business prior to the date of the preliminary approval by the authority as prescribed in Section 6 of this Act shall be subject to assessment.

(3) The authority shall identify, by name, all of the existing qualified statewide employees employed by the eligible company prior to preliminary approval, and these employees shall be exempt from the assessment. If any of these employees cease working in the activity, then another qualified statewide employee shall be added to the base level of employment, based on the earliest date of entry into the work force, and this employee shall be exempt from the assessment. The authority may negotiate with the approved company a different method of determining the base level of employment that would yield a more equitable result for the approved company, the Commonwealth, local jurisdictions, and the qualified statewide employees.

(4) To become eligible for inducements, the approved company shall create and maintain above the base level of employment in the Commonwealth, an increase at the site of the project of at least ten (10) new full-time qualified employees.

(5) The approved company shall continue to pay to the Commonwealth, on an annualized basis during the term of the financing agreement or service and technology agreement, as applicable, the base level of income tax, adjusted on an annual basis to reflect changes in the consumer price index. The excess income tax owed may be offset by the income tax credit provided in Section 10 of this Act.

(6) If any approved company expands in a qualified zone because of an increase in business or because of the commencement of a new line of business, it may be eligible, at the discretion of the authority, to negotiate a separate, additional financing agreement or service and technology agreement to cover the expanded business under the same conditions as authorized for an expansion in this section.

SECTION 10. A NEW SECTION OF SUBCHAPTER 23 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) An approved company engaged in manufacturing or in service or technology activities shall be entitled to an income tax credit equal to one hundred percent (100%) of the income tax liability that would otherwise be due to the Commonwealth from the approved company attributable to its economic development project, as limited by the provisions of Section 9 of this Act.

(2) The Revenue Cabinet of the Commonwealth shall initiate contact and fully cooperate with the authority in the collection of information to determine the fiscal impact of qualified zone inducements on state revenues. The Revenue Cabinet shall certify to the authority, in the form of an annual report, aggregate income tax credits and assessments taken by approved companies with respect to their economic development projects under Sections 1 to 16 of this Act, and certify to the authority when an approved company has taken income tax credits and assessments equal to its total inducements. The Revenue Cabinet shall certify to the authority, upon written request of the authority, the aggregate income tax credits and assessments taken by an approved company with respect to its economic development project under Sections 1 to 16 of this Act.

SECTION 11. A NEW SECTION OF SUBCHAPTER 23 OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) If the local jurisdiction in which the economic development project is to be located, approves the assessment in accordance with subsection (8) of this section, then an approved company engaged in either manufacturing or service or technology activities may require each qualified statewide employee, as a condition to employment, to agree to pay a job development assessment fee in an amount determined by the percentage of the local occupational license fee, which

shall be one-fifth (1/5) of the total job development assessment fee, plus the Commonwealth's contribution of four-fifths (4/5) of the total job development assessment fee, but in no event to exceed five percent (5%) of the qualified statewide employee's gross wages exclusive of any noncash benefits; provided that each qualified statewide employee paying the assessment shall be entitled to credits against Kentucky income tax as prescribed in subsection (4) of this section and to credits against the local occupational license fee to the extent of the local occupational license fee collected by the local jurisdiction. This assessment shall be deducted by the approved company from wages it pays to qualified statewide employees.

(2) Notwithstanding subsection (1) of this section, if no local occupational license fee is assessed by any local government in which the project is located, the assessment shall be four percent (4%), all of which shall be contributed by the Commonwealth.

(3) Notwithstanding subsection (1) of this section, if a project is located in only one (1) local government and that local government has a local occupational license fee that is less than one percent (1%) and the local government agrees to forego all of its local occupational license fee or if a project is located in multiple local governments and the local governments have in the aggregate local occupational license fees that are less than one percent (1%) and the local governments agree to forego all of their local occupational license fees, then the assessment shall be four percent (4%), all of which shall be contributed by the Commonwealth, plus the percentage of the local occupational license fee or fees, as applicable, that the local government or local governments, as applicable, has or have agreed to forego.

(4) Each qualified statewide employee required to pay this assessment shall be entitled to certain credits, as follows:

(5) If more than one (1) local government jurisdiction imposes a local occupational license fee and all jurisdictions approve the assessment, then the assessment and employee credit therefor shall be prorated against the local occupational license fees imposed, unless a single local government jurisdiction agrees to forego receipt of its local occupational license fees in an amount equal to one percent (1%) of the qualified statewide employees' wages excluding noncash benefits, in which case no proration need be made.

(6) No credit, or portion thereof, shall be allowed against any occupational license fee imposed by or dedicated solely to the board of education in a local jurisdiction.

(7) An approved company that collects an assessment shall make its payroll, books, and records available to the authority at its request, and shall provide all documentation pertaining to the assessment as the authority may require.

(8) Before any financing agreement or service and technology agreement becomes effective with respect to an assessment, the legislative body of any local government that assesses a local occupational license fee and shall lose revenue as a result of the assessment described in this section shall, by official action, approve the assessment for the benefit of an approved company. However, if a local government does not approve the assessment, then the approved company shall not be permitted to impose the assessment and the qualified statewide employees shall not be permitted to claim credits.

(9) Any assessment of the wages of qualified statewide employees of an approved company engaged in manufacturing activities in connection with their employment at an economic development project in subsection (1) of this section shall permanently lapse as of the date any loans or other financing, as described in Section 7 of this Act, incurred in connection with the economic development project mature or are prepaid in full for an approved company engaged in manufacturing activities or as of any date any lease under subsection (6)(b)4. of Section 2 of this Act terminates.

(1) Every employer making payment of wages on or after January 1, 1971, shall deduct and withhold upon the wages a tax determined under KRS 141.315 or by the tables authorized by KRS 141.370.

(2) If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which the wages are paid.

(3) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of wages by the employer during the calendar year, or the date of commencement of employment with the employer during the year, or January 1 of the year, whichever is the later.

(4) In determining the amount to be deducted and withheld under this section, the wages may, at the election of the employer, be computed to the nearest dollar.

(5) The tables mentioned in subsection (1) of this section take into consideration the deductible federal income tax. If Congress changes substantially the federal income tax, the cabinet shall make the change in these tables necessary to compensate for any increase or decrease in the deductible federal income tax.

(6) The cabinet may permit the use of accounting machines to calculate the proper amount to be deducted from wages when the calculation so permitted produces substantially the same result set forth in the tables authorized by KRS 141.370. Prior approval of the calculation shall be secured from the cabinet at least thirty days before the first payroll period for which it is to be used.

(7) The cabinet may, by regulations, authorize employers:

(a) To estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) To determine the amount to be deducted and withheld upon each payment of wages to the employee during the quarter as if the appropriate average of the wages estimated constituted the actual wages paid; and

(c) To deduct and withhold upon any payment of wages to the employee during the quarter the amount necessary to adjust the amount actually deducted and withheld upon the wages of the employee during the quarter to the amount that would be required to be deducted and withheld during the quarter if the payroll period of the employee was quarterly.

(8) The cabinet may provide by regulation, under the conditions and to the extent it deems proper, for withholding in addition to that otherwise required under this section and KRS 141.315 in cases in which the employer and the employee agree to the additional withholding. The additional withholding shall for all purposes be considered tax required to be deducted and withheld under this chapter.

(9) Effective January 1, 1992, any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job assessment fee provided in KRS 154.24-110 may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be four-fifths (4/5) of the amount of the assessment fee withheld from the employee. If the Kentucky income tax to be withheld from the employee under this section is greater than four-fifths (4/5) of the job assessment fee set forth above, the excess shall be withheld. If the agreement under KRS 154.24-150 is consummated, the offset shall be one hundred percent (100%) of the assessment.

(10) Any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job development assessment fee provided in KRS 154.22-070 ***or KRS 154.28-110*** may offset~~[a portion of]~~ the fee against the Kentucky income tax required to be withheld from the employee under this section.~~[The amount of the offset shall be equal to the amount of the assessment fee withheld from the employee.]~~

The amount of the offset shall be two-thirds (2/3) of the amount of the assessment fee withheld from the employee~~[. If the Kentucky income tax to be withheld from the employee under this section is greater than two-thirds (2/3) of the job assessment fee set forth above]~~, or~~[four-fifths (4/5)]~~ if the agreement under KRS 154.26-090(1)(d)2.b. is consummated, ***the offset shall be four-fifths (4/5) of the assessment fee***~~[the excess shall be withheld]~~.

(12) Any employer required by this section to withhold Kentucky income tax who assesses and withholds from employees the job development assessment fee provided in ***Section 11 of this Act***~~[KRS 154.22-070]~~ may offset a portion of the fee against the Kentucky income tax required to be withheld from the employee under this section. The amount of the offset shall be equal to the ***Commonwealth's contribution as determined by subsections (1) to (3) of Section 11 of this Act***~~[amount of the assessment fee withheld from the employee]~~.

(13) Any employer required by this section to withhold Kentucky income tax may be required to post a bond with the cabinet. The bond shall be a corporate surety bond or cash. The amount of the bond shall be determined by the cabinet, but shall not exceed fifty thousand dollars ($50,000).

(14) The Commonwealth may bring an action for a restraining order or a temporary or permanent injunction to restrain or enjoin the operation of an employer's business until the bond is posted or the tax required to be withheld is paid or both. The action may be brought in the Franklin Circuit Court or in the Circuit Court having jurisdiction of the defendant.

Section 19. KRS 141.350 is amended to read as follows:

The amount deducted and withheld as tax under KRS 141.310 and KRS 141.315 during any calendar year upon the wages of any individual and the amount of credit described in KRS 154.22-070(2), 154.24-110, 154.26-100(2), ***KRS 154.28-110 or Section 11 of this Act***~~[or KRS 154.28-090]~~ shall be allowed as a credit to the recipient of the income against the tax imposed by KRS 141.020, for taxable years beginning in the calendar year. If more than one (1) taxable year begins in the calendar year, the amount shall be allowed as a credit against the tax for the last taxable year so beginning.

(1) It is found and declared that public improvements, and publicly promoted private improvements, in any development area that result in the increase in the value of property located in the development area or result in increased employment within the development area serve a public purpose for each taxing district possessing the authority, directly or indirectly, to impose ad valorem taxes, sales taxes, income taxes, or occupational license fees in the development area, and for the state with regards to its revenues from ad valorem taxes, sales taxes, and income taxes. The increment in revenues derived by each taxing district and the state from the development area is found and declared to be one of the benefits derived by each taxing district and the state from any local development project or public project undertaken by the agency; and

(2) It is found that the use of tax increment financing or a grant program based upon the use of increment financing as tax revenues has proved to be successful and of great benefit to areas in need of revitalization and development in other parts of the country; therefore, the development of a pilot program within the Commonwealth to test the usefulness of increment financing to assist local governments in restoring and revitalizing their communities is declared to be a most worthy public purpose.

SECTION 3. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(1) A county containing a city of the first class or a city of the first class may establish a development area for the purpose of creating a pilot program to utilize tax increment financing or a grant program based upon the increment in state tax revenues for the redevelopment and revitalization of these development areas within their communities.

(2) No contract shall require the release of less than fifty percent (50%) of the increments, or more than ninety-five percent

(95%) of the increments where the revenue is derived solely from ad valorem taxation or solely from occupational license fees, or more than eighty percent (80%) of the increments where the revenue is derived from ad valorem taxes and occupational license fees.

(3) An agency may enter into a contract with the state, acting by and through the Governor, for an annual grant to the agency in an amount equal to not less than fifty percent (50%) nor more than eighty percent (80%) of the increment in ad valorem, sales, and income taxes derived by the state within the development area with an existing economic development asset as leveraged in part by the undertaking of a project.

SECTION 5. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

(3) The state, acting by and through the Governor, is authorized to execute a grant contract with any agency in acknowledgment of benefits to be derived by it with the development area with an existing economic development asset as leveraged in part by the undertaking of a project, and in order to promote the public purpose of the state.

(4) Any grant contract signed for an amount equal to the increment derived from the development area shall be made on the basis of automatic year-to-year renewals, with the option to discontinue upon sixty (60) days' notice before the end of any annual termination date of the contract.

SECTION 6. A NEW SECTION OF KRS CHAPTER 65 IS CREATED TO READ AS FOLLOWS:

Any agency, other than a county, city, urban-county, or charter county government, that enters into a contract with any taxing district for the release of any increments that may arise during the period of a contract of release shall forthwith notify the official charged with the collecting of taxes for the property in the development area of the execution of a contract of release, and the official charged with the collection of taxes shall in each year a contract of release is in effect determine the amount of the increment that is the subject of the contract of release for division between the taxing district and the agency; and, upon the basis of the agreement made between the taxing district and the agency, the official shall divide and distribute the funds derived from the area between the taxing district and the agency. SECTION 2. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

The General Assembly finds that the Tobacco Price Support Program administered by the United States Department of Agriculture under 7 U.S.C. sec. 1314 is the best and most efficient means of preserving the economic health of thousands of tobacco farms throughout the United States and throughout Kentucky. The purpose of Sections 2 to 7 of this Act is to ensure that any contracts or contracting practices for the purchase of tobacco in Kentucky protect the public interest in the continued efficient operation of the Tobacco Price Support Program, and that all these contracts be negotiated and implemented in a manner that will not impair or undermine that program, which is vital to the economic health of Kentucky's rural areas. To the extent that any contracting practices or contracts entered into between a tobacco handler and producers undermine or impair the continued efficient operation of the Tobacco Price Support Program, these practices and contracts are not in the public interest of the people of Kentucky.

SECTION 5. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

(1) Any handler of tobacco that desires to purchase tobacco directly from producers shall notify the chair of the commission, by certified mail, by December 1 of the calendar year preceding the growing year for which the tobacco handler seeks to enter into tobacco purchase contracts. SECTION 7. A NEW SECTION OF KRS CHAPTER 248 IS CREATED TO READ AS FOLLOWS:

(1) Any producer or association of producers is free to negotiate the terms and conditions of its own contracts for the purchase of tobacco with tobacco handlers. Handlers shall have a duty to bargain in good faith with any producer or association of producers.

(2) The producer or producer's association shall be given the opportunity to have any proposed contract reviewed outside the business premises of the handlers or their agents by an attorney or advisor of the producer's choosing prior to execution.

(3) Contracts shall be written in plain English.

(4) Contracts shall give the producer the right to cancel a contract until 12 midnight of the third business day after the day on which the producer signs the contract.

The task force shall research the issues and recommend strategies for the 2002 General Assembly. The research shall include but not be limited to: examining programs in other states regarding contracting for agricultural commodities; structuring a proposed framework for a state tobacco contracting program in Kentucky; working with other states to establish a regional uniform state burley tobacco contracting system; and preparing the initial steps that Kentucky may need to take to enter into such a program or regional system.

In the event that the Federal Tobacco Price Support Program ends before the report is due, the task force shall immediately advise the Legislative Research Commission and the Governor's Office on the steps to take to best protect the interests of the state and the state's tobacco producers.

Section 9. The provisions of Section 1 of this Act shall retroactively apply to tax years beginning after December 31, 1998.

Section 10. Whereas the filing deadline for income taxes is April 15 and contracts for growing tobacco may be submitted to producers at any time, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming law.

(1) ***(a)*** Each district board of education may form its employees into a group or groups or recognize existing groups for the purpose of obtaining the advantages of group life, disability, medical, and dental insurance, or any group insurance plans to aid its employees ***including the state employee health insurance group as described in Section 2 of this Act***, as long as the employees continue to be employed by the board of education. Medical and dental group insurance plans obtained under authority of this section may include insurance benefits for the families of the insured group or groups of employees. Any district board of education may pay all or part of the premium on the policies, and may deduct from the salaries of the employees that part of the premium which is to be paid by them and may contract with the insurer to provide the above benefits. As permitted in KRS 160.280(5), board members shall be eligible to participate in any group medical or dental insurance provided by the district for employees.

(b) If a district board of education participates in the state employee health insurance program, as described in Section 2 of this Act, for its active employees and terminates participation and there is a state appropriation approved by the General Assembly for the employer's contribution for active employees' health insurance coverage, neither the board of education nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.

(2) Each district board of education shall adopt policies or regulations which will provide for deductions from salaries of its employees or groups of employees whenever a request is presented to the board by said employees or groups thereof. The deductions may be made for, but are not limited to, membership dues, tax-sheltered annuities, and group insurance premiums. With the exception of membership dues, the board shall not be required to make more than one (1) remittance of amounts deducted during a pay period for a separate type of deduction. Health insurance, life insurance, and tax-sheltered annuities shall be interpreted as separate types of deductions. When amounts have been correctly deducted and remitted by the board, the board shall bear no further responsibility or liability for subsequent transaction.

(3) Payments and deductions made by the board of education under the authority of this section are presumed to be for services rendered and for the benefit of the common schools, and the payments and deductions shall not affect the eligibility of any school system to participate in the public school funding program as established in KRS Chapter 157.

Section 4. KRS 161.675 is amended to read as follows:

(1) (a) The board of trustees shall enter into contracts with insurance carriers or other health care providers for the purpose of providing a program of hospital and medical insurance coverage to members who are age sixty-five (65) or older and retired for service. ***Members who are sixty-five (65) or older and retired for service shall not be eligible to participate in the state employee health insurance program as described in Section 2 of this Act.***

(b) The board of trustees may enter into contracts with insurance carriers or other health providers for the purpose of providing a broad program of hospital and medical insurance coverage to members below age sixty-five (65) who are retired for service or disability and to the surviving spouse of deceased members who are eligible to receive the member's retirement benefits as provided in KRS 161.525.

(c) The board of trustees may offer, on a cost basis, coverage of spouses and dependents not eligible for regular coverage.

(2) The coverage provided shall be as set forth in the contracts and the administrative regulations of the board of trustees. The board of trustees may change the levels of coverage to meet the changing needs of the annuitants and when necessary to contain the expenses of the insurance program within the funds available to finance the insurance program. The contracts and administrative regulations shall provide for, but not be limited to, hospital room and board, surgical procedures, doctors' care in the hospital, and miscellaneous hospital costs. A retiree whose effective date of retirement is July 1, 1974, and thereafter, must have a minimum of five (5) years creditable Kentucky service in the Teachers' Retirement System or of combined service in the Kentucky Employees Retirement System, of which at least two (2) years was creditable service under KRS 161.510 and 161.607(2), to qualify for the coverage. The board of trustees shall offer coverage to the disabled child of a retired member regardless of the disabled child's age if the retired member pays the entire premium for the disabled child's coverage. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(3) The board of trustees is empowered to require the annuitant and the annuitant's spouse to pay a premium charge to assist in the financing of the hospital and medical insurance program. The board of trustees is empowered to pay the expenses for insurance coverage from the medical insurance fund, from the premium charges received from the annuitants and the spouses, and from funds that may be appropriated or allocated by statute. The board may provide insurance coverage by making payment to insurance carriers including health insurance plans that are available to active and retired state employees and active teachers, institutions, and individuals for services performed, or the board of trustees may elect to provide insurance on a "self-insurance" basis or a combination of these provisions.

(4) Contracts negotiated may include the provision that a stated amount of hospital cost or period of hospitalization shall incur no obligation on the part of the insurance carrier or the retirement system.

(5) The board of trustees is empowered to promulgate administrative regulations to assure efficient operation of the hospital and medical insurance program.

(6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient.

Section 5. KRS 79.080 is amended to read as follows:

(1) The term "health maintenance organization" for the purposes of this section, means a health maintenance organization as defined in KRS 304.38-030, which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board and issued a certificate of authority by the Department of Insurance as a health maintenance organization and which is qualified under the requirements of the United States Department of Health, Education and Welfare, except as provided in subsection (4) of this section.

(2) Cities of all classes, counties and urban-county governments and the agencies of cities, counties, charter county, and urban-county governments are authorized to establish and operate plans for the payment of retirement, disability, health maintenance organization coverage, or hospitalization benefits to their employees and elected officers, and health maintenance organization coverage or hospitalization benefits to the immediate families of their employees and elected officers. The plan may require employees to pay a percentage of their salaries into a fund from which coverage or benefits are paid, or the city, county, charter county, urban-county government, or agency may pay out of its own funds the entire cost of the coverage or benefits. A plan may include a combination of contributions by employees and elected officers and by the city, county, charter county, urban-county government, or agency into a fund from which coverage or benefits are paid, or it may take any form desired by the city, county, charter county, urban-county government, or agency. Each city, county, charter county, urban-county government, or agency may make rules and regulations and do all other things necessary in the establishment and operation of the plan.

(3) Cities of all classes, counties, charter counties, urban-county governments, the agencies of cities, counties, charter counties, and urban-county governments, and all other political subdivisions of the state may provide disability, hospitalization, or other health or medical care coverage to their officers and employees, including their elected officers, through independent or cooperative self-insurance programs and may cooperatively purchase the coverages.

(4) Any city, county, charter county, or urban-county government which is a contributing member to any one (1) of the retirement systems administered by the state may participate in the state health insurance coverage program for state employees as defined in KRS 18A.225 to 18A.229. Should any city, county, charter county, or urban-county government opt at any time to participate in the state health insurance coverage program, it shall do so for a minimum of three (3) consecutive years. If after the three (3)-year participation period, the city, county, charter county, or urban-county government chooses to terminate participation in the state health insurance coverage program, it will be excluded from further participation for a period of three (3) consecutive years. ***If a city, county, charter county, or urban-county government, or one (1) of its agencies, terminates participation of its active employees in the state health insurance coverage program and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the unit of government, or its agency, nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.*** The three (3)-year participation and exclusion cycles shall take effect each time a city, county, charter county, or urban-county government changes its participation status.

(5) Any city, county, charter county, urban-county government, or other political subdivision of the state which employs more than twenty-five (25) persons and which provides hospitalization benefits or health maintenance organization coverage to its employees and elected officers, shall annually give its employees an option to elect either standard hospitalization benefits or membership in a qualified health maintenance organization which is engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of the employees reside; except that if any city, county, charter county, urban-county government, or agencies of any city, county, charter county, urban-county government, or any other political subdivision of the state which does not have a qualified health maintenance organization engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of the employees reside, the city, county, charter county, urban-county government, or agencies of the city, county, charter county, urban-county government, or any other political subdivision of the state may annually give its employees an option to elect either standard hospitalization benefits or membership in a health maintenance organization which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board and issued a certificate of authority by the Department of Insurance as a health maintenance organization and which is engaged in providing basic health services in a health maintenance service area in which at least twenty-five (25) of the employees reside. Any premium due for health maintenance organization coverage over the amount contributed by the city, county, charter county, urban-county government, or other political subdivision of the state which employs more than twenty-five (25) persons, for any other hospitalization benefit shall be paid by the employee.

(6) If an employee moves his place of residence or employment out of the service area of a health maintenance organization, under which he has elected coverage, into either the service area of another health maintenance organization or into an area of the state not within a health maintenance organization service area, the employee shall be given an option, at the time of the move or transfer, to elect coverage either by the health maintenance organization into which service area he moves or is transferred or to elect standard hospitalization coverage offered by the employer.

(7) Any plan adopted shall provide that any officer or member of a paid fire or police department who has completed five (5) years or more as a member of the department, but who is unable to perform his duties by reason of heart disease or any disease of the lungs or respiratory tract, is presumed to have contracted his disease while on active duty as a result of strain or the inhalation of noxious fumes, poison or gases, and shall be retired by the pension board under terms of the pension system of which he is a member, if member passed an entrance physical examination and was found to be in good health as required.

(8) The term "agency" as used herein shall include boards appointed to operate waterworks, electric plants, hospitals, airports, housing projects, golf courses, parks, health departments, or any other public project.

(9) After August 1, 1988, except as permitted by KRS 65.156, no new retirement plan shall be created pursuant to this section, and cities which were covered by this section on or prior to August 1, 1988, shall participate in the County Employees Retirement System effective August 1, 1988. Any city, county, charter county, urban-county, or agency thereof which provided a retirement plan for its employees, pursuant to this section, on or prior to August 1, 1988, shall place employees hired after August 1, 1988, in the County Employees Retirement System. The city, county, charter county, urban-county, or agency thereof shall offer employees hired on or prior to August 1, 1988, membership in the County Employees Retirement System under the alternate participation plan as described in KRS 78.530(3), but such employees may elect to retain coverage under this section.

Section 6. KRS 18A.227 is amended to read as follows:

(a) "Cafeteria plan" shall mean a flexible benefits plan which meets the requirements of Section 125 of the federal Internal Revenue Code;

(b) "Employee" shall mean a person, including an elected public official, who is regularly employed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government, and who is a contributing member to any one (1) of the retirement systems administered by the state~~[, and including a~~

(f) Vision insurance;

(g) Long term disability insurance;

(h) Long term medical care; and

(i) Any other benefits which may be offered under the provisions of the Internal Revenue Code and which the cabinet determines to be in the best interests of state employees.

(4) ***Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse of a retiree, under any one of the Kentucky Retirement Systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of employment under KRS Chapter 16, KRS Chapter 18A, or KRS Chapter 151B.***

(5) Any employee who desires to participate in options offered under the plan, may direct that any options elected shall be funded through payroll deduction. The election shall be made in writing; and once an option is chosen, it shall not be changed until the end of the period for which election is made unless the employee experiences a change in family status***, other change of status, or special enrollment rights under the federal Health Insurance Portability and Accountability Act of 1996*** which necessitates a revision of his benefit election.

(6)[~~(5)~~]Any employee contributions required toward the purchase of the selected options shall be made by a salary reduction contribution, to the extent the benefits would be considered to be tax-free under Chapter 1 of the Internal Revenue Code, and by after-tax salary deduction where the elected option is not tax-free.

Section 7. SB 323, AN ACT relating to the taxation of property.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 132.820 is amended to read as follows:

(1) The cabinet shall ***annually*** value and assess unmined coal, oil, and gas reserves, and any other mineral or energy resources which are owned, leased, or otherwise controlled separately from the surface real property at no more than fair market value in place, considering all relevant circumstances. Unmined coal, oil, and gas reserves and other mineral or energy resources shall in all cases be valued and assessed by the Revenue Cabinet as a distinct interest in real property, separate and apart from the surface real estate.

(2) Each owner or lessee of property assessed under subsection (1) of this section shall annually, between January 1 and April 15, ***list their property with the cabinet by filing***[~~file~~] a return with the cabinet in a form as the cabinet may prescribe. Other individuals or corporations having knowledge of the property defined in subsection (1) of this section gained through contracting, extracting, or similar means may also be required by the cabinet to file a return.

(3) ***Commencing with the 2001 tax year, the cabinet shall no less than once every four (4) years review each property listing using available geologic data. The cabinet shall maintain a record of the review for each parcel which includes the dates of the examination and the results of the review. If the cabinet assesses any property at a different value than that resulting from the taxpayer's listing based upon geologic data, the cabinet shall notify the taxpayer in the cabinet's***

notice of assessment.

(4) Any property subject to assessment by the cabinet under subsection (1) of this section which has not been listed for taxation, for any year in which it is taxable, by April 15 of that year shall be omitted property.

(5)[~~(4)~~]After the valuation of unmined minerals or other energy sources has been finally fixed by the cabinet, the cabinet shall certify to the county clerk of each county the amount liable for county, city, or district taxation. The report shall be filed by the county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection.

(6)[~~(5)~~]The notification, protest, and appeal of assessments under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 131.

(7)[~~(6)~~]No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(8)[~~(7)~~]The collection of tax bills generated from the assessments made under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 134.

(9) Any assessment of unmined coal or other minerals may be reviewed by the Revenue Cabinet after the filing of the return. If upon review, the cabinet finds that the assessment or the amount of taxes due should be increased due to revaluation or reclassification based upon information available at the time the return was filed, the cabinet shall give notice of the revised assessment to the taxpayer as provided under KRS 131.110 within five (5) years after the due date of the return. Upon the revised assessment being final, the tax bill shall be handled and collected as an omitted property tax bill and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 2. KRS 136.120 is amended to read as follows:

(1) Every railway company, sleeping car company, chair car company, dining car company, gas company, water company, ferry company, bridge company, street railway company, interurban electric railroad company, express company, electric light company, electric power company, telephone company, telegraph company, commercial air carrier, air freight carrier, pipeline company, common carrier water transportation company, privately owned regulated sewer company, cable television company, municipal solid waste disposal facility, as defined by KRS 224.01-010(15), where solid waste is disposed by landfilling, railroad car line company, which means any company, other than a railroad company, which owns, uses, furnishes, leases, rents, or operates to, from, through, in, or across this state or any part thereof, any kind of railroad car including, but not limited to, flat, tank, refrigerator, passenger, or similar type car, and every other like company or business performing any public service, except bus line companies, regular and irregular route common carrier trucking companies, and taxicab companies, shall annually pay a tax on its operating property to the state and to the extent the property is liable to taxation shall pay a local tax thereon to the county, incorporated city, and taxing district in which its operating property is located.

(2) The property of the taxpayers shall be classified as operating property, nonoperating tangible property, and nonoperating intangible property. Nonoperating intangible property within the taxing jurisdiction of the Commonwealth shall be taxable for state purposes only at the same rate as the intangible property of other taxpayers not performing public services, and operating property and nonoperating tangible property shall be subject to state and local taxes at the same rate as the tangible property of other taxpayers not performing public services.

(3) The Revenue Cabinet shall have sole power to ***annually*** value and assess all of the property of every corporation, company, association, partnership, or person performing any public service, including those enumerated above and all others to whom this section may apply, whether or not the operating property, nonoperating tangible property, or nonoperating intangible property has heretofore been assessed by the cabinet, and shall allocate the assessment as provided by KRS 136.170, and shall certify operating property liable to local taxation and nonoperating tangible property to the counties, cities, and taxing districts as provided in KRS 136.180. All of the property assessed by the cabinet pursuant to this section shall be assessed as of December 31 each year for the following year's taxes, and the lien therefor shall attach as of the assessment date. In the case of a taxpayer whose business is predominantly nonpublic service and the public service business in which he is engaged is merely incidental to his principal business, the cabinet shall in the exercise of its judgment and discretion determine, from evidence which it may have or obtain, what portion of the operating property is devoted to the public service business subject to assessment by the cabinet under this section and shall require the remainder of the property not so engaged to be assessed by the local taxing authorities.

(4) Commencing with the 2001 tax year, the cabinet shall no less than once every four (4) years review the taxpayer report made under KRS 136.130 using independent industry and market data and research and regulating authority reports. The cabinet shall maintain a record of the review for each taxpayer.

SJR 114, A JOINT RESOLUTION requiring executive branch agencies to submit a strategic plan along with their 2002-2004 budget requests to the General Assembly and establishing a pilot program to evaluate the feasibility of performance budgeting in the Commonwealth.

WHEREAS, the General Assembly believes that state agencies could improve the quality of services delivered to citizens of the Commonwealth through the institution of effective strategic planning; and

WHEREAS, the General Assembly is committed to ensuring that the state budgeting system provides improved accountability and effective budget control on behalf of the citizens of the Commonwealth; and

WHEREAS, the current state budgeting system does not provide performance information about state programs; and

WHEREAS, several local, state, and federal governments have adopted performance-based budgeting as a means to improved accountability and effective budget control; and

WHEREAS, the state budgeting system is large, complex, and critical to the functioning of all state agencies and government programs; and

WHEREAS, significant changes to the state budgeting system should be undertaken only after research is conducted that demonstrates that the changes will yield improvements that exceed the cost of implementation; and

WHEREAS, the task of describing the state budgeting system, and evaluating potential changes to the state budgeting system, is a major undertaking that would best be served by the involvement of a variety of entities with a complementary set of skills and corresponding experience; and

WHEREAS, a budget cycle is composed of the preparation, approval, execution, and evaluation phases that, all together, last longer than two years, and only initial phases of a change in the budgeting system can be evaluated by the 2002 Regular Session of the General Assembly;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The managers of each cabinet level budget unit in the executive branch of state government shall develop a four-year strategic plan to meet the broad goals outlined by the Governor, and shall submit an electronic copy of the full plan and an electronic copy of a brief summary of that plan with the FB 2002-2004 budget request.

(1) Each strategic plan shall include, but not be limited to, a statement of the cabinet's mission, identification of goals for the next four years, specification of objectives for meeting the goals, and definition of performance indicators to be used to measure progress toward meeting specified objectives.

(2) The State Budget Director shall designate an entity to develop and conduct a training course in strategic planning that is appropriate for and targeted to state government managers, and shall make that training course available to state managers, and their designees, who have responsibility for the completion of a strategic plan required in subsection (1) of this section.

(3) The Governor's Office of Technology shall identify a uniform electronic strategic plan submission form and a procedure that allows all plans to be entered into an electronic database that is searchable by interested parties. The database shall be developed and maintained in a form that complies with all provisions of KRS 48.950 to 48.960.

Section 2. The State Budget Director shall work with the Legislative Research Commission to conduct a study of the use of performance budgeting by governments comparable to the Commonwealth and report the findings to the Governor and the Legislative Research Commission, who shall distribute the report to the appropriate legislative committees for review.

(1) The study shall consult academic and applied research on performance budgeting in state government from a wide variety of sources.

(2) The study shall focus on issues and practices most relevant to the Commonwealth.

Section 3. The Auditor of Public Accounts shall conduct a study of the existing flow of budget information as it originates from executive branch budget units and is transmitted forward to commissioners, cabinet secretaries, the Governor's Office of Policy and Management, the Governor, the Legislative Research Commission, and the General Assembly.

(1) By September 30, 2000, the Auditor shall submit a report to the Governor and the Legislative Research Commission, who shall distribute the report to the appropriate legislative committees for review, that contains sections including, but not limited to, a complete description of the existing flow of budget information throughout state government, with particular focus on a detailed baseline description of the features and cost of the budgeting structure of the pilot budget units selected in Section 4 of this Resolution.

(2) The Auditor shall submit recommendations for improving the quality, quantity, usefulness, and monetary value of budget information in the current budgeting system.

(3) The Auditor shall submit recommendations for structuring the flow of budget information to better support performance budgeting.

Section 4. (1) The State Budget Director shall design and implement a state performance budgeting pilot program.

(a) The State Budget Director shall develop a state performance budgeting pilot project research design that will allow reliable conclusions to be drawn about the efficacy of implementing performance budgeting across all executive branch agencies in the Commonwealth. Prior to its implementation, the research design shall be submitted for review and comment by those knowledgeable in the area including, but not limited to, the Auditor of Public Accounts and the Legislative Research Commission.

(b) Based on criteria specified in the research design, the State Budget Director shall select no less than three nor more than six budget units in the executive branch and institute a pilot performance budgeting structure in those units. Implementation shall include collection of sufficient and valid data on the time needed for implementation, costs associated with implementation, and specific departmental changes required for implementation. Implementation shall also include submission of draft budget forms for the pilot units that meet the provisions of KRS 48.040.

(c) A performance budgeting pilot project fund shall be established in the office of the State Budget Director to defray extraordinary expenses related to implementation of the pilot project. The State Budget Director shall have the authority to make disbursements from the fund to units that incur costs related to the pilot project. Information about each disbursement, including but not limited to, the specific reason for the disbursement, a description of how the expense is related to the implementation of performance budgeting in the receiving unit, and a discussion of why the expense cannot be covered within the normal cost of budget information reporting, shall be reported quarterly beginning October 15, 2000, to the Auditor and the Legislative Research Commission, who shall forward the information to the Interim Joint Committee on Appropriation and Revenue and the Program Review and Investigations Committee.

(d) Each budget unit selected for the pilot project shall submit a performance-based budget request for FB 2002-2004, in addition to its regular budget request.

(e) For each unit selected for the pilot project, the Legislative Research Commission, through its director, shall work with the State Budget Director to develop procedures for making the performance budgeting information available to members of the General Assembly.

(f) The Auditor of Public Accounts shall monitor the progress of the performance budgeting pilot project and shall, by February 1, 2002, present a report to the Governor and the Legislative Research Commission, who shall forward the report to the appropriate legislative committees for review.

(2) The report shall include, but not be limited to:

(a) An evaluation of the initial phases of the performance budgeting pilot project and a determination of whether it provides valid results about the efficacy of performance budgeting in the executive branch and whether those results can be generalized to other departments in the executive branch of state government;

The House of Representatives of the Commonwealth of Kentucky hereby recognizes and honors WHAS-TV for the many and generous contributions it has made during fifty years of television broadcasting in this Commonwealth and the surrounding region. Beginning its broadcast in 1950 with the airing of a local newscast and several live television programs such as "T-Bar-V Ranch," "Hayloft Hoe-Down," and "Moral Side of the News," which still airs today, making it one of the longest running shows in television history, this highly-regarded station has continued to cover vital community interest issues including topics surrounding mental illness, women's health and children's services as well as documentaries on strip mining, public school integration and the Prestonsburg school bus crash. While this station remains highly-regarded for the entertaining and informative programs it airs, it is further held in highest esteem and offered immense gratitude for the initiation and continual sponsorship of the Crusade for Children, an extraordinary fundraising effort begun in 1954 which has ultimately collected over $77 million for Kentucky and Southern Indiana agencies the help children with handicaps. This humanitarian endeavor is celebrated as it marks its 47th year of offering much needed support to special needs children. Inasmuch as this most esteemed television station has consistently provided inestimable service to its audiences and to the children and citizens of Kentucky and Indiana, the members of this prestigious body are delighted to join with Representative Perry Clark in commending WHAS-TV for the vital contributions it has made in these most worthwhile endeavors and in expressing the hope for its continued good fortune. If the court suspends the sentence and places the defendant on probation, the provisions of KRS 532.045(3) to (7) shall apply.

(6) The authority granted in this section shall be exercised by the judge who imposed sentence on the defendant, unless he is unable to act and it appears that his inability to act should continue beyond the expiration of the term of the court. (i) A person who occupies a position of special trust and commits an act of substantial sexual conduct.

Nothing in this section shall be construed to prohibit the additional period of three (3) years conditional discharge required by KRS 532.043.

(3) If a person is not otherwise prohibited from obtaining probation or conditional discharge under subsection (2), the court may impose on the person a period of probation or conditional discharge. Probation or conditional discharge shall not be granted until the court is in receipt of ***the comprehensive sex offender presentence***~~[an]~~ evaluation of the offender performed by ***an approved provider, as defined in Section 18 of this Act or*** the~~[sex offender treatment program operated or approved by the]~~ Department of Corrections~~[or the Department for Mental Health and Mental Retardation Services]~~. (7) ***The comprehensive sex offender presentence evaluation and*** all communications relative to the ***comprehensive sex offender presentence*** evaluation and treatment of a sexual offender shall fall under the provisions of KRS 197.440***. The comprehensive sex offender presentence evaluation shall be filed under seal*** and shall not be made a part of the court record subject to review in appellate proceedings ***and shall not be made available to the public***.

(8) Before imposing sentence, the court shall advise the defendant or his counsel of the contents and conclusions of any ***comprehensive sex offender presentence*** evaluation performed pursuant to this section and afford a fair opportunity and a reasonable period of time, if the defendant so requests, to controvert them. The court shall provide the defendant's counsel ***and the Commonwealth's attorney*** a copy of the ***comprehensive sex offender presentence*** evaluation. (2) Each exceptional student as defined in KRS 157.200 shall have an individual education plan that shall serve as the centerpiece of the student's educational career and the communication vehicle between the parents and school personnel. The plan shall enable the parents and school personnel to decide the student's educational needs, the services needed to achieve those needs, and the anticipated results. The plan shall be used as a document to monitor the student's progress. School personnel shall provide the parents with reports of the progress toward the student's annual goals at least as often as report cards go to nondisabled students.

(3) The Kentucky Board of Education shall promulgate administrative regulations establishing procedures for the development and monitoring of individual education plans that are in compliance with the Federal Individuals with Disabilities Education Act, as amended. These administrative regulations shall be written in clear, easily understood language that is free of education jargon *and neither the administrative regulations nor interpretation thereof shall exceed federal requirements*.

Section 4. KRS 157.220 is amended to read as follows:

(1) The Department of Education is hereby designated as the agency for cooperation with the state and federal government agencies, the nonpublic school programs and local schools of Kentucky in carrying out the provisions of KRS 157.200 to 157.280. *The Kentucky Board of Education shall not promulgate administrative regulations, nor make interpretations governing the education of exceptional children and youth, as defined in KRS 157.200(1) and KRS 157.226(1) which exceed requirements under federal law.* The Kentucky Board of Education shall make necessary rules and regulations in keeping with the provisions of KRS 157.200 to 157.280 for their proper administration, including but not limited to establishment of classes, eligibility and admission of pupils, the curriculum, class size limitations, housing, special equipment, and instructional supplies. *However, no administrative regulation promulgated in these areas or interpretation thereof, shall exceed federal requirements.*

Section 6. KRS 6.505 is amended to read as follows:

(1) Each legislator in office on July 1, 1980, may within thirty (30) days after that date, and any legislator thereafter taking office may within thirty (30) days after the date thereof, elect to make monthly contributions to the Legislators' Retirement Plan, in an amount equal to five percent (5%) of his monthly creditable compensation, as defined in KRS 61.510(13). The election shall be effective to establish membership in the plan as of July 1, 1980, or as of the date from which the thirty (30) day period is measured, as the case may be. Provided, however, that any legislator who was in office on July 1, 1980, and who is in office at the time he makes the election may, after the expiration of the thirty (30) day period and until May 1, 1982, make the election, in which event he shall pay to the Legislators' Retirement Plan, for the months between July 1, 1980, and the date of his election such sum as, when added to any member's contribution by him that is transferred from another retirement system under KRS 6.535, will equal the member's contribution required by this section. If the member makes his election after February 1, 1981, he shall in addition pay to the plan interest on the foregoing sum, at six percent

(6%) per annum, calculated as if the sum consisted of equal monthly payments, one (1) of which was due at the end of each month between July 1, 1980, and the date the election was made. The election shall be addressed to and filed with the secretary of the Finance and Administration Cabinet and shall constitute an authorization to the secretary to thereafter cause to be deducted from the member's monthly creditable compensation an amount equal to five percent (5%) thereof, as a voluntarily elected contribution by the member towards the funding of the Legislators' Retirement Plan. Such election shall operate to create an inviolable contract between such member and the Commonwealth, guaranteeing to and vesting in the member the rights and benefits provided for under KRS 6.515 to 6.530. An election once made under this section either to participate or not to participate in the Legislators' Retirement Plan, shall be considered to apply to all future service as a legislator, whether in the same or a different office as a legislator, and whether or not it is in successive terms.

(2) The state shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). The picked-up employee contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982, by the employee contribution, and the picked-up employee contribution shall be in lieu of an employee contribution. The state shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employee contributions picked up after August 1, 1982, shall be treated for all purposes of KRS 6.500 to 6.535 in the same manner and to the same extent as employee contributions made prior to August 1, 1982.

(3) *(a)* ***Except as otherwise provided in paragraph (b) of this subsection,*** when any legislator elects membership in the Legislators' Retirement Plan in accordance with this section, his active membership in the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System shall terminate, as of the date his membership in the Legislators' Retirement Plan becomes effective, and any credit in such other system or systems, earned for service as a legislator, which he then has or which he subsequently regains while being an active member of the Legislators' Retirement Plan, shall be transferred to and counted as service credit in the Legislators' Retirement Plan, and shall no longer constitute credit in such other retirement system except for the purpose of validating any other credit in that system. However, any credit he then has in such other retirement system, earned for service in any capacity other than a legislator, shall not be affected. No person may attain credit in more than one (1) of the retirement plans or systems mentioned in this section, for the same period of service.

(b) ***Any other provision of law to the contrary notwithstanding, a member of the Legislators' Retirement Plan who was previously an active member of the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or Teachers' Retirement System, and who would otherwise qualify for active membership in one of those plans, may elect, in writing, to transfer out of the Legislators' Retirement Plan to that other retirement plan for which the member would otherwise qualify. If an election under this paragraph is made, all service credit and benefits earned as a member of the Legislators' Retirement System shall be transferred, as well as the dollar amount equal to the member's and employer's contributions from the date the contributions were made to the date of the transfer, plus interest, at the actuarially assumed interest rate for the Legislators' Retirement Plan. The member shall be entitled to the transferred service credit in the plan to which the member seeks transfer, when the member pays the difference, if any, between the amount of the funds transferred by the Legislators' Retirement Plan and the cost of the credit to the system accepting the transfer as determined by the receiving system's actuary.***

(4) A member of the Legislators' Retirement Plan who would be entitled, under KRS 61.552, to repurchase credit in the Kentucky Employees Retirement System, for previous service as a legislator, which credit had been lost by refund of contributions, may pay the amount required by KRS 61.552 directly to the Legislators' Retirement Plan and thereby obtain credit in that plan for such service, rather than making payment to the Kentucky Employees Retirement System for credit which would be transferred to the Legislators' Retirement Plan. In such event, the Kentucky Employees Retirement System shall transfer to the Legislators' Retirement Plan an amount equal to the employer's contributions that originally were made to the Kentucky Employees Retirement System for the regained service credit, with interest as provided in KRS 6.535. Six (6) months' current service shall be required in the Legislators' Retirement Plan in order for the repurchased credit to remain in force, the same as provided in KRS 61.552.

 1. An administrative processing or booking fee;
 2. A per diem for room and board of not more than fifty dollars ($50) per day or the actual per diem cost, whichever is less, for the entire period of time the prisoner is confined to the jail;
 3. Actual charges for medical and dental treatment; and
 4. Reimbursement for county property damaged or any injury caused by the prisoner while confined to the jail.

 (b) Rates charged may be adjusted in accordance with the fee and expense reimbursement policy based upon the ability of the prisoner confined to the jail to pay, giving consideration to any legal obligation of the prisoner to support a spouse, minor children, or other dependents. The prisoner's interest in any jointly owned property and the income, assets, earnings, or other property owned by the prisoner's spouse or family shall not be used to determine a prisoner's ability to pay.

(3) The jailer or his designee may bill and attempt to collect any amount owed which remains unpaid. The governing body of the county may, upon the advice of the jailer, contract with one (1) or more public agencies or private vendors to perform this billing and collection. Within twelve (12) months after the date of the prisoner's release from confinement, the county attorney, jailer, or the jailer's designee, may file a civil action to seek reimbursement from that prisoner for any amount owed which remains unpaid.

(4) Any fees or reimbursement received under this section shall be forwarded to the county treasurer for placement in the jail's budget.

However, no prisoner confined in the jail shall be denied any necessary medical care because of inability to pay.

(6) Payment of any required fees may be automatically deducted from the prisoner's property or canteen account. If the prisoner has no funds in his account, a deduction may be made creating a negative balance. If funds become available or if the prisoner reenters the jail at a later date, the fees may be deducted from the prisoner's property or canteen account.

(7) Prior to the prisoner's release, the jailer or his designee may work with the confined prisoner to create a reimbursement plan to be implemented upon the prisoner's release. At the end of the prisoner's incarceration, the prisoner shall be presented with a billing statement produced by the jailer or designee. After the prisoner's release, the jailer or his designee may, after negotiation with the prisoner, release the prisoner from all or part of the prisoner's repayment obligation if the jailer believes that the prisoner will be unable to pay the full amount due.

(8) No per diem shall be charged to any prisoner who is required to pay a work release fee pursuant to KRS 439.179, a prisoner that has been ordered to pay a reimbursement fee by the court pursuant to KRS 534.045, or that the Department of Corrections is financially responsible for housing.

The House of Representatives of the Commonwealth of Kentucky hereby honors Father Edward Randall upon the occasion of his Golden Jubilee, celebrating a half-century of devoted priesthood. Ordained in Washington, D.C. in 1950, Father Randall came to Letcher County, Kentucky, in 1980 to offer his faithful services to the parishes of both St. George Catholic Church in Jenkins and Holy Angels Catholic Church in McRoberts. This remarkable humanitarian and talented artist and sculptor has contributed richly to these communities in many ways, including utilizing his artistic skill to add to the aesthetic beauty of both churches, organizing free art classes open to the public and passionately advocating on behalf of those less fortunate, particularly the elderly and disabled. Father Randall has continually gone beyond the call of duty to help those in need, often paying rent and utilities to prevent the homelessness of many in his community and, in one of many acts of kindness and generosity, arranging, paying for and performing the funeral of an elderly man with no family whom he had met while visiting a local hospital. Having met and become close friends with Mother Teresa in 1982, Father Randall assisted her in establishing an order of the Sisters of Charity in Jenkins, with which he has continued to work closely, and traveled to Albania to aid Mother

Teresa by doing homilies in English for a Sisters of Charity house that she was establishing there. Inasmuch as Father Edward Randall has labored with great diligence and enthusiasm to offer spiritual guidance to all those whose paths he crosses as well as to creatively impact his community in a positive and constructive way, the members of this august body are honored to join Representative Howard Cornett in celebrating this loyal servant of God and in extending to him best wishes for good fortune as he continues to be a kind and compassionate presence in all those whose lives are touched by his. Done in Frankfort, this twenty-fourth day of March, in the year two thousand.

(5) An employee participating in one (1) of the state-administered retirement systems may obtain credit under the provisions of this section in the County Employees Retirement System for current service with the county prior to the effective date of participation of his county by paying to the County Employees Retirement System a delayed

contribution payment. The delayed contribution payment shall not be picked up, as described in Section 6 of this Act, by the employer.

(6) An employee participating in one (1) of the state-administered retirement systems, who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65), may purchase the following service under the provisions of this section by paying to the system in which he participates a delayed contribution payment, if that service is not credited with any other public defined benefit plan:

- *(a) Service with a state university as provided in Section 50(8) of this Act;*
- *(b) Service as assistants to officers and employees of the General Assembly, if not covered under Section 1(19) of this Act, if the service when added to other accumulated service totals at least forty-eight (48) months;*

- *(g) Out-of-state hazardous service in a full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, up to a maximum of ten (10) years and meeting the requirements of Section 5 of this Act, if participating in the State Police Retirement System or a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System;*

- *(k) Service in the National Guard or the military reserves on a basis of one (1) month of service credit for each six (6) months of guard or reserve service.*

(7) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of Sections 35 to 46, 1 to 27, and 28 to 34 of this Act by making installment payments in lieu of a lump-sum payment.

- *(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time that the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.*
- *(b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).*
- *(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to Section 6 of this Act and no employer contributions shall be paid on the installments.*
- *(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.*
- *(e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.*

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of Sections 35 to 46, 1 to 27, and 28 to 34 of this Act by transferring funds pursuant to the rules in 26 U.S.C. sec. 401(a)(31) directly from a retirement plan or a deferred compensation arrangement maintained by his employer which is a qualified plan pursuant to 26 U.S.C. sec. 401(a). Service credit may also be purchased by a rollover of funds from a qualified retirement plan pursuant to the rules specified in 26 U.S.C. sec. 402(c). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in 26 U.S.C. sec. 402 (c) and 26 U.S.C. sec. 401(a)(31). The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(8) (a) Any member or retired member of one (1) of the retirement systems administered by the Kentucky Retirement Systems who is entitled to service credit for employment on or after July 1, 2001, which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(b) Any member or retired member of one (1) of the retirement systems administered by the Kentucky Retirement Systems who is entitled to service credit for employment prior to July 1, 2001, which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service in the same plan in which the employee was participating at the time of the omission by paying the employee contributions due within six (6) months of notification by the system. If the service obtained is in the same system in which the employee is participating, and if it was hazardous duty coverage if the employee is in a hazardous duty position or nonhazardous duty coverage if the employee is in a nonhazardous position, the employee shall also pay to the system the actuarially determined cost to have his service after July 1, 2001, credited as service prior to July 1, 2001, and thereafter the employee shall contribute to the initial plan as if membership occurred prior to July 1, 2001. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(c) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. Service credit shall not be credited to the member's account until the employer contributions are received by the retirement system. The payments shall not be picked up, as described in Section 6 of this Act, by the employer.

(9) For any employee hired January 1, 2001, or later who participates in one (1) of the systems administered by the Kentucky Retirement Systems, service purchased under any of the provisions of Section 35 to 46, 1 to 27, and 28 to 34 of this Act, excluding the repayment of refunds provided in subsection (1) of this section and the payment of contributions not reported in subsection (8) of this section, shall not be included in the total service for purposes of Section 26 of this Act.

SECTION 5. A NEW SECTION OF KRS CHAPTER 61A IS CREATED TO READ AS FOLLOWS:

Effective August 1, 2000:

(1) "Hazardous position" means:

(b) Sheriffs and deputy sheriffs certified under KRS 15.380; or

(c) State correctional officers with routine face-to-face contact with state prisoners.

(2) Each employer may request of the board hazardous duty coverage for those positions as defined in subsection (1) of this section. Upon request, each employer shall certify to the system, in the manner prescribed by the board, the names of all employees working in a hazardous position as defined in subsection (1) of this section for which coverage is requested. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The system shall determine whether the employees whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

(3) (a) An employee participating in the Kentucky Employees Retirement System and the County Employees Retirement System who is determined by the system to be working in a hazardous position in accordance with subsection (2) of this section shall contribute, for each pay period for which he receives compensation, six percent (6%) of his creditable compensation;

(b) Each employer shall pay employer contributions based on the creditable compensation of the employees determined by the system to be working in a hazardous position at the employer contribution rate as determined by the board. The rate shall be determined by actuarial methods consistent with the provisions of Section 9 of this Act;

(c) If the employer participated in the system prior to electing hazardous duty coverage, the employer may pay to the system the cost in order that the nonhazardous service be credited as hazardous service, or the employer may establish a payment schedule for payment of the cost of the hazardous service above that which would be funded within the existing employer contribution rate. The employer may extend the payment schedule to a maximum of twenty (20) years. Payments made by the employer under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members. If the employer elects not to make the additional payment, the employee may make the lump-sum payment in his own behalf or may pay by increments. Payments made by the employee under this subsection shall not be picked up, as described in Section 6 of this Act, by the employer. If neither the employer nor employee makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) The normal retirement age, retirement allowance, other benefits, eligibility requirements, rights, and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2), and (3) of this section, and the responsibilities, rights, and requirements of his employer shall be as prescribed for a member and employer participating in the State Police Retirement System as provided for in Sections 35 to 46 of this Act.

(5) Any person employed in a hazardous position shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employee's department or county and made available to the system upon request.

(6) If doubt exists regarding the benefits payable to a hazardous position employee under this section, the board shall determine the benefits payable under Sections 1 to 27, 28 to 34, or 35 to 46 of this Act.

SECTION 6. A NEW SECTION OF KRS CHAPTER 61A IS CREATED TO READ AS FOLLOWS:

For an employee hired on or after July 1, 2001:

(1) Each employee shall contribute for each pay period for which he receives compensation four percent (4%) of his creditable compensation, unless he did not elect membership under KRS 61.545(3).

(2) Each employer shall cause to be deducted from the creditable compensation of each employee for each and every payroll period the contribution payable by each such employee as provided in Sections 1 to 27 of this Act.

(3) The deductions provided for in this section shall be made notwithstanding that the minimum compensation provided by law for any employee shall be reduced thereby. Every employee shall be deemed to consent and agree to the deductions made as provided in this section; and payment of salary or compensation less these deductions shall be a full and complete discharge of all claims for services rendered by the person during the period covered by the payment, except as to any benefits provided by Sections 1 to 27 of this Act.

(4) Each employer shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employee contributions required by this section, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(10). These contributions shall not be included as gross income of the employee until the time when the contributions are distributed or made available to the employee. Each employer shall pay these picked-up employee contributions from the same source of funds which is used to pay earnings to the employee. The employee shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system.

SECTION 7. A NEW SECTION OF KRS CHAPTER 61A IS CREATED TO READ AS FOLLOWS:

For an employee hired on or after July 1, 2001:

(1) The members' contribution account shall be the account to which all members' contributions, or contributions picked up by the employer, and interest allowances as provided in Sections 1 to 27 of this Act shall be credited. From this account shall be paid the accumulated contributions of a member required to be returned to him upon withdrawal, or paid in the event of his death before retirement.

(2) Each member's contribution or contribution picked up by the employer shall be credited to the individual account of the contributing member.

(3) Upon the retirement of a member, his accumulated contributions shall be transferred from the members' contribution account to the retirement allowance account.

SECTION 8. A NEW SECTION OF KRS CHAPTER 61A IS CREATED TO READ AS FOLLOWS:

For an employee hired on or after July 1, 2001, the retirement allowance account shall be the account in which shall be accumulated all employer contributions and amounts transferred from the members' contribution account, and to which all income from the invested assets of the system shall be credited. From this account shall be paid the expenses of the system and the board incurred in administration of the system, retirement allowances, and any other benefits payable after a member's retirement and from this account shall be transferred to the members' contribution account as provided in Section 7 of this Act.

SECTION 9. A NEW SECTION OF KRS CHAPTER 61A IS CREATED TO READ AS FOLLOWS:

For an employee hired on or after July 1, 2001:

(1) Each employer participating in the State Police Retirement System as provided for in Sections 35 to 46 of this Act, each employer participating in the County Employees Retirement System as provided for in Sections 28 to 34 of this Act, and each employer participating in the Kentucky Employees Retirement System as provided for in Sections 1 to 27 shall contribute annually to the respective retirement system an amount equal to the percent, as computed under subsection (2) of this section, of the creditable compensation of its employees to be known as the "normal contributions," and an additional amount to be known as the "past service contribution" that shall be computed by amortizing the total unfunded past service liability over a period of thirty (30) years using the level-percentage-of-payroll method. Any significant increase in past service liability due to benefit improvements shall be amortized using the level-percentage-of-payroll amortization method over a separate thirty (30) year period commencing in the year of the actuarial valuation in which the benefit improvements are first reflected.

(2) The normal contribution rate shall be determined by the entry age normal cost funding method. The past service liability shall be determined by actuarial method consistent with the methods prescribed for determining the normal contribution rate. Normal contributions and the past service liability contribution shall be determined on actuarial bases adopted by the board.

(3) Normal contribution and the past service contribution rates shall be determined by the board on the basis of the annual actuarial valuation last preceding the July 1 of a new biennium. The board may amend contribution rates as of July 1 of the second year of a biennium, if it is determined on the basis of a subsequent actuarial valuation that amended contribution rates are necessary to satisfy the requirements of subsections (1) and (2) of this section.

(4) The system shall advise each employer prior to the beginning of each biennium, or prior to July 1 of the second year of a biennium, of any change in the employer contribution rate. Based on the employer contribution rate, each employer shall include in the budget sufficient funds to pay the employer contributions as determined by the board under subsections (1) to (3) of this section.

SECTION 10. A NEW SECTION OF KRS CHAPTER 61A IS CREATED TO READ AS FOLLOWS:

For an employee hired on or after July 1, 2001:

(1) In lieu of any other benefits due under Sections 1 to 27 and Sections 28 to 34 of this Act, a member who has attained the age of sixty-five (65) and who has obtained at least one (1) month of service credit but no more than forty-seven (47) months of service may elect to receive an annual retirement allowance payable monthly or less frequently, as determined by the board, which shall be determined by multiplying his accumulated contributions by two (2) and converting this amount to an annual retirement allowance based on an annuity rate adopted by the board which would pay the actuarial equivalent of twice his accumulated contributions over the lifetime of the retired member.

(2) For a nonhazardous member:

(a) A member who is sixty-five (65) years if age or older who has at least forty-eight (48) months of service is eligible for a nonreduced retirement allowance as provided in Section 11 of this Act;

(b) A member who is less than sixty-five (65) years of age may receive a nonreduced retirement allowance as provided in Section 11 of this Act if the sum of the member's age and years of service is equal to or greater than eighty-five (85);

(c) A member who is less than sixty-five (65) years of age may receive a reduced retirement allowance as provided in Section 11 of this Act if the sum of the member's age and years of service is at least seventy-five (75) and less than eighty-five (85).

(b) The annual retirement allowance for a member of the Kentucky Employees Retirement System or the County Employees Retirement System shall not exceed the maximum benefit as set forth in the Internal Revenue Code.

(2) Upon service retirement prior to normal retirement date, a member of the Kentucky Employees Retirement System or the County Employees Retirement System may receive an annual retirement allowance, payable monthly during his lifetime, that shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of the member's actual retirement, but the amount of the retirement allowance so determined shall be reduced to reflect the earlier commencement of benefits.

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month that he was employed. Based upon this calculation, the State Treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with this section shall be the official retirement allowance unless the new calculation derives an amount which is one dollar ($1) greater or less than the amount of the initial retirement payment.

For an employee hired on or after July 1, 2001, the disability requirements, procedures, and benefits shall be the same as provided under KRS 61.600, except that:

(1) For an incapacity in the line of duty, the incapacity shall be the result of injury or accident arising out of or in the course of employment; and

(2) Upon retirement for a disability in the line of duty, an employee may receive an annual retirement allowance payable monthly during his lifetime that shall be determined in the same manner as for retirement at his normal retirement date except that service shall be added beginning with his last date of paid employment and continuing to his normal retirement age. The maximum service credit added shall not exceed the total service the member had on his last day of paid employment, and the maximum service for calculating the member's benefit shall not exceed twenty (20) years for a member in a hazardous position or twenty-seven (27) years for a member in a nonhazardous position.

For an employee hired on or after July 1, 2001:

(1) Once each year following the retirement of a member on a disability retirement allowance, or less frequently as determined by the board's medical examiner but not less than once every five (5) years, the system may require the person, prior to his normal retirement date, to undergo a financial and medical staff review and, if necessary, be required to submit current medical information. Each recipient of a disability retirement allowance who is engaged in gainful employment shall notify the system of any employment; otherwise, the system shall have the right to recover payments made during the employment.

(2) The system shall have full power and exclusive authority to reduce or discontinue a disability retirement allowance and the system shall utilize procedures consistent with Section 16 of this Act, including services of an examiner, in determining the amount of reduction in retirement allowance under this section.

(3) If a disability retirement allowance is suspended:

(a) The member shall remain eligible for reinstatement of his disability allowance upon reevaluation by the medical review board until his normal retirement age; and

(b) Upon attaining normal retirement age, the member shall receive his disability retirement allowance or his early retirement allowance.

(4) No disability retirement allowance shall be suspended by the system after the member's normal retirement date.

SECTION 16. A NEW SECTION OF KRS CHAPTER 61A IS CREATED TO READ AS FOLLOWS:

For an employee hired on or after July 1, 2001:

(b) The employer shall file at the retirement office a complete description of the job and duties for which the employee was last paid and shall submit a detailed description of reasonable accommodations attempted.

(c) The board shall prescribe forms upon which medical evidence shall be recorded. The forms shall be sent to the employee's physicians with the request that the documents be completed and filed at the retirement office.

(d) The cost of a medical examination shall be paid by the employee. The physicians shall be paid a reasonable amount by the retirement system for the filing of the medical report with the retirement office, in accordance with an administrative regulation promulgated by the board.

(e) The system shall select a medical examiner to evaluate the medical evidence submitted by the employee's physician. The examiner shall recommend that disability retirement be approved or that disability retirement be denied. If the medical examiner recommends denial of disability benefits, the system shall submit the member's application to two (2) additional medical examiners. Both of the additional medical examiners shall recommend approval of disability benefits to overturn the original recommendation. Recommendations by the examiners shall be submitted to the board for approval.

(f) If the medical examiners recommend that the employee be approved for disability retirement, the general manager shall make retirement payments in accordance with the retirement plan selected by the employee.

(g) If the medical examiners recommend that the employee be denied disability retirement, the general manager shall notify the employee of this recommendation. The employee shall have sixty (60) days to file at the retirement office additional medical information or to appeal his denial for disability benefits by filing at the retirement office a request for a formal hearing. An extension of time may be granted by the system for a medical examiner to evaluate additional medical information. The extensions of time shall not be for more than sixty (60) days for any one (1) extension, and no more than three (3) extensions shall be granted. The cumulative extension of time shall not exceed one hundred twenty (120) days. The extension of time shall end upon request of a formal hearing.

(h) The medical examiners shall be paid a reasonable amount by the retirement system for each case evaluated.

(i) Notwithstanding the foregoing provisions of this section, the system may pay for one (1) or more medical

examinations requested by the examiners for the purpose of providing medical information deemed necessary by the examiners. The system may direct that a specialist be sought.

(3) Any person aggrieved by a final order or determination of the system may file at the retirement office a request that a hearing be conducted by the system in accordance with KRS Chapter 13B. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice, as described in subsection (6) of this section, of the system's determination. If any extensions of time are granted by the system, they shall be as provided for in subsection (2)(g) of this section.

(a) Any person whose disability benefits have been suspended or denied under subsection (2)(g) of this section or Section 15(1) of this Act may file at the retirement office a request for an administrative hearing with the system. The right to demand a hearing shall be limited to a period of sixty (60) days after the requester has had notice of the system's determination. The request shall be filed with the general manager, at the system's central office in Frankfort. The request for a hearing shall include a short and plain statement of the reasons the suspension or denial of disability benefits is being contested. The request shall not operate as a stay of any suspension or denial of benefits.

(b) Failure of the member to request a formal hearing within the period of time specified shall preclude the member from proceeding any further with his cause of action, except as provided in Section 12(1)(g) of this Act. This paragraph shall not limit the member's right to appeal to a court.

(c) The system may require the member requesting the formal hearing to submit to one (1) or more medical or psychological examinations. Notice of the time and place of the examination shall be mailed to the member or his legal representative. The system shall be responsible for the cost of the examination.

(d) A final order of the board shall be based on substantial evidence appearing in the record as a whole and shall set forth the decision of the board and the facts and law upon which the decision is based.

(e) A final order of the board which alters or amends the decision recommended pursuant to subsection (2)(g) of this section shall relate back and take effect on the date of the recommendation.

(f) All requests for a hearing under this section shall be made in writing.

(4) The board may establish an appeals committee whose members shall be appointed by the chairman and which shall have the authority to act upon the recommendations and reports of the hearing officer under this section on behalf of the board.

(5) Any person aggrieved by a final order of the board may seek judicial review after all administrative appeals have been exhausted by filing a petition for judicial review in the Franklin Circuit Court in accordance with KRS Chapter 13B.

(6) The system, in accordance with administrative regulations, may refer an employee determined by it to be disabled to the Kentucky Office of Vocational Rehabilitation for evaluation and, if appropriate, retraining.

(a) The cost of the evaluation and retraining shall be paid by the system in accordance with the administrative regulations established by the board.

(b) The member shall perform all acts that are necessary to enroll in and satisfy the requirements of the Kentucky Office of Vocational Rehabilitation as prescribed by the board. This shall include the exchange of confidential information between Kentucky Retirement Systems and the Kentucky Office of Vocational Rehabilitation as necessary to conduct the rehabilitation process. Failure of the member to cooperate with the system or the Kentucky Office of Vocational Rehabilitation may result in his disability allowance being discontinued, reduced, or denied until the member complies with the agency requests. If the refusal continues for one (1) year, all his rights to any further disability allowance shall cease.

If a living person designated as the beneficiary predeceases the retired member, the estate shall become the beneficiary. The board shall also arrange to provide health care coverage by health maintenance organizations, as defined in KRS 18A.225, as an alternative to group hospital and medical insurance for any person eligible for hospital and medical benefits under this section. The board may authorize present and future recipients of a retirement allowance from any of the three (3) retirement systems, who are under age sixty-five (65), to be included in the state employees' group for hospital and medical insurance.

(2) Each employer participating in the State Police Retirement System as provided for in Sections 35 to 46 of this Act, each employer participating in the County Employees Retirement System as provided in Sections 28 to 34 of this Act, and each employer participating in the Kentucky Employees Retirement System as provided for in Sections 1 to 27 of this Act shall contribute to the Kentucky Retirement Systems insurance fund the amount necessary to provide hospital and medical insurance as provided for under this section. This employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system determined under Section 9 of this Act.

(3) (a) The retirement systems contribution toward the premium required to provide hospital and medical benefits under this section shall be paid:

1. For a retired member the maximum monthly contribution shall be two hundred dollars ($200), effective July 1, 2001.

a. Where the recipient is a retired former member of one (1) or more of the three (3) retirement systems and had twenty-five (25) or more years of service upon retirement, the retired member shall be entitled to the maximum monthly contribution if the recipient agrees to pay the difference in the cost of his insurance selection and the maximum monthly contribution by payroll deduction or otherwise.

b. If the recipient had less than twenty (20) years but fifteen (15) or more years, a monthly contribution of one hundred twenty dollars ($120) shall be paid from the insurance fund if the recipient agrees to pay the difference in the cost of his insurance selection by payroll deductions from his retirement allowance or by another method.

d. If the recipient had less than fifteen (15) years but ten (10) or more years, a monthly contribution of eighty dollars ($80) shall be paid from the insurance fund if the recipient agrees to pay the difference in the cost of his insurance selection by payroll deductions from his retirement allowance or by another method.

e. If the recipient had less than ten (10) years but four (4) or more years, a monthly contribution of forty dollars ($40) shall be paid from the insurance fund provided the recipient agrees to pay the difference in the cost of his insurance selection by payroll deductions from his retirement allowance or by another method.

A State Police Retirement System member or a hazardous duty position employee, as defined in Section 5 of this Act, who is killed in the line of duty as defined in Section 35(18) of this Act shall have the maximum monthly contribution for the beneficiary, if the beneficiary is the member's spouse, and for each dependent child paid so long as they individually remain eligible for a monthly retirement benefit.

4. As used in this paragraph, "years of service" means the total years of combined service used to determine benefits under any or all of the three (3) retirement systems.

(b) For a member electing insurance coverage through the Kentucky Retirement Systems, "years of service" shall include, in addition to service as described in paragraph (a) of this subsection, service credit in one of the other state-administered retirement plans.

1. The Kentucky Retirement Systems shall compute the member's combined service, including service credit in another state-administered retirement plan, and calculate the portion of the member's premium to be paid by the insurance fund, according to the criteria established in paragraph (a) of this subsection. Each state-administered retirement plan annually shall pay to the insurance fund the percentage of the system's cost of the retiree's monthly contribution for single coverage for hospital and medical insurance that shall be equal to the percentage of the member's number of months of service in the other state-administered retirement plan divided by his total combined service. The amounts paid by the other state-administered retirement plans and the insurance fund shall not be more than one hundred percent (100%) of the monthly contribution adopted by the respective boards of trustees.

2. A member may not elect coverage for hospital and medical benefits under this subsection through more than one (1) of the state-administered retirement plans.

(4) (a) Group rates under the hospital and medical insurance plan shall be made available to the spouse, dependents, and disabled children, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary, if the premium for the spouse, dependent, disabled child, or beneficiary hospital and medical insurance is paid by payroll deduction from the retirement allowance or by another method. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(b) The insurance fund shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage.

The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient. No commission shall be paid for hospital and medical insurance procured under authority of this section.

(d) The benefits of this section shall be considered base-level benefits and shall be protected by the inviolable contract provisions of Section 24, 46, or 34 of this Act. The General Assembly may award supplemental benefits or coverage rates at any time on an ad hoc basis. Any enhanced benefits or rate increases that may be conferred

in the future on an ad hoc basis shall not be considered part of the inviolable contract provisions and, as such, the General Assembly reserves the right to suspend or reduce any ad hoc benefits conferred in this section if in its judgment the welfare of the Commonwealth so demands.

SECTION 27. A NEW SECTION OF KRS CHAPTER 61A IS CREATED TO READ AS FOLLOWS:

(1) The board of trustees of Kentucky Retirement Systems shall arrange by appropriate contract or on a self-insured basis to provide a group hospital and medical insurance plan for present and future recipients of a retirement allowance from the Kentucky Employees Retirement System, County Employees Retirement System, and State Police Retirement System. The board shall also arrange to provide health care coverage by health maintenance organizations, as defined in KRS 18A.225, as an alternative to group hospital and medical insurance for any person eligible for hospital and medical benefits under this section. Any person who chooses coverage by a health maintenance organization shall pay, by payroll deduction from the retirement allowance or by another method, the difference in premium between the cost of health maintenance organization coverage and the benefits to which he would be entitled under this section. The board may authorize present and future recipients of a retirement allowance from any of the three (3) retirement systems, who are under age sixty-five (65), to be included in the state employees' group for hospital and medical insurance and shall provide benefits for recipients equal to those provided to state employees having the same Medicare hospital and medical insurance eligibility status.

(2) Each employer participating in the State Police Retirement System as provided for in KRS 16.510 to 16.652, each employer participating in the County Employees Retirement System as provided in KRS 78.510 to 78.852, and each employer participating in the Kentucky Employees Retirement System as provided for in KRS 61.510 to 61.705 shall contribute to the Kentucky Retirement Systems insurance fund the amount necessary to provide hospital and medical insurance as provided for under this section. Such employer contribution rate shall be developed by appropriate actuarial method as a part of the determination of each respective employer contribution rate to each respective retirement system

determined under KRS 61.565.

(3) (a) The premium required to provide hospital and medical benefits under this section shall be paid:

1. Wholly or partly from funds contributed by the recipient of a retirement allowance, by payroll deduction, or otherwise;

2. Wholly or partly from funds contributed by the Kentucky Retirement Systems insurance fund;

3. Wholly or partly from funds contributed by another state-administered retirement system under a reciprocal arrangement, except that any portion of the premium paid from the Kentucky Retirement Systems insurance fund under a reciprocal agreement shall not exceed the amount that would be payable under this section if all the member's service were in one (1) of the systems administered by the Kentucky Retirement Systems;

4. Partly from subparagraphs 1., 2., or 3., except that any premium for hospital and medical insurance over the amount contributed by the Kentucky Retirement Systems insurance fund or another state-administered retirement system under a reciprocal agreement shall be paid by the recipient. If the board provides for cross-referencing of insurance premiums, the employer's contribution for the working member or spouse shall be applied toward the premium, and the Kentucky Retirement Systems insurance fund shall pay the balance, not to exceed the monthly contribution.

5. In full from the Kentucky Retirement Systems insurance fund for all recipients of a retirement allowance from any of the three (3) retirement systems where such recipient is a retired former member of one (1) or more of the three (3) retirement systems (not a beneficiary or dependent child receiving benefits) and had two hundred and forty (240) months or more of service upon retirement. Should such recipient have less than two hundred forty (240) months of service but have at least one hundred eighty (180) months of service, seventy-five percent (75%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining twenty-five percent (25%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred eighty (180) months of service but have at least one hundred twenty (120) months of service, fifty percent (50%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining fifty percent (50%) by payroll deduction from his retirement allowance or by another method. Should such recipient have less than one hundred twenty (120) months of service but have at least forty-eight (48) months of service, twenty-five percent (25%) of such premium shall be paid from the insurance fund provided such recipient agrees to pay the remaining seventy-five percent (75%) by payroll deduction from his retirement allowance or by another method. Notwithstanding the foregoing provisions of this subsection, a State Police Retirement System member or a hazardous position employee, as defined in KRS 61.592, who becomes disabled in the line of duty as defined in KRS 16.505(19), shall have his premium paid in full as if he had two hundred forty (240) months or more of service. Further, a State Police Retirement System member or a hazardous position employee as defined in KRS 61.592, who is killed in the line of duty as defined in KRS 16.505(19), shall have the premium for the beneficiary, if the beneficiary is the member's spouse, and for each dependent child paid so long as they individually remain eligible for a monthly retirement benefit. "Months of service" as used in this section shall mean the total months of combined service used to determine benefits under any or all of the three (3) retirement systems, except service added to determine disability benefits shall not be counted as "months of service."

(b) For a member electing insurance coverage through the Kentucky Retirement Systems, "months of service" shall include, in addition to service as described in paragraph (a) of this subsection, service credit in one of the other state-administered retirement plans.

1. Effective August 1, 1998, the Kentucky Retirement Systems shall compute the member's combined service, including service credit in another state-administered retirement plan, and calculate the portion of the member's premium to be paid by the insurance fund, according to the criteria established in paragraph (a) of this subsection. Each state-administered retirement plan annually shall pay to the insurance fund the percentage of the system's cost of the retiree's monthly contribution for single coverage for hospital and medical insurance which shall be equal to the percentage of the member's number of months of service in the other state-administered retirement plan divided by his total combined service. The amounts paid by the other state-administered retirement plans and the insurance fund shall not be more than one hundred percent (100%) of the monthly contribution adopted by the respective boards of trustees.

2. A member may not elect coverage for hospital and medical benefits under this subsection through more than one (1) of the state-administered retirement plans.

3. A state-administered retirement plan shall not pay any portion of a member's monthly contribution for medical insurance unless the member is a recipient or annuitant of the plan.

(4) (a) Group rates under the hospital and medical insurance plan shall be made available to the spouse, dependents, and disabled children, regardless of the disabled child's age, of a recipient who is a former member or the beneficiary,

if the premium for the spouse, dependent, disabled child, or beneficiary hospital and medical insurance is paid by payroll deduction from the retirement allowance or by another method. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(b) The other provisions of this section notwithstanding, the insurance fund shall pay a percentage of the monthly contribution for the spouse and dependents of a recipient who was a member of the General Assembly and is receiving a retirement allowance based on General Assembly service, of the Kentucky Employees Retirement System and determined to be in a hazardous position, of the County Employees Retirement System, and determined to be in a hazardous position or of the State Police Retirement System, or the beneficiary of the member, if the member designated only one (1) person as beneficiary. The percentage of the monthly contribution paid for the spouse and dependents shall be based solely on the member's service with the State Police Retirement System or service in a hazardous position using the formula in subsection (3)(a) of this section.

(c) The insurance fund shall continue the same level of coverage for a recipient who was a member of the County Employees Retirement System after the age of sixty-five (65) as before the age of sixty-five (65), if the recipient is not eligible for Medicare coverage. If the insurance fund provides coverage for the spouse or dependents or beneficiary of a former member of the County Employees Retirement System, the insurance fund shall continue the same level of coverage for the spouse or dependent or beneficiary after the age of sixty-five (65) as before the age of sixty-five (65), if the spouse or dependent or beneficiary is not eligible for Medicare coverage.

(5) After July 1, 1998, notwithstanding any other provision to the contrary, a member who holds a judicial office but did not elect to participate in the Judicial Retirement Plan and is participating instead in the Kentucky Employees Retirement System, the County Employees Retirement System, or the State Police Retirement System, as provided in KRS 61.680, and who has at least twenty (20) years of total service, one-half (1/2) of which is in a judicial office, shall receive the same hospital and medical insurance benefits, including paid benefits for spouse and dependents, as provided to persons retiring under the provisions of KRS 21.427. The Administrative Office of the Courts shall pay the cost of the medical insurance benefits provided by this subsection.

(6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient. No commission shall be paid for hospital and medical insurance procured under authority of this section.

(7) Any member whose effective retirement date is August 1, 2000, or after and who is later employed in a regular full-time position in one (1) of the retirement systems administered by the Kentucky Retirement Systems shall either waive coverage in the employer's medical insurance plan or in the Kentucky Retirement Systems' medical insurance plan.

CAPITAL PROJECTS BUDGET PROVISIONS FOR PART II, CAPITAL PROJECTS

1. All appropriations to existing line-item capital construction projects expire on June 30, 2000, unless reauthorized in this Act with the following exceptions: (1) a construction contract for the project shall have been awarded by June 30, 2000; (2) permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds; (3) grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties. Notwithstanding the criteria set forth in this section, the disposition of 1998-2000 appropriated maintenance pools shall remain subject to the provisions of KRS 45.770(4)(c) and (d). Purchases of major items of equipment require reauthorization if a purchase order has not been executed by June 30, 2000.

2. Bond projects authorized for the first time in this section which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium and a partial amount of the annual debt service required has been provided so that preliminary work on the projects may proceed. The full amount of annualized debt service has been included at the beginning of fiscal year 2001-2002. Therefore, the sale of any permanent bonds to finance these projects shall occur after January 1, 2001.

3. If any authorized capital construction or major equipment projects are canceled, any General Fund appropriated debt service for those same projects shall lapse to the credit of the General Fund.

4. Notwithstanding the provisions of KRS 45.750 to 45.782, the General Assembly has determined that certain individual capital projects identified in this Act as eligible for funding from the Emergency Repair, Maintenance and Replacement Fund or the Deferred Maintenance Fund require a direct appropriation from the Emergency Repair, Maintenance and Replacement Fund and that certain projects require a direct appropriation from the Deferred Maintenance Fund in this Act. KRS 45.782 notwithstanding, certain of the Deferred Maintenance projects identified in Part II of this Act exceed $400,000 each.

5. Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond financed capital project may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding the provisions of KRS 48.720, KRS 48.010, or any section of this Act, any funds appropriated but not required to pay debt service because of this fund source substitution shall be credited to the Deferred Maintenance Pool Account each year. Unneeded debt service resulting due to any other circumstance shall lapse in accordance with KRS 48.720, KRS 48.010, and other provisions of this Act except for the following: if the fund balance in the Emergency Repair, Maintenance and Replacement Fund falls below $5,000,000 in fiscal year 2000-2001, any debt service lapse necessary to bring the fund balance to $5,000,000 shall be credited to the Emergency Repair, Maintenance and Replacement Fund. If the Emergency Repair, Maintenance and Replacement Fund remains at $5,000,000 or above, the first $2,000,000 in fiscal year 2000-2001 in debt service lapse shall be deposited to the statutory Deferred Maintenance Pool Account. No transfer to the Emergency Repair, Maintenance and Replacement Fund or the Deferred Maintenance Pool shall be made based on the above provisions if the lapse from other General Fund accounts is insufficient to meet appropriations approved in other parts of this Act.

6. Investment income earned from funds credited to the Technology Trust Fund account in the Finance and Administration Cabinet shall accrue to the Capital Construction and Equipment Purchase Contingency Account established in KRS 45.770.

7. The Council on Postsecondary Education subheading in this Part includes a project entitled "Agency Bond Pool." For the Agency Bond Pool, $35,000,000 in projects are authorized to be funded from Restricted Funds-supported bonds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2000-2002 biennium.

The provisions of KRS 45.750 to 45.816 notwithstanding, capital construction projects at institutions of higher education involving no state or federal funds may be authorized between regular sessions of the General Assembly if the projects receive prior approval from both the Council on Postsecondary Education and the Secretary of the Finance and Administration Cabinet, and the Capital Projects and Bond Oversight Committee receives prior notification.
